The Faithful Friend Fodor's Travel

"Chamoiseau is a writer who has the sophistication of the modern novelist, and it is from that position (as an heir of Joyce and Kafka) that he holds out his hand to the oral prehistory of literature." --Milan Kundera Of black Martinican provenance, Patrick Chamoiseau gives us *Texaco* (winner of the Prix Goncourt, France's most prestigious literary prize), an international literary achievement, tracing one hundred and fifty years of post-slavery Caribbean history: a novel that is as much about self-affirmation engendered by memory as it is about a quest for the adequacy of its own form. In a narrative composed of short sequences, each recounting episodes or developments of moment, and interspersed with extracts from fictive notebooks and from statements by an urban planner, Marie-Sophie Laborieux, the saucy, aging daughter of a slave affranchised by his master, tells the story of the tormented foundation of her people's identity. The shantytown established by Marie-Sophie is menaced from without by hostile landowners and from within by the volatility of its own provisional state. Hers is a brilliant polyphonic rendering of individual stories informed by rhythmic orality and subversive humor that shape a collective experience. A joyous affirmation of literature that brings to mind Boccaccio, La Fontaine, Lewis Carroll, Montaigne, Rabelais, and Joyce, *Texaco* is a work of rare

power and ambition, a masterpiece.

A dog variation on the English folk song "The Twelve Days of Christmas."

Lonely Planet Caribbean Islands Lit Verlag

PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend- ent on nothing but enough wind to curl the water, -and on a large loch it is very

seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream-fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

Martinique Le Petit Futé

The ideal travel companion, full of insider advice on what to see and do, plus detailed itineraries and comprehensive maps for exploring these dazzlingly diverse islands. Take in the views as you ascend into Jamaica's Blue Mountains, stroll the cobbled colonial plazas of Habana Vieja, marvel at the majesty of St. Lucia's volcanic spires or watch Atlantic rollers crash ashore at Bathsheba, on the east coast of Barbados: everything you need to know is clearly laid out within colour-coded chapters. Dominica Garesche Press

Written by Caribbean-based writer and photographer Paul Crask, this new, thoroughly updated third edition of Bradt's Grenada, Carriacou and Petite Martinique is the only standalone guide available to this alluring Caribbean destination. With insider knowledge of the islands, from luxurious villas and resorts to pastoral villages and mountain trails, Bradt's Grenada, Carriacou and Petite Martinique is rich in detail, local colour and practical information, and offers detailed accommodation, dining and activities listings as well as the author's own take on how to maximise your stay. Whether you are into sailing, scuba diving wrecks and reefs, kayaking through mangrove forests, hiking mountain trails, 'jumping-up' at carnival, or sampling vintage rums at historic distilleries and luxurious beachside resorts, Bradt's Grenada, Carriacou and Petite Martinique is ideal for travellers of all kinds. This new edition covers the many developments on the islands in the past few years. Investment in accommodation on Grenada continues and the diversity of options is impressive: from the new Sandals resort to the Rumboat Retreat, a lodge that welcomes independent travellers as well as rum enthusiasts. More airlines now fly directly to Grenada's Maurice Bishop International Airport and the annual sailing regattas continue to attract a large international

gathering. With easy access to and from North America and Europe, and with plenty of great accommodation and dining options, scenic Grenada offers a perfect blend of traditional island life with modern Caribbean living. Grenada is a tri-island nation famed for its nutmeg and cocoa, sailing regattas, jaw-dropping beaches and strong cultural traditions. The main island, Grenada, has a tall spine of forested mountain ridges surrounded by rivers, waterfalls and farmlands, and the scenic coastline is replete with secluded bays and anchorages. To the north, at the southern tip of the Grenadines island chain, Carriacou and Petite Martinique are tranquil and beautiful. Noted for traditions of Big Drum Dance and boat building, both islands enjoy deserted beaches and coral reefs and offer a warm and friendly welcome.

Introduction to Martinique Fodor's Travel

Would you like a slice of paradise with gorgeous sandy beaches and cristal waters? So... Welcome to Martinique, the paradise island in the Caribbean Sea with a French touch! What readers say about this eGuide Martinique: In Depth View of the Natural Sights of Martinique - K. Rust Reviewed in the United States on January 31, 2023 "Once you understand its purpose and perspective, this little book is an excellent planning tool for a visit to Martinique. This book does not cover accommodation, restaurants, or logistics in any detail (with the exception of a few specific tips). It covers in depth the many locations that one may visit to appreciate the beauty and nature of Martinique. There are detailed descriptions of many beaches and hikes. It provides an 'insider's view' - the authors lived on Martinique for three years. So there is much information here that you will not find in other guide books. And, having purchased the book, one can obtain a phone app that gives access to the contents. One has to adjust a little to the fact that the Authors' first language is evidently not English. But unless you are an ESOL teacher attempting to grade the grammar this is not a problem - the intent is always clear." Best travel guide to Martinique in English - David Reviewed in the United States on August 5, 2019 "Since not everyone in my family can read French I was looking for a good travel guide in English. Fortunately, this one exists and is a lot of fun. I appreciated the personal style of the guide, and while I will probably try to supplement with one of the French-language guides, this one cuts to the chase and gives really good ideas

from the perspective of a like-minded traveler. In fact, I may end up carrying just this guide when I go. The occasional odd translations (I think the authors' first language is not English) only added to my appreciation for the book. I did have to figure out what a few phrases meant." What are you going to get from this book? 300 photos 37 touristic sections 30 pre-downloaded maps 3 mini atlases: trees, flowers and wildlife special tight budget tested and validated trip a gastronomy section for you to cook some Caribbean recipes back home A FREE UDEMY COURSE to learn our proven tips & tricks to Travel without ruining yourself Best wishes, Cristina & Olivier Rebiere

