lives in Sweden with their three-year-old son. A family reunion is planned for the holiday, but a violent blizzard is threatening and there is an unsettling chill in the air. Three days before Easter, a nineteen-year-old local girl falls to her death from the balcony of a house on the main street. A perplexing entry in her diary suggests that this may not be an accident, and when an old man in a local

nursing home writes 'She was murdered' again and again on the wall of his room, there is every suggestion that something more sinister lies at the heart of her death... As the extreme weather closes in, cutting the power and access to Siglufjörður, Ari Thór must piece together the puzzle to reveal a horrible truth ... one that will leave no one unscathed.

Things We Do in the Dark Penguin LONGLISTED FOR THE NATIONAL BOOK AWARD • YALSA EXCELLENCE IN NONFICTION FINALIST • A ROBERT F. SIBERT HONOR BOOK This beautifully illustrated, oversized guide to the people and

technology of the moon landing by award-winning author/illustrator John Rocco (illustrator of the Percy Jackson series) is a must-have for space fans, classrooms, and tech geeks. Everyone knows of Neil Armstrong's famous first steps on the moon. But what did it really take to get us there? The Moon landing is one of the most ambitious, thrilling, and dangerous ventures in human

history. This exquisitely researched and illustrated book tells the stories of the 400,000 unsung heroes--the engineers, mathematicians, seamstresses, welders, and factory workers--and their innovations and life-changing technological leaps forward that allowed NASA to achieve this unparalleled accomplishment. From the shocking launch of the Russian satellite

Sputnik to the triumphant splashdown of Apollo 11, Caldecott Honor winner John Rocco answers every possible question about this world-altering mission. Each challenging step in the space race is revealed, examined, and displayed through stunning diagrams, experiments, moments of crisis, and unforgettable human stories. Explorers of all ages will want to pore over every

page in this comprehensive chronicle detailing the grandest human adventure of all time! *The Mist* Lulu.com Spanning the icy streets of Reykjavik, the Icelandic highlands and cold, isolated fjords, *The Darkness* is an atmospheric thriller from Ragnar Jonasson, one of the most exciting names in Nordic Noir. The body of a young Russian woman washes up on an Icelandic shore. After a

cursory investigation, the death is declared a suicide and the case is quietly closed. Over a year later Detective Inspector Hulda Hermannsdóttir of the Reykjavík police is forced into early retirement at 64. She dreads the loneliness, and the memories of her dark past that threaten to come back to haunt her. But before she leaves she is given two weeks to solve

a single cold case of her choice. She knows which one: the Russian woman whose hope for asylum ended on the dark, cold shore of an unfamiliar country. Soon Hulda discovers that another young woman vanished at the same time, and that no one is telling her the whole story. Even her colleagues in the police seem determined to put the brakes on her investigation. Meanwhile the

clock is ticking. Hulda will find the killer, even if it means putting her own life in danger. *The Great Weaver From Kashmir* Orenda Books Steal this book **Snowblind** Souvenir Press A classic poem with a timeless message, presented in a small and beautiful gift book. Rose Milligan never intended to publicly share her poem 'Dust If You Must', but a series of events led her to publish it in

The Lady magazine in 1998. Her charming message about what we value in life resonated with audiences, and it has since been read on BBC radio, posted on Instagram, printed on tea towels, read at funerals and put to music. Now appearing as a book for the first time, beautifully illustrated throughout by illustrator Hayley Wells, *Dust If You Must* is a timeless reminder to

focus on the things we can enjoy in the world, rather than the things we think we need to do.

-People Magazine "An intoxicating thrill ride. Hillier jams her foot on the accelerator and never lets up." --New York Times Book Review
Things We Do in the Dark is a brilliant new thriller from Jennifer Hillier, the award-winning author of the breakout novels Little Secrets and Jar of Hearts. Paris Peralta is suspected of killing her celebrity husband, and

her long-hidden past now threatens to destroy her future. When Paris Peralta is arrested in her own bathroom—covered in blood, holding a straight razor, her celebrity husband dead in the bathtub behind her—she knows she'll be charged with murder. But as bad as this looks, it's not what worries her the most. With the unwanted media attention now surrounding her, it's only a matter of time

before someone from her long-hidden past recognizes her and destroys the new life she's worked so hard to build, along with any chance of a future. Twenty-five years earlier, Ruby Reyes, known as the Ice Queen, was convicted of a similar murder in a trial that riveted Canada in the early nineties. Reyes knows who Paris really is, and when she's unexpectedly released from prison, she

threatens to expose all of Paris's secrets. Left with no other choice, Paris must finally confront the dark past she escaped, once and for all. Because the only thing worse than a murder charge are two murder charges. *The One Memory of Flora Banks* Minotaur Books End-of-life care—or assisted death When her elderly patients start dying at home days after minor surgery,

