## DYER WARREN

Bathing-machines and Bloomers Franklin Watts

A TIMES BOOK OF THE YEAR 'A completely extraordinary autobiography. One that reads like the most outlandish, beguiling fiction but that is - amazingly - all true' - William Boyd, Sunday Times bestselling author 'Outrageous fun...my goodness there are knee-tremblers galore in this racy memoir' - The Times 'A wonderful journey through 20th Century history. I thoroughly enjoyed it' - Lady Anne Glenconner, author of Lady in Waiting --- For fear of growing up like his stiff-upper-lipped Uncle Dick, Roderic Fenwick Owen (1921-2011) survived Eton, Oxford and the Second World War to become a travel writer, experiencing the varied wonders of the 20th century's people and places in that guise. Frequently finding himself party to crucial historical events (including experiencing Nazi Germany in 1939 and the Pentagon during the Cold War Years), his life featured a stellar cast of characters from Eisenhower and Jackson Pollock to Christopher Lee and Sean Connery. At the heart of Roddy's writing adventures lay his search for love, even if just for the night. He fell head over heels for, and married a Polynesian princess while beachcombing in Tahiti, but when a dazzling trip to 1950s New York opened his eyes to the fact he was more attracted to men than women, he was forced to continue his quest for his soulmate under threat of danger. This was at a time when the police were prosecuting and imprisoning more gay men than ever before, including some of his friends. Lyrical, witty and at times jaw-droppingly unbelievable, Oh, What A Lovely Century is both a highly personal memoir and a marvellous obituary of an ever-changing and now lost world - that was frequently the best of times, and sometimes the worst. --- 'A joy' - The Telegraph 'Entertaining [and] particularly vivid' - Mail on Sunday 'Riotous' - Evening Standard 'Gamey, rollicking and hugely entertaining' - Spectator 'Stuffed to the gills with raucous anecdotes and mesmerising detail ... Fenwick Owen's memoirs are witty and touching but also an important record of how society has changed' - Jessica Fellowes, author of The Mitford Murders

Fredericksburg, Virginia Bloomsbury Publishing

Vice and the Victorians explores the ways the Victorian world gave meanings to the word 'vice', and the role this complex notion played in shaping society. Mike Huggins provides a richer and more nuanced understanding of a term that, despite its vital importance to the Victorians, has thus far lacked a clear definition. Each chapter explores a different facet of vice. Firstly, the book seeks to define exactly what vice meant to the Victorians, exploring how the language of vice was used as a

tool to beat down opposition and dissent. It considers the cultural geography and spatial dimensions of vice in the public and private spheres, before moving on to look at specific vices: the unholy trinity of drink, sex and gambling. Finally, it shifts from vice to virtue and the efforts of moral reformers, and reassesses the relationship between vice and respectability in Victorian life. In his lively and engaging discussion, Mike Huggins draws on a range of theory and exploits a wide variety of texts and representations from the periodical press, parliamentary reports and Acts, novels, obscene publications, paintings and posters, newspapers, sermons, pamphlets and investigative works. This will be an illuminating text for undergraduates studying Victorian Britain as well as anyone wishing to gain a more nuanced understanding of Victorian society.

