A Journey Through Divination and Astronomy Independently Published

This non-fiction short-form eBook features content which is adapted from the audiobook Harry Potter: A History of Magic - inspired by the British Library exhibition of the same name. Well-known folkloric creatures like giants, dragons and merpeople, and lesser-known beings such as Acromantula and Hippogriffs, all play a key role in Harry Potter's journey. In the past, naturalists and explorers travelled the globe to encounter weird and wonderful creatures that enhanced our

knowledge of the world and pushed forward the development of science. Nevertheless, it seems part of human nature to want to believe in the unbelievable: from the bestiaries and cabinets of curiosities of the medieval period onwards. We think that truth and myth are easily distinguished today, but magical creatures and the stories around them continue to fascinate us - and they are as central to the Harry Potter stories as Harry, Hermione and Ron. This eBook short examines the colourful characters and curious incidents of the real history of magic, and how they relate to the Hogwarts lesson subjects of Care of Magical Creatures. The history of magic is as long as time and as wide as the world. In every culture, in every age, in every place and, probably, in every heart, there is magic.

*Harry, a History* Media Lab Books

The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry

grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the

wizarding world prior to the beginning of Harry Potter and the Cursed Child.
