Her Daily Journal monthly series is designed to focus on a new spiritual topic each month to draw you nearer to our creator, in every aspect of your life.

Caution: Work in Progress, the February

Journal, begins to shed light on the first four Fruit of the Spirit, Love, Joy, Peace and Patience, attributes we all aspire to! We will break down each one and hear God's truth on how we can live in accord with the Holy Spirit. We are all a work in progress and our walk with Christ should reflect our growth in these areas.

Creative writing inspiration. Artistic adventures. Calming meditations. Let your imagination run wild as you journey through this pretty and interactive journal that will kickstart your imagination and get your creative juices flowing Some Find Your Voice writing, art, meditation, and interactive prompts include: Create an abstract art image. Grab 3 different colors and just go to town Color outside the lines. Don't have a plan. Change things halfway through. Mess up. Life is messy, and the lines we choose to take often go awry Make a page of 5 positive things you like about yourself. Write 5 positive things that happened to you this week. Keep track of

and record 1 good thing that happens every day of the month. Go outside and choose one object (like a tree or blade of grass) and then write about it as much as you could. Be descriptive. Be flowery. Get creative. Create an A-Z reading list and pick a book for each letter of the alphabet. Include books you've wanted to read but haven't gotten to, books you own but haven't touched, and books you've never heard of. Expand your mind with the thoughts and experiences of others

A fantastic gift for close friends, parents, grandparents. Guided prompt journal done in an interview style with many prompt questions making it easy to delve into past memories, present thoughts, feelings and hopes for the future. They are sure to have fun writing it and when it's finally complete it will be a lovely keepsake for all to read and pass on through generations. It's a good sized book being 8" x 10" in a stylish and pretty pink roses, floral and stripe cover containing 117 pages which include: - Opening page with a from line for you to complete your name and a lovely message about the gift A title page with space for the recipient to write their name and date when

completed Every other page has a prompt at the top to help them write their story - (approx 38 prompts) Followed by 5 pages of graph style paper (for ease of sketching boxes & joining lines) and headed Family Tree In Case you need to do some research there are extra pages for your notes at the back

Becoming Me: A Work in Progress

What really sets the best managers above the rest? It's their power to build a cadre of employees who have great inner work lives—consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues. The worst managers undermine inner work life, often

unwittingly. As Teresa Amabile and Steven Kramer explain in *The Progress Principle*, seemingly mundane workday events can make or break employees' inner work lives. But it's forward momentum in meaningful work—progress—that creates the best inner work lives. Through rigorous analysis of nearly 12,000 diary entries provided by 238 employees in 7 companies, the authors explain how managers can foster progress and enhance inner work life every day. The book shows how to remove obstacles to progress, including meaningless tasks and toxic relationships. It also explains how to activate two forces that enable progress: (1) catalysts—events

that directly facilitate project work, such as clear goals and autonomy—and (2) nourishers—interpersonal events that uplift workers, including encouragement and demonstrations of respect and collegiality. Brimming with honest examples from the companies studied, *The Progress Principle* equips aspiring and seasoned leaders alike with the insights they need to maximize their people's performance. Part of a three-volume set, *A work in progress* In a return to middle-grade fiction, master of perspectives Jo Knowles depicts a younger sibling struggling to maintain his everyday life when his older sister is in crisis. Noah is just trying to make it

through seventh grade. The girls are confusing, the homework is boring, and even his friends are starting to bug him. Not to mention that his older sister, Emma, has been acting pretty strange, even though Noah thought she'd been doing better ever since the Thing They Don't Talk About. The only place he really feels at peace is in art class, with a block of clay in his hands. As it

becomes clear through Emma's ever-stricter food rules and regulations that she's not really doing better at all, the normal seventh-grade year Noah was hoping for begins to seem pretty unattainable. In an affecting and realistic novel with bright spots of humor, Jo Knowles captures the complexities of navigating middle school while feeling helpless in the face of a family crisis.