**Fodor's London 2010** Perfectly Proper Press

It's the most wonderful time of the year in Penmenna... Teaching assistant Alice has sworn off men, which is fine because with Christmas coming she's super busy organising the school Nativity. This should be a blast with the help of close friend and village vicar, Dan - if she can ignore those more-than-just-a-friend feelings she's developed for him... Dan is happy to help Alice - his secret crush - but not only is his beloved Granny Annie about to be made homeless, the church choir has disintegrated and he's battling some dark demons from his past. With meddling grannies and PTA wars thrown in the mix, can Alice and Dan overcome their past hurts to move forward? Will they be spending Christmas together as friends... or something more? A festive feel-good romance perfect for fans of Tilly Tennant and Holly Martin. Praise for *The Cornish Village School - Christmas Wishes* 'A wonderful Christmas read' 5\* Reader review 'I read it in one sitting and was left with a warm festive glow. Fun, funny, thoroughly enjoyable, this book says cuddle up with a hot drink and warm fire and lose yourself for a couple of hours.' Reader review 'It's lovely, engrossing and entertaining, full of Christmas spirit and it made me crave for Christmas time. The setting is lovely as usual, the plot and the cosy atmosphere made this book heartwarming and enjoyable.' 5\* Reader review 'This was another heartwarming read from Kitty Wilson. It feels like relaxing with good friends.' Reader review 'Such a fabulous Christmassy read, this is one I would love to read beside a fire with a Christmas tree lit beside me because it is just so cosy!' Reader review 'A wonderful fourth addition to this fabulous series! The magic of Christmas shines through the pages, and I loved everything about this one. A joy to read and fully deserving of every one of the five shiny stars I'm more than happy to give it. Highly recommended!' 5\* Reader review

*Lonely Planet Devon & Cornwall* Fodor's Travel

"An elegant resource that I will be reaching for again and again." -Deanna Raybourn, New York Times bestselling author What did a Victorian lady wear for a walk in the park? How did she style her hair for an evening at the theatre? And what products might she have used to soothe a sunburn or treat an unsightly blemish? Mimi Matthews answers these questions and more as she takes readers on a decade-by-decade journey through Victorian fashion and beauty history. Women's clothing changed dramatically during the course of the Victorian era. Necklines rose, waistlines dropped, and Gothic severity gave way to flounces, frills, and an abundance of trimmings. Sleeves ballooned up

and skirts billowed out. The crinoline morphed into the bustle and steam-moulded corsets cinched women's waists ever tighter. As fashion was evolving, so too were trends in ladies' hair care and cosmetics. An era which began by prizing natural, barefaced beauty ended with women purchasing lip and cheek rouge, false hairpieces and pomades, and fashionable perfumes made with expensive spice oils and animal essences. Using research from nineteenth century beauty books, fashion magazines, and lady's journals, Mimi Matthews brings the intricacies of a Victorian lady's toilette into modern day focus. In the process, she gives readers a glimpse of the social issues that influenced women's clothing and the societal outrage that was an all too frequent response to those bold females who used fashion and beauty as a means of asserting their individuality and independence.

*Lonely Planet Devon & Cornwall* Canelo

"Published on April Fool's Day, 1876, Lewis Carroll's *The Hunting of the Snark* remains one of the most amusing and bizarre works of modern verse. Carroll, who completed this classic poem eleven years after the publication of *Alice's Adventures in Wonderland*, invites readers along on a fictitious hunt to determine who - or what - the Snark actually is." "Now, over 130 years later, Martin Gardner, the extraordinary "philosophical scrivener," returns to the Snark with a trove of new annotations and illustrations, offering readers fresh insights into Carroll's existential play of fancy and philosophy." "Henry Holiday's original drawings enhance the work, as does a new introduction by Adam Gopnik that communicates the relevance this strange and in many ways ominous poem holds for a new generation of readers."--BOOK JACKET.

*Secret Eastbourne* Fodor's Travel

The ultimate companion to teaching history in primary schools. With instant access to genuine historical sources that can be downloaded from a companion website, accompanied by exciting lesson plans, activities and photocopiable worksheets for both Key Stages 1 and 2, *The National Archives History Toolkit for Primary Schools* is the essential manual for teaching history in the primary classroom. Teaching history using original sources is crucial to developing pupils' critical thinking skills and understanding of what history is all about. Each lesson in this go-to guide is based on an original historical source from The National Archives that has never seen the light of day in standard school history textbooks. This enables a unique enquiry-based approach to teaching history that will fascinate and inspire pupils and develop their historical knowledge. The historical sources can be previewed in the book and downloaded from a companion website, allowing them to be flexible teaching tools. Covering themes across the National Curriculum, including events of national importance, the lives of significant individuals, the changing power of monarchs, aspects of social history from past to present and significant turning points, this toolkit makes it possible for all primary teachers to bring history to life throughout Key Stages 1 and 2.

