Stories of the New West

Michigan Folklife Reader Hal Leonard Corporation

(Educational Piano Library). Piano Practice Games presents imaginative ways to introduce pieces in Piano Lessons by coordinating technique, concepts, and creativity with the actual music in the Piano Lessons books. These preparation activities help focus learning by 'playing with' each lesson piece aurally, visually, and physically. Whether used in individual or group lessons, Piano Practice Games are all designed to make music. Many activities include accompaniments that can be added by the teacher or by using the CD or GM disk from the corresponding Piano Lessons book.

Somewhere Between Hal Leonard Corporation

Recounts the career of the rock music performer.

Pickin' on Peachtree Univ. Press of Mississippi

This monster Rock-n-Roll survey focuses on the songs and the vibrant personalities who create them, for college audiences and the general public. Dean published the world's first history of Rock in 1966. Here, in his

ebullient style, he buzzes through piles of musical singles from the whole last half century, describing what is fun about each major and minor hit, pointing out what elements were exciting or new or significant in the development of musical styles. He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music. This snappy, witty and informative album has universal appeal, doubling as a coffee-table trivia treasure and a college-level popular music history text. It includes hundreds of photos, chapter questions, and an extensive index. Reader-friendly and informationally complete, it covers soft rock, heavy metal, rhythm & blues, country rock and classic oldies, all with tender loving care, for the specialist and casual listener alike. Its mini-portraits of the artists who move so many hearts (and feet), the photos and the insightful sound bites get to the essence of each song and each musician's contribution to the music of our age. The single-song focus makes the book unique. It's a playlist for R'n'R professors and the general public, written with a collegiate vocabulary, tight organization and a respect for all. "Hearing Elvis for the first time was like busting out of jail." - Bob Dylan That being said, no one is being incited, here, to bust out of jail or to emulate the quixotic habits of rock stars. "There's nothing in here to hide from the kids, the clergy or grandma." Gold Rush can be used as a university or community college text, but most people will grab it for the sheer pleasure of reading about everyone's favorites. Great gift for Rock enthusiasts. Gold Rush is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond. Gold

Rush takes thousands of songs, spanning three centuries, and brings them back uniquely as if they came out just yesterday. Gold Rush unites the Anglo-American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures. As Leonard Maltin's Movie Guide helps you select videos at Blockbuster, so Gold Rush is a powerful playlist for your music collection, with many new and fascinating photos of favorite stars. Gold Rush explains the most important stories behind the songs you picked to be played, the songs that 'went gold,' from the 1897 Alaska/Klondike Gold Rush to the #1 songs of today and beyond.

Essential Songs for Alto Sax (Songbook) Hal Leonard Corporation (Instrumental Folio). If you've been playing viola for a little while, you are probably eager to learn some familiar songs. This book includes a wide variety of favorite songs, from pop hits and movie themes to classical melodies and folk songs, many of which originally featured viola! Songs include: All of Me * All You Need Is Love * Circle of Life * Fight Song * Happy * I Will Always Love

You * Just Give Me a Reason * Let It Go * Perfect * See You Again * This Is Me * Uptown Funk * Viva La Vida * You Raise Me Up * and more.

Music Trade Indicator Hal Leonard Publishing Corporation

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part, as well as in the vocal line.

First 50 Songs You Should Play on Mandolin Courier Corporation

But for a few twists of fate, Atlanta could have grown to be the recording center that Nashville is today. Pickin' on Peachtree traces Atlanta's emergence in the 1920s as a major force in country recording and radio broadcasting and its forty years as a hub of country music. From the Old Time Fiddlers' Conventions and barn dances through the rise of station WSB and other key radio outlets, Wayne W. Daniel thoroughly documents the consolidation of country music as big business in Atlanta. He also profiles a vast array of performers, radio personalities, and recording moguls who transformed the Peachtree city into the nerve center of early country music.