anesthesiologist Dr. Kate Downey wants to know why. The surgeon, not so much. "Old people die, that's what they do," is his response. When Kate presses, surgeon Charles Ricken places the blame squarely on her shoulders. Kate is currently on probation, and the chief of staff sides with the surgeon, leaving Kate to prove her innocence and save her own career. With her husband in a prolonged coma, it's all she has left. Aided by her eccentric Great Aunt Irm, a precocious medical student, and the lawyer son of a victim, Kate launches her own unorthodox investigation of these unexpected deaths. As she comes closer to exposing the culprit's identity, she faces professional intimidation, threats to her life, a home invasion, and, tragically, the suspicious death of someone close to her. The stakes escalate to the breaking point when Kate, under violent duress, is forced to choose which of her loved ones to save—and which must be sacrificed. Seventeen-year-old Flora Banks has no short-term memory. Her mind resets itself several times a day, and has since the age of ten, when the tumor that was removed from Flora's brain took with it her ability to make new memories. That is, until she kisses Drake, her

best friend's boyfriend, the night before he leaves town. Miraculously, this one memory breaks through Flora's fractured mind, and sticks. Flora is convinced that Drake is responsible for restoring her memory and making her whole again. So, when an encouraging email from Drake suggests she meet him on the other side of the world—in Svalbard, Norway—Flora

knows with certainty that this is the first step toward reclaiming her life. But will following Drake be the key to unlocking Flora's memory? Or will the journey reveal that nothing is quite as it seems? Already a bestselling debut in the UK, this unforgettable novel is Memento meets We Were Liars and will have you racing through the pages to unravel the truth. Praise

A SMALL HOTEL A new novel from Suanne Laqueur,

author of The Fish Tales An American Family. A World War. A First Love. A Small Hotel. It's the summer of 1941. Europe is at war, but New York's Thousand Islands are at the height of the tourist season. Kennet Fiskare, son of a hotel proprietor, is having the summer of a lifetime, having fallen deeply in love with a Swedish-Brazilian guest named Astrid Virtanen. But the affair is cut short and the young lovers permanently parted, first by Astrid's family obligations, then by America's entry into the war. The rigors of military life help dull his heartache, but when Kennet's battalion reaches France, he is thrown into the crucible of front line combat. As his unit crosses Europe, from the Battle of the Bulge in Belgium to Mauthausen concentration camp in Austria, Kennet falls into a different kind of love: the intense camaraderie between soldiers. It's a bond fierce yet fragile, vital yet expendable, here today and gone tomorrow. Sustained by his friendships, Kennet both witnesses and commits the unthinkable atrocities of warfare, altering his view of the world and himself. To the point where a second chance with Astrid in

peacetime might be the most terrifying and consequential battle he's ever fought. With her signature blend of soul-stirring prose and emotional complexity, Laqueur takes readers on a journey through events that shape an American family's weakest moments and finest hours. A Small Hotel illuminates the experience of ordinary people thrown into extraordinary

circumstances, and their once-in-a-generation camaraderie, courage and resiliency. It's a novel for the world, a heartbreaking, uplifting story of family, love and human endurance.

How We Got to the Moon

Fordham University Press
The Great Weaver from Kashmir is Nobel Prize winner Halldór Laxness' first major novel, the book that propelled Icelandic literature into the modern world. Shortly

after World War One, Steinn Elliði, a young philosopher-poet dandy, leaves the physical and cultural confines of Iceland's shores for mainland Europe, seeking to become "the most perfect man on earth." His journey leads us through a huge range of moral, philosophical, religious, political, and social realms, from hedonism to socialism to aestheticism to Benedictine

monasticism, exploring, as Laxness puts it, "the far-ranging variety in the life of a soul, with the swings on a pendulum oscillating between angel and devil." Upon his return to Iceland, Steinn finds himself more conflicted than before, torn between love of the beauty and traditions of his homeland, longing and regret for his great adolescent love, Diljá, and his newfound

monastic ideal, forcing him to make choices with fateful consequences . The Great Weaver from Kashmir is as much a domestic parlor drama as it is a novel of ideas; it can be seen as the downward spiral of an antihero or an exploration of idealism and loss; it is at once an inward-looking and daring early novel and a modern epic spun by a superior craftsman. Published when Laxness was only

twenty-five years old, The Great Weaver from Kashmir's radical experimentation created a stir in Iceland. Appearing in English now for the first time, The Great Weaver is much more than a first major work by a literary master—it is a remarkable modernist classic written literally on the cultural and geographical fringes of modern Europe. **Nightblind** Vintage Books A huge bestseller in

England, France, and Australia, the fourth book in the Ari Thor thriller series from a spectacular new crime writer. Hailed for combining the darkness of Nordic Noir with classic mystery writing, author Ragnar Jonasson's books are haunting, atmospheric, and complex. Rupture, the latest Ari Thór thriller, delivers another dark mystery that is chillingly stunning with its complexity and fluidity.

Young policeman Ari Thór tries to solve a 50-year-old murder when new evidence surfaces. But the case proves difficult in a town where no one wants to know the truth, where secrets are a way of life. He's assisted by Ísrún, a news reporter in Reykjavik who is investigating an increasingly chilling case of her own. Things take a sinister turn when a child goes missing in broad

daylight. With a stalker on the loose, and the town in quarantine, the past might just come back to haunt them.