*The Rise of Respectable Society* Amberley Publishing Limited

The history of science is littered with mad, bad and delightfully dotty inventions, from the bicycle that relied for its momentum on the rider waggling his head back and forth continually to the Improved Pneumatic Advertising Hat - a bowler that hurled a lit-up billboard into the air at the touch of a button - or the suitcase that turned into a small boat for the nervous ferry passenger. Here is the chance to sample, among other delights, Professor Ray's Nose Adjusting Machine, Admiral Popov's Circular Warship, The Perfect Sleeping Partner (a Japanese pillow shaped just like a man

with an arm fitted at the right angle for a comforting cuddle) and last, but by no means least, Calantariet's Improved Dung Trap for Carriage Horses Employed by Ladies of Fashion and those of a Delicate Constitution.

*Fodor's London 2011* Fodors Travel Publications

This detailed academic cultural study looks at the rise and fall of the seaside holiday in Britain. John K. Walton offers a broad interpretation of the holidays and resorts, looking at who went, where they went, what they did, and how they were entertained.

*Scarborough History Tour* Oxford University Press, USA

Inspired by a true story, when Queen Victoria is unable to go swimming without her subjects glimpsing her in a swimming suit, her husband, Prince Albert, comes up with an innovative solution so his wife can indulge in the healthy exercise.

*The Cornish Village School - Christmas Wishes* Reaktion Books

Time to take a sideways look at the bizarre and outrageous from throughout history - and it's all TRUE! Which new material got the Victorians building mad? Who was the bad guy that committed terrible crimes in London? Which dangerous job was banned for boys under 10? Find out the answers to these questions inside, along with lots of facts, quizzes, and other bonkers stuff as you take a bumpy journey into the darkest crannies of Victorian history with Mad, Bad and Just Plain Dangerous!

*English on the run* Harvard University Press

Beatrix is the biography of a woman born into wealth and privilege in Victorian England. Her upbringing and presentation at the court of King Edward VII prepared her for a life vastly different from the one she ultimately had. Challenged by financial disaster, two world wars, immigration and loss of social position, Beatrix found inner strength and ultimately held her family together as they redefined themselves and rebuilt their lives in the United States.

*The English Seaside in Victorian and Edwardian Times* Chronicle Books

Jeremy Paxman's unique portrait of the Victorian age takes readers on an exciting journey through the birth of modern Britain. Using the paintings of the era as a starting point, he tells us stories of urban life, family, faith, industry and empire that helped define the Victorian spirit and imagination. To Paxman, these paintings were the television of their day, and his exploration of Victorian art and society shows how these artists were chronicling a world changing before their eyes. This enthralling history is Paxman at his best - opinionated, informed, witty, surprising - and a glorious reminder of how the Victorians made us who we are today.

*Designing the Seaside* Greenwood Publishing Group

This collection of essays presents develops the historical dimension to tourism studies through thematic case studies. The editor's introduction argues for the importance of a closer relationship between history and tourism studies, and an international team of contributors explores the relationships between tourism, representations, environments and identities in settings ranging from the global to the local, from the Roman Empire to the twentieth century, and from Frinton to the 'Far East'.

*Histories of Tourism* Robson

Ted Kamieniak collected these fifteen superb articles to amaze and fascinate all who feel "history" is

simply a well-worn path. Each selection delivers fresh perspective and intriguing events connected to Fredericksburg and Spotsylvania County, Virginia. Fastidiously investigated and painstakingly written, this eclectic compilation presents little-visited neighborhoods of historical inquiry. Meet Fredericksburg's first cop on the beat; discover the persistence of hoodoo and conjuration in black plantation society; delve into the account of State Senator Benjamin Pitts and Fredericksburg's first drive-in movie theater--and so much more! Whether your interests lie in social history, vernacular architecture, historic technology or folkways, you will find this book an entertaining and profitable read.
