Bts the Review Michael O'Mara

"So funny, smart, sophisticated, and captivating, you just want to spend your whole life with it."--Kevin Kwan, author of Crazy Rich Asians In this modern reimagining of Jane Austen's Emma, Delhi's polite society is often anything but polite. Beautiful, clever, and more than a little bored, Ania Khurana has Delhi wrapped around her finger. Having successfully found love for her spinster aunt, she sets her sights on Dimple: her newest, sweetest, and most helpless friend. But when her aunt's handsome nephew arrives from America, the social tides in Delhi begin to shift. Surrounded by old money and new; relentless currents of gossip; and an unforgettable cast of socialites, journalists, gurus, and heirs, Ania discovers that her good intentions are no match for the whims and intrigues of Delhi's high society--or for her own complicated feelings toward her cherished childhood friend, Dev. Pairing razor-sharp observation and social comedy with moments of true tenderness, this delicious whirl through the mansions of India's dazzling elite celebrates that there's no one route to perfect happiness.

One in a series of unofficial graphic novels for Minecraft The sequel to Megan Miller's Quest for the Golden Apple Follows Phoenix and her new friends as they fight to save Xenos from zombie monks Phoenix, Wolfie, and their friends are back in this exciting second part of the Unofficial Graphic Novel for Minecrafters series! Past the walls of their monastery, the monks of Xenos grow enchanted golden apples for their neighbor villagers. As readers learn in Quest for the Golden Apple, these golden apples have magical healing abilities and have the power to keep the villagers save. The monks also have and protect the knowledge that connects Xenos to her sister worlds. This knowledge keeps Xenos and her citizens safe. But when the monks are zombified, Xenos's citizens need a new hero. Following the design of zombie comics and Minecraft comics, follow Phoenix and her friends as they fight to save the citizens and monks of Xenos. But Phoenix and her crew of heroes have no idea and do not suspect the culprit behind this disaster—an incredibly powerful foe who will do anything to keep Phoenix from saving her world. The following three books in this series—Chasing Herobrine, The Ender Eye Prophecy, and Battle for the Dragon's Temple—continue the adventures of Phoenix and are written by Cara J. Stevens. This book is sure to delight fans of both authors, graphic novels, and Minecraft. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. In particular, this adventure series is created especially for readers who love the fight of good vs. evil, magical academies like Hogwarts in the Harry Potter saga, and games like Minecraft, Terraria, and Pokemon GO. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Idols of K-Pop Triumph Books

Beyond summarizing the three volumes on Persona, Shadow and Ego in the Map of the Soul series, this latest book explores the entire BTS album, start to finish, revealing profound insights into the collective psyche of BTS. The title of BTS's latest album, Map of the Soul: 7, captivates the mind with its suggestive and alluring imagery. It came as a surprise to many fans. Expected was an album that would follow upon Map of the Soul: Persona with songs about Shadow or Ego. While the new album does indeed include songs with these themes, it is much more complex and broader in vision than expected. The number 7 suggests mystery. It catches the mind's attention with its symbolic significance. What does this number mean in relation to the idea of a "map of the soul?" This book dives into this mystery and explores the unconscious reaches of our mind. Fans of BTS from around the world will marvel at the depth of meaning in the songs contained in Map of the Soul: 7. They take the listener into deep reflection upon the meaning of striving and ambition, the dangers of worldly success, and the amazing resiliency of the human spirit to recover and go on despite the pitfalls on life's journey. The songs themselves function as a map for souls who are setting out in life and engaging in challenging relationships. The songs are reflective, mirroring what we find within ourselves in our struggles to become and to thrive. When you stand on the threshold of a new land, it is useful to have a map as your guide. The great psychologist of the 20th Century, Carl Jung, created a Map of the Soul that many people in his time found more than a little helpful, even lifesaving. It is even more so now, for people in the 21st Century, caught in the profound complexities of modern life. Armed with this map, people are better able to find their way successfully through life's journey. Today, BTS is putting this map into the hands of their fans. For this great service we are profoundly very grateful.

A comprehensive guide to the K-pop girl group who are taking the music world by storm. The sassiest, most stylish girls around - BLACKPINK! 'Blackpink in Your Area!' The K-pop girl group are taking their catchphrase literally; they have just finished a sell-out stadium world tour. Jisoo, Jennie, Rosé and Lisa, all beautiful and supremely talented women in their early 20s, are the hottest thing in pop right now - and they only have a dozen songs! If Blackpink were ever a secret, the secret was out by April 2019, when they headlined Coachella, and their fandom - known as Blinks - suddenly included Ariana Grande and Harry Styles. They are the first female K-pop group to have had four #1 singles on Billboard's World Digital chart, and their single 'Ddu-Du Ddu-Du' became the most viewed music video by a K-pop group on YouTube - take that, BTS! This book is the perfect unofficial guide to Blackpink. It relates their days as trainees, their debut, their hits and success in the US, examines the personalities of each of the members and details their choreography, fashion and style triumphs and reveals why they are 'the only gang to run the game in high heels'.
