Hund und Kind - mit Martin Rütter Trieste Publishing
It's up to a trio of adorable rescue huskies to make two lonely hearts in a coastal Alaskan town realize that true love is worth too much to turn tail and run. Glaciers have nothing on Kelsey Porter when she decides to freeze someone out. After getting burned once, she's not about to let it happen again. And right now all that icy contempt is focused on one annoyingly attractive and entitled interloper: Ian Roth. Not only is he looking to take advantage of her quaint, coastal community, tainting the small-town charm of Helen, Alaska, but he has committed the one crime she can never forgive—he doesn't like her dogs. Unlike what Kelsey believes, Ian loves Helen's charms as much as she does. That's partly why he's determined to open a brewery there, and he's not about to let anything or anyone stop his dream from coming true. But he didn't count on the beautiful, prickly woman getting under his skin. Or having to be within hand-biting proximity of her three huge huskies. When Kelsey's family conscripts her into helping Ian get his brewery off the ground, she finds herself caught between a rock and a hard . . . muscular . . . man who has a fear of dogs. But the longer they work together, the more she can feel herself begin to thaw. Now she'll have to choose: let sleeping dogs lie to protect her heart, or mush head-on toward love.

A swashbuckling story of two very different cat brothers and their adventures at sea. Anton and Cecil are as different as port and starboard. Cecil, stocky and black with white patches, thirsts for seafaring adventure. Slim, gray Anton prefers listening to the sailors' shanties at the town saloon. One day when Anton goes to the harbor, he's taken as a ratter on a ship bound for the high seas. Cecil boards another ship in hopes of finding Anton. What begins as a rescue mission turns into a pair of high-seas adventures. Anton takes on a fierce rat, outwits hungry birds, and forges a forbidden friendship, while Cecil meets dolphins and whales and finds himself in a pirate raid. On an ocean as vast as the one Anton and Cecil have discovered, will they ever see home—or each other—again? Includes a sneak peek at the next adventure in the series, Anton and Cecil: Cats on Track.
