## TYRESE WHITEHEAD

Lonely Planet Colorado Wilderness Press

The blazing story of Colorado Territory—when secret societies ruled a lawless land Kirby Grant was sent to Denver by a secret society on a mission vital to the future of the Union. He knew he had to stay alert. There were dangerous men who knew why Kirby was there and hated him for it. Then he fell in love with a fiery, red-headed spy, and as Colorado's day of judgment approached, Kirby found sudden death closing in ... A POWERFUL NOVEL PACKED WITH GUN-BLAZING ACTION ... "EXCITING ... ENGROSSING."—ALBUQUERQUE TRIBUNE Three-time Winner of the Spur Award Wayne D.

**The Best of Denver and the Rockies** Lonely Planet

here do the tunnels under the Colorado State Capitol go and why were they dug there in the first place? What is the backstory behind Tom’s Baby, the largest piece of gold ever unearthed in Colorado? Denver may be known worldwide as the Mile High City, but its elevation is just one item on a long list of anomalies. In *Secret Denver: A Guide to the Weird, Wonderful, and Obscure* you’ll find many more quirks and mysteries to explore. Learn why Lakeside is one of the most historic amusement parks in the nation. Discover cemeteries repurposed as parks, streets once paved with radium, elves hiding in museum dioramas, and a seemingly endless parade of ghosts. Local journalists David Lewis and Eric Peterson tackle these conundrums and many others in the city they call home. With their combined experience traveling the trails less taken and the questions rarely asked, *Secret Denver* is bound to illuminate the city from an unexpected perspective.

**Hidden Colorado** Independently Published

“An intimate and deeply human memoir that shows why we should all be concerned about nuclear safety, and the dangers of ignoring science in the name of national security.”—Rebecca Skloot, #1 New York Times bestselling author of *The Immortal Life of Henrietta Lacks* A shocking account of the government's attempt to conceal the effects of the toxic waste released by a secret nuclear weapons plant in Colorado and a community's vain search for justice—soon to be a feature documentary Kristen Iversen grew up in a small Colorado town close to Rocky Flats, a secret nuclear weapons plant once designated "the most contaminated site in America." *Full Body Burden* is the story of a childhood and adolescence in the shadow of the Cold War, in a landscape at once startlingly beautiful and--unknown to those who lived there--tainted with invisible yet deadly particles of plutonium. It's also a book about the destructive power of secrets--both family and government. Her father's hidden liquor bottles, the strange cancers in children in the neighborhood, the truth about what was made at Rocky Flats--best not to inquire too deeply into any of it. But as Iversen grew older, she began to ask questions and discovered some disturbing realities. Based on extensive interviews, FBI and EPA documents, and class-action testimony, this taut, beautifully written book is both captivating and unnerving.

**Best Summit Hikes Denver to Vail** The Countryman Press
