*The Starfish and the Spider* Hay House, Inc "After five years of groundbreaking

research, Ori Brafman and Rod A. Beckstrom share some gripping stories. *The Starfish and the Spider* argues that organizations fall into two categories: traditional "spiders," which have a rigid hierarchy and top-down leadership, and revolutionary "starfish," which rely on the power of peer relationships. This book explores what happens when starfish take on spiders (such as the music industry vs. Napster, Kazaa, and the P2P services that followed). It reveals how established companies and institutions, from IBM to Intuit to the U.S. government, are also learning how to incorporate starfish principles to achieve success."--BOOK JACKET.

Just as World War II called an earlier generation to greatness, so the climate crisis is calling today's rising youth to action: to create a better future. In

UNSTOPPABLE, Bill Nye crystallizes and expands the message for which he is best known and beloved. That message is that with a combination of optimism and scientific curiosity, all obstacles become opportunities, and the possibilities of our world become limitless. With a scientist's thirst for knowledge and an engineer's vision of what can be, Bill Nye sees today's environmental issues not as insurmountable, depressing problems but as chances for our society to rise to the challenge and create a cleaner, healthier, smarter world. We need not accept that transportation consumes half our energy, and that two-thirds of the energy you put into your car is immediately thrown away out the tailpipe. We need not accept that dangerous emissions are the price we must pay for a vibrant economy and a comfortable life. Above all, we need not accept that we will leave our children a planet that is dirty, overheated, and depleted of resources. As Bill shares his vision, he debunks some of the most persistent myths and misunderstandings about global warming. When you are done reading, you'll be enlightened and empowered. Chances are, you'll be

smiling, too, ready to join Bill and change the world. In *Unstoppable: Harnessing Science to Change the World*, the New York Times bestselling author of *Undeniable: Evolution and the Science of Creation* and former host of "Bill Nye the Science Guy" issues a new challenge to today's generation: to make a cleaner, more efficient, and happier world. Praise for *UNDENIABLE*: "With his charming, breezy, narrative style, Bill empowers the reader to see the natural world as it is, not as some would wish it to be. He does it right. And, as I expected, he does it best." -Neil deGrasse Tyson, Ph.D, host of *COSMOS* "Bill Nye, 'the Science Guy,' has become a veritable cultural icon....[T]he title of his new book on evolution...[is] 'Undeniable,' because, yes, there are many Americans who still deny what Darwin and other scientists long ago proved." -Frank Bruni, *The New York Times* "With a jaunty bow tie and boyish enthusiasm, Bill Nye the Science Guy has spent decades decoding scientific topics, from germs to volcanoes, for television audiences....In his new book, Nye delights in how [evolution] helps to unlock the mysteries of everything from bumblebees

to human origins to our place in the universe." -National Geographic "When it comes to Bill Nye, 'Science Guy' doesn't even begin to cover it. When he's not being summoned to act as a voice of reason for news outlets or leading meetings as CEO of the Planetary Society, he is living the life of a best-selling author....His recently published book, 'Undeniable: Evolution and the Science of Creation,' enlightens readers while using a conversational, educational tone. After all, it's his ability to break down even the most complicated topics into bite-size pieces that made him such a hit on his '90s children's show 'Bill Nye, the Science Guy.'" -The Boston Globe "Mr. Nye writes briskly and accessibly...[and] makes an eloquent case for evolution."-The Wall Street Journal "Because [Bill Nye is] a scientist, he has no doubts that the 'deniers' of evolution are flat wrong. And because he's a performer, his book is fun to read and easy to absorb." -The Washington Post "Ignite your inner scientist when Nye, known for delivering geeky intel with clarity and charm, takes on one of society's most hotly debated topics (yes, still)." -Time Out New York

Greene lets Wilzig's effervescent spirit shine through, and his story will appeal to a wide variety of readers." - Library Journal Unstoppable is the ultimate immigrant story and an epic David-and-Goliath adventure. While American teens were socializing in ice cream parlors, Siggie was suffering beatings by Nazi hoodlums for being a Jew and was soon deported along with his family to the darkest place the world has ever known: Auschwitz. Siggie used his wits to stay alive, pretending to have trade skills the Nazis could exploit to run the camp. After two death marches and near starvation, he was liberated from camp Mauthausen and went to work for the US Army hunting Nazis, a service that earned him a visa to America. On arrival, he made three vows: to never go hungry again, to support the Jewish people, and to speak out against injustice. He earned his first dollar shoveling snow after a fierce blizzard. His next job was laboring in toxic sweatshops. From these humble beginnings, he became President, Chairman and CEO of a

New York Stock Exchange-listed oil company and grew a full-service commercial bank to more than \$4 billion in assets. Siggie's ascent from the darkest of yesterdays to the brightest of tomorrows holds sway over the imagination in this riveting narrative of grit, cunning, luck, and the determination to live life to the fullest.

"Despite my optimism about other parts of life, I decided that love in this world had limits after all. I'd become convinced that no woman would want to marry such an obviously imperfect man as me...." As a boy growing up in Australia, Nick Vujicic could not understand why God had allowed him to be born without limbs and if He would ever bring a woman into Nick's life. On the other side of the world, Kanae Miyahara—a girl growing up in Mexico--saw dysfunction sadly separate her family. She wondered if a loving, lasting marriage was even possible. Later, when Nick realized that God had a purpose for him, his life took on new meaning. But after a long-term relationship ended in heartache, would he ever find someone to marry? Kanae experienced relationships based on superficial attraction, but she longed to find a mate with strong character and faith—a man who would be a godly husband and father. When Nick and Kanae

met in the most amazing way, they realized that God—the ultimate Matchmaker-- had used even their discouraging and painful experiences to prepare them for each other...for the love of their life.
