My Life as a Book My Life as Lotta From the authors of the Goddess Girls series comes the first book in a brand-new series steeped in Norse mythology, magic, adventure, and friendship. "Gold and Gullveig I cannot see. But here is a vision that comes to me; Adventure for you is about to start. Near Asgard you must find the heart. A Secret world there hides away, which holds the power to stop doomsday!" When eleven-year-old Freya hears that prophecy from her magical jewel, she isn't sure what to make of it. Doomsday? She will find the key? Mere seconds after that prediction, she receives a

mysterious invitation to Asgard Academy from the powerful Odin, who commands her to "bring her magic" to Asgard. With encouragement from her twin, Frey, Freya reluctantly heads out on their new adventure. And Freya's first challenge begins before she even steps foot in Asgard. While trying to navigate the treacherous Bifrost Bridge, she drops her magical jewel off the bridge, and a sneaky pair of dwarves take her jewel down to the world of Midgard! Without that jewel, Freya thinks she is powerless. But with the help of her pod-mates at Asgard, Freya discovers a world that is bigger and more mysterious than she ever imagined! There, she learns the true terror that Ragnarok—the doomsday her jewel warned her about—could mean for

Asgard Academy if she and her new friends, the Thunder Girls, don't stop it!

TALES OF THE EXPRESS This true story begins in 1826, at a small farm in New Hampshire. The main character is a scared, thirteen-year old girl, named Charlotte Parker. An alcoholic and abusive stepfather and stepbrother complicate her life and she runs away from home with an old horse. After running as far as the horse could take them, Charlotte disguises herself as a boy and tries to find work at a stable. She meets a kind-hearted man named Ebenezer Balch, who owns a livery stable and tavern called the Balch House. Eb takes

the boy under his wing and vows to make a man of him. Reinventing herself as Charley Parkhurst, the "boy" becomes part of the family business. Charley stays on at the Balch house and learns to become a respected coachman. In 1844, when the Balchs' relocated to Providence Rhode Island, Charley, now 31 went along as well. At the "What Cheer House", in Providence, Charley meets two young men named James Birch and Frank Stevens, who are hired on as stable boys. Parkhurst trains them well as coachmen and during the California gold rush, Birch and Stevens helm a wagon train to the west. James Birch starts a stagecoach business in Sacramento and is wildly successful. Here we are introduced to a lawman named William Wallace Byrnes and see California hang its' first woman. Several future outlaws are introduced before James Birch can convince Charley Parkhurst to come to California to drive stagecoaches. Parkhurst travels to California with Birch and another coachman named Hank Monk, aboard ship, stopping in Jamaica, before taking a boat ride

through the jungles, then riding mules over the mountains to Panama and a waiting ship, with cholera still lingering on her decks. When they get to California, Birch shows them the ropes and sends them down the road. While driving a stagecoach in the Mariposa mountains, Parkhurst is attacked by a sadistic killer named Tres Dedos and left for the bears to finish. A Cherokee poet, John Rolling Ridge, who was camped nearby, rescues Charley. The Mexican gang captures the two of them, but the leader, Joaquin Murrieta decides the gang doesn't need trouble with the U. S. mail and releases them. When back to work, Parkhurst drives with William Byrnes as a shotgun, they forge a tight friendship. William Byrnes joins the California Rangers to hunt down Murrieta. In the fall of 1855, Parkhurst was again in the company of his friend Hank Monk in the foothills of the Sierras, Placerville, where they befriend a young man from Norway, named John Thompson. Remembering his childhood in the Alps, Thompson builds himself a set of skis and eventually signs on to carry the winter mail

across the Sierra Mountains to Carson City. In the spring, while Charley was on route to Redwood City, Parkhurst has trouble with a nasty horse and is kicked in the face and loses his eye. Monk cheers up his pal on a bear hunt, that nearly finishes Hank in the river. The following winter, Snowshoe Thompson saves the life of James Sisson, who was freezing to death in an abandon cabin in the Sierras. Charley Parkhurst and Hank Monk both drive the new Pioneer route from Placerville to Carson City. While on this route, Parkhurst is robbed at night by the bandit Sugarfoot. Horace Greeley then makes an appearance, and is treated to a wild ride and ridicule by Hank Monk. Promoting Monk to the rank of legend. "Adam Levin is one of our wildest writers and our funniest, and *Bubblegum* is a dazzling accomplishment of wit and inventiveness."

—George Saunders

"Levin's brains may have earned him a cult...but here he swells to a democratic reach. Give him a try sometime. His gate's wide open."

—Garth Risk Hallberg, *The*

New York Times Book Review The astonishing new novel by the NYPL Young Lions Fiction Award-winning author of *The Instructions*.

Bubblegum is set in an alternate present-day world in which the Internet does not exist, and has never existed. Rather, a wholly different species of interactive technology--a "flesh-and-bone robot" called the Curio--has dominated both the market and the cultural imagination since the late 1980s. Belt Magnet, who as a boy in greater Chicago became one of the lucky first adopters of a Curio, is now writing his memoir, and through it we follow a singular man out of sync with the harsh realities of a world he feels alien to, but must find a way to live in. At age thirty-eight, still living at home with his widowed father, Belt insulates himself from the awful and terrifying world outside by spending most of his time with books, his beloved Curio, and the voices in his head, which he isn't entirely sure are in his head. After Belt's father goes on a fishing excursion, a simple trip to the bank escalates into an epic saga that eventually forces Belt to confront the world he fears, as well as

his estranged childhood friend Jonboat, the celebrity astronaut and billionaire. In *Bubblegum*, Adam Levin has crafted a profoundly hilarious, resonant, and monumental narrative about heartbreak, longing, art, and the search for belonging in an incompatible world.

Bubblegum is a rare masterwork of provocative social (and self-) awareness and intimate emotional power.

More than half a million Swedes – one in twenty – is of Finnish descent. This book explores Finnishness, multilingualism and identities of young people with Finnish background in Sweden. What does it mean to grow up in a Finnish family in Sweden? Who are 'real Finns' and what does it take to be (come) one? Is a shared minority language essential for the survival of the minority, or can a minority culture stay viable without it? What is Finnishness and who, in the end, can define ethnicity? How to make sense of, and how to present interviews that are rich with imitations of accents, jokes and laughter? Representations of Finnishness in Sweden is an ethnographic

interview study in the domain of applied language studies. This book is aimed at readers interested in sociolinguistics, linguistic ethnography, and the study of identities. Interviewees' voices take a central position in this book and interview excerpts are used not only as illustrations, but also serve as starting points for discussing broader theoretical concepts.
