Sometimes living under the shadow of the flashier, high-profile Triumph Twins, the equivalent BSAs were just as numerous and were exported all over the world. BSA was often seen as a less glamorous marque than Triumph or Norton, associated more with commuting and sidecars than coffee bar cowboys, but that doesn't detract from the collectibility of its models today, as the bikes have become highly usable, enjoyable classics. Unlike the many marque histories available, this book is a practical guide to buying one of these bikes. It covers the complete range, from the very first 1946 500cc A7 to the final 1973 650cc A65s. Chapters include what to look for (10min and 30min evaluations); spares prices; guides to auctions and paperwork; lists of useful contacts in the BSA community; and just

as important, consideration of whether it's the right bike for you. One hundred colour photos, useful appendices and expert advice mean this book could save you thousands.

Buying a car is an expensive business and mistakes can prove costly financially and in time, effort and stress. Wouldn't it be great if you could take an expert with you? With the aid of this book's step-by-step guidance from a marque specialist, you can! You'll discover all you need to know about the car you want to buy. By giving their fabulous E-type the incredible new V12 engine, Jaguar succeeded in grabbing the headlines once more, with an unsurpassed combination of performance and style at an unbeatable price that simply blew the opposition away. Thirty years later, the Series 3 E-type can still turn heads like no other and this book seeks to demystify these legendary cars and make them accessible to buyers who until now might have assumed such a

car was beyond their practical or financial means. Working step-by-step through the car's strengths and weaknesses you'll avoid buying a lemon and join the ranks of film stars and others who have sampled the delight of V12 E-type motoring. Nothing else comes close. This book's unique points system will help you to place the car's value in relation to condition whilst extensive photographs illustrate the problems to look out for. This is an important investment - don't buy a V12 E Type without this book's help. STOP! Don't buy a V12 E-Type without buying this book first!

The essential guide the Jaguar X-Type - the first 'baby' Jaguar ever produced. The X-Type catered for an entirely new market for Jaguar, and proved highly successful. Covering all the models from this period, this guide provides you with all the procedures necessary to ensure the car you are looking at is actually what it appears to be. Close study and careful inspection are vital with the X-Type, and this guide identifies some of the pitfalls to avoid, helps you decide on exactly how and where to buy, and shows how to get the best possible car you can for your money. This is the only title available on the X-Type models - the ultimate pocket guide to read, digest

and keep with you at all times.

BSA 500 & 650 Twins Veloce Publishing Ltd

The Series III Land Rover further developed the successive refinements of the Series I, II and IIA models, yet remained true to its original design as a utility vehicle for farmers; one that could be repaired and maintained with the minimum of specialist tools. It rapidly built up a worldwide reputation for rugged capability, which led to it being adopted by police forces and armies worldwide. The book describes the step-by-step development of the Series III, so the potential buyer becomes aware of each model's individual strengths and weaknesses. Having chosen your preferred model, you are professionally guided through important aspects of the retail market, and given clear instructions on where and how to check for problems before you buy. You will also be equipped to test drive your potential purchase with competence. Running and maintenance costs are realistically appraised, and a comprehensive checklist is provided to aid you through the evaluation process. With over 100 colour photographs integrated into the concise and informative text, this book really is the expert in your pocket.

Consumers Union, the publisher of Consumer Reports, has been an influential and defining force in American society since 1936. The organization's mission has remained essentially unchanged: to work for a fair, just, and safe marketplace for all consumers. The Consumers Union National Testing and Research Center in Yonkers, New York, is the largest nonprofit educational and consumer product testing center in the world. In addition to its testing facility in Yonkers and a state-of-the-art auto test center in Connecticut, the organization maintains advocacy offices in San Francisco, Austin, and Washington, D.C., where staff members work on national campaigns to inform and protect consumers. In addition to its flagship publication, Consumer Reports, Consumers Union also maintains several Web sites, including www.ConsumerReports.org and www.ConsumersUnion.org, and publishes two newsletters--Consumer Reports on Health and Consumer Reports Money Adviser--as well as many special publications.

A warts and all introduction to owning, driving and maintaining a Mercedes-Benz 280-560SL or SLC, and a step-by-step guide to evaluating one for purchase. This book includes 100 photos of what to look for and what to avoid, plus a realistic assessment of running and restoration costs, as well as market values. This includes servicing and spare parts prices, and the relative values of the various models, specifications and vehicle conditions you are likely to encounter. Written by the editor of the Mercedes-Benz Club Gazette, it draws on the experiences of the late Roger Edwards, a former Mercedes-Benz apprentice who spent his life working on and enjoying these cars, along with input from Roger's colleagues who continue to run his company. It also benefits from the author's 30 years of owning and restoring old cars, and his contacts in the world of Mercedes-Benz enthusiasts. Written in an easy to follow, jargon-free style, this book will equip you with all you need to know to buy a Mercedes-Benz 280-560SL or SLC.