Frommer's Caribbean 2011 iUniverse

Martinique is an island located in the Caribbean Sea, specifically amongst the Lesser Antilles. It is a French territory, making it a unique blend of Caribbean and European cultures. The island has a rich history, having been inhabited by the Carib people before it was discovered by Christopher Columbus in 1493. It was later colonized by the French, who brought with them African slaves and indentured laborers from India. This cultural mix has resulted in a vibrant Creole culture, with a French-Caribbean cuisine that is renowned around the world. Martinique is known for its beautiful beaches and warm and friendly people. Visitors can explore the island's history through its many cultural landmarks, such as the Fort-de-France Cathedral and the home of the famous poet Aimé Césaire. In addition to its rich cultural history, the island is also a popular destination for water sports and outdoor activities, with ample opportunities for hiking, diving, and sailing. Whether you are looking for relaxation or adventure, Martinique is a unique and beautiful destination that is sure to provide an unforgettable experience.

DK Eyewitness Travel Guide Caribbean Bradt Travel Guides TRAVEL & HOLIDAY GUIDES. The volcanic island of Grenada and the smaller Grenadines, Carriacou and Petite Martinique, sit at the southern tip of the Windward Islands chain in the eastern

Caribbean. In 2004, they were decimated by Hurricane Ivan. The nutmeg trees on which the economy was once reliant were destroyed, and buildings and infrastructure collapsed. But now the islands have been rebuilt, renovated and improved. They are once more open for business, and enjoying a newfound prosperity as visitor numbers increase year on year. This guide takes hikers on treks through the rainforest, and divers to The Bianca C, the largest shipwreck in the Caribbean. It shows cultural visitors the nation's diverse heritage and rich musical traditions and leads those in need of a little lie-down to unspoilt beaches and secluded coves.

[Insight Guides Pocket Caribbean Ports of Call \(Travel Guide eBook\)](#) Insight Pocket Guides

A masterwork of travel literature and of history: voyaging from Cuba to Jamaica, Puerto Rico to Trinidad, Haiti to Barbados, and islands in between, Joshua Jelly-Schapiro offers a kaleidoscopic portrait of each society, its culture and politics, connecting this region's common heritage to its fierce grip on the world's imagination. From the moment Columbus gazed out from the Santa María's deck in 1492 at what he mistook for an island off Asia, the Caribbean has been subjected to the misunderstandings and fantasies of outsiders. Running roughshod over the place, they have viewed these islands and their inhabitants as exotic allure to be consumed or conquered. The Caribbean stood at the center of the transatlantic slave trade for more than three hundred years, with societies shaped by mass migrations and forced labor. But its people, scattered across a vast archipelago and separated by the languages of their colonizers, have nonetheless together helped make the modern world—its politics,

religion, economics, music, and culture. Jelly-Schapiro gives a sweeping account of how these islands' inhabitants have searched and fought for better lives. With wit and erudition, he chronicles this "place where globalization began," and introduces us to its forty million people who continue to decisively shape our world.

Grenada, Carriacou and Petite Martinique Le Petit Futé Caribbean Elegance is an illustrated survey of the lifestyles, dwellings and varied furniture styles and decor of the island groups that make up the Caribbean region. It also includes a brief history of the islands and their economies.

Fodor's Martinique, Dominica & Guadeloupe Voyage Experience Raymond LaCasse has just completed his studies in Paris and is on his way home to the French Caribbean island of Martinique. Little does he know that sharing a taxi with a beautiful stranger will change his life in ways he can't even imagine. Long after she's collected her belongings and left the taxi they'd shared to the airport, he can't get her out of his mind. He continues to wonder, who was that gorgeous woman? He wishes he could have spent a longer time in her company. He gets his wish, but

not in the way he's imagined. Gabrielle Descotte, a model by profession, loves her brother dearly and would do anything for him, even agreeing to assist him in a daring, but illegal, feat. When she meets his intended target, Raymond LaCasse, she swiftly has a change of heart. She now has to choose, her brother or the man who occupies her thoughts every waking moment to the exclusion of all else. Divided by loyalties and bound by a desire that drives them into each other's arms, Raymond and Gabrielle find themselves in a convoluted web of deceit and danger that almost destroys their new-found love and tears them apart....

Insight Guides Caribbean: The Lesser Antilles (Travel Guide eBook) Penguin

This book focuses on the highly touristed, but surprisingly under-researched Lesser Antilles region. After offering a brief overview of the region's geologic and tectonic history, as well as its basic climatology, subsequent chapters then discuss each island's (or island set's) geomorphology and geology, and how the settlement history, tourism, and hazards have affected their individual landscapes. Written by regional experts and replete with up-to-date information, stunning color imagery, and beautiful cartography (maps), it is the only comprehensive, scientific evaluation of the Lesser Antilles, and serves as the region's definitive reference resource. Accessible to non-experts and amateur explorers, the book includes in-depth discussions and reference sections for each island/island set. Usable as both a textbook and guidebook, it offers readers a straightforward yet detailed assessment of an interesting and intriguing - but often-overlooked and under-appreciated - locale.

Martinique Harry N Abrams Incorporated
