The Dragon in the Library
Hal Leonard Publishing Corporation
An irreverent and charming collection of deeply personal essays

about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column "Store-Bought Is Fine" Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to "good" taste. These fourteen essays are a nostalgia-soaked antidote to the millennial

generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into

an excavation of grief over the death of her father; in "You Wanna Be On Top," Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. He appears out of nowhere in a sleepy little neighborhood in suburban Kerala. He calls himself Shunya, the zero. Who is he? A lunatic? A dark magician? A fraud? Or an avadhuta, an enlightened soul? Saami, as they call him, settles into a small cottage in the backyard of the local toddy shop. Here he spins parables, blesses, curses, drinks endless glasses of black tea and lives in total freedom. On rare occasions, he plays soul-stirring melodies on his old, bamboo-reed flute.

Then, just as mysteriously as he arrived, Shunya vanishes, setting the path for a new avadhuta, a new era. This first novel by Sri M is a meditation on the void which collapses the wall between reality and make-believe, the limited and the infinite. With its spare storytelling and profound wisdom, it leads us into the realm of 'shunya', the nothingness of profound and lasting peace, the beginning and end of all things.

The Audition Playbook is a two-part guide and workbook designed to help musicians of all instruments and levels efficiently and effectively plan and prepare for orchestra, band, or other ensemble auditions. No matter the goal, the Audition Playbook provides the framework upon which musicians can carefully create, implement, and follow their own plans from start to finish. Many factors go into having a successful audition and every winner

will tell you about wildly different tools and secrets that set them apart from the pack. Every person--and every audition--is different. However, there are certain elements that tend to be universal among audition winners, and often, the most important factor is simply having a plan--a thoughtful, deliberate plan--and sticking with it. The Audition Playbook is not a "one-size-fits-all" template and does not set out to plan your entire audition for you. "Part One: The Guide" offers an

overview of the the many different facets of audition preparation to consider and provides tools, suggestions, and exercises to implement into your own plan. "Part Two: The Workbook" provides the canvas upon which you will build your personal audition plan. Among the many topics covered: The four phases of audition preparation Goal-setting and re-setting Taking honest assessments of your technique, knowledge of the repertoire, and other skills Planning your daily

and weekly practicing The development of performance skills Planning for the unexpected Recording your practice Mock auditions Writing your "Audition Day Script" Reflecting on your auditions Whether you're already a regular on the audition trail, a first-timer new to the world of auditions, or an already-established professional looking to up your game, the Audition Playbook is for you. ** Rachele Jenkins is an accomplished horn player

The Bloomsbury Anagram Finder is an aid to this often time-consuming and frustrating aspect of completing a crossword. It contains over 200,000 words, and phrases, including plural forms of nouns, palindromes, words of sixteen letters and over, backwards, all parts of speech, Christian names and idioms. The anagrams are grouped by the number of letters they contain, from 'if' and 'dean' to 'coffee-table book' and 'take the rough with the smooth', with the letters set out in

alphabetical order. So once the letters of a crossword anagram are arranged alphabetically, finding the solution is as easy as locating a word in a dictionary. Together with Bloomsbury's Crossword Solver and Crossword Lists, the Anagram Finder will prove invaluable to both beginners and experienced crossworders. Good luck with future crosswords!*

Looking for JJ Omair Nazir 'KUMBA AFRICA', is a compilation of African

Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-

depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New Yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they

gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people

haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs.

Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.
