Digital Literature and Critical Theory ABC-CLIO

Communication Technology Update and Fundamentals, now in its 17th edition, has set the standard as the single best resource for students and professionals looking to brush up on how communication technologies have developed, grown, and converged, as well as what's in store for the future. The book covers the fundamentals of communication technology in five chapters that explain the communication

technology ecosystem, its history, theories, structure, and regulations. Each chapter is written by experts who each provide a snapshot of an individual field. The book also dives into the latest developments in electronic mass media, computers, consumer electronics, networking, and telephony. Together, these updates provide a broad overview of these industries and examine the role communication technologies play in our everyday lives. In addition to substantial updates to each chapter, the 17th edition includes the first-ever chapter on Artificial Intelligence; updated user data in every chapter; an overview of industry structure, including recent and proposed mergers and acquisitions; and sidebars exploring

sustainability and relevance of each technology to Gen Z. Communication Technology Update and Fundamentals continues to be the industry-leading resource for both students and professionals seeking to understand how communication technologies have developed and where they are headed. *Loving Fanfiction Insights*  
This textbook explores the fundamental principles of marketing applied to tourism and hospitality businesses, placing special emphasis on SMEs in the international tourism industry. It includes examples from a wide range of destinations, from emerging markets to high-income countries. Taking a comprehensive approach, the book covers the whole

spectrum of tourism and hospitality marketing including destination marketing, marketing research, consumer behaviour, and digital and social media marketing. Practical in focus, it gives students the tools, techniques, and underlying theory required to design and implement successful tourism marketing plans. Chapters contain in-depth case studies, including companies like Marine Dynamics Shark Tours (South Africa), Reality Tours & Travel (Mumbai, India), and Makeover Tours (Turkey). Thematic case studies include 'Halal Tourism in Southeast Asia', and 'Marketing and Branding Rwanda'. These illustrate key concepts and theory, with definitions, key summaries, and discussion questions providing further insights. This textbook is ideal for undergraduate and postgraduate students looking for a comprehensive text with a practical orientation.

*Values That Shape Us (HB)* Rowman & Littlefield

By March 2020, the spread of COVID-19 had reached pandemic proportions, forcing widespread shutdowns across industries, including Hollywood. Studios, networks, production companies, and the

thousands of workers who make film and television possible were forced to adjust their time-honored business and labor practices. In this book, Kate Fortmueller asks what happened when the coronavirus closed Hollywood. *Hollywood Shutdown* examines how the COVID-19 pandemic affected film and television production, influenced trends in distribution, reshaped theatrical exhibition, and altered labor practices. From January movie theater closures in China to the bumpy September release of *Mulan* on the Disney+ streaming platform, Fortmueller probes various choices made by studios, networks, unions and guilds, distributors, and exhibitors during the evolving crisis. In seeking to explain what happened in the first nine months of 2020, this book also considers how the pandemic will transform Hollywood practices in the twenty-first century.

*Handbook of Research on Opinion Mining and Text Analytics on Literary Works and Social Media* Springer Nature

Great leaders are driven to win. Yet career wins can come at great cost to your health, relationships, and personal well-being. Why does it seem impossible to

both win at work and succeed at life? Michael Hyatt and Megan Hyatt Miller know we can do better because he's seen it in his more than four decades as a successful executive and a loving and present husband and father. Today Michael and his daughter, Megan Hyatt Miller, coach leaders to live the double win. Backed by scholarly research from organizational science and psychology, and illustrated with eye-opening case studies from across the business spectrum and their own coaching clients, *Win at Work and Succeed at Life* is their manifesto on how you can achieve work-life balance and restore your sanity. With clarity, humor, and plenty of motivation, *Win at Work and Succeed at Life* gives you - an understanding of the historical and cultural forces that have led to overworking - 5 principles to rethink work and productivity from the ground up - simple but proven practices that enable you to slow down and reclaim your life - and more Refuse the false choice of career versus family. You can achieve the double win in life.

***Fantasy and Myth in the Anthropocene*** McFarland

This book offers a comprehensive, multidisciplinary introduction to theme parks and the field of theme park studies. It identifies and discusses relevant economic, social, and cultural as well as medial, historical, and geographical aspects of theme parks worldwide, from the big international theme park chains to smaller, regional, family-operated parks. The book also describes the theories and methods that have been used to study theme parks in various academic disciplines and reviews the major contexts in which theme parks have been studied. By providing the necessary backgrounds, theories, and methods to analyze and understand theme parks both as a business field and as a socio-cultural phenomenon, this book will be a great resource to students, academics from all disciplines interested in theme parks, and professionals and policy-makers in the leisure and entertainment as well as the urban planning sector.

**Communication Technology Update and Fundamentals** Springer Nature

At the end of the Cold War, which was ushered in by the disintegration of the Soviet Union, the West celebrated the

“end of history”—“the endpoint of mankind’s ideological evolution”—only to find itself caught in internal conflicts of political populism. This book focuses on so-called “right wing” populist movements and parties in democratic polities—those in Russia, Central and Western Europe, and the United States. Central to the definition and dynamics of populism are its anti-globalism and anti-elitism, the latter a reaction against the elites’ arrogance and dismissive contempt.

*Handbook of Research on Remote Work and Worker Well-Being in the Post-COVID-19 Era* Walter de Gruyter GmbH & Co KG

Pop Goes the Decade: The 2000s comprehensively examines popular culture in the 2000s, placing the culture of the decade in historical context and showing how it not only reflected but also influenced its times. Pop Goes the Decade: The 2000s starts with a timeline of major historical pop culture events of the 2000s, followed by an introduction describing what the U.S. was like at the beginning of the new millennium and how it would change throughout the decade. Next come chapters broken down by medium:

television, sports, music, movies, literature, technology, media, and fashion and art. A chapter on controversies in popular culture is followed by a chapter on game-changers, featuring 20 individuals who made a major impact on the U.S. in the 2000s. Finally, a conclusion shows the impact that pop culture in the 2000s has had on the U.S. in the years since. This volume serves as a comprehensive resource for high school and college students studying popular culture in the 2000s. It provides a summary of total impact, plus specific insights into each individual topic. It also includes a wide swath of the scholarship produced on the subject to date. Covers the people, events, and ideas whose impact is still felt in the years since the 2000s, rather than simply telling the history of a decade Offers a detailed understanding of the variety of strands composing the culture of the decade Covers the personalities who helped to shape the decade Suggests areas of further exploration for students of popular culture

**Key Concepts in Theme Park Studies** Routledge

The first study to look at the intersection

of the discourse of the Anthropocene within the two highly influential storytelling modes of fantasy and myth, this book shows the need for stories that articulate visions of a biocentric, ecological civilization. Fantasy and myth have long been humanity's most advanced technologies for collective dreaming. Today they are helping us adopt a biocentric lens, re-kin us with other forms of life, and assist us in the transition to an ecological civilization. Deliberately moving away from dystopian narratives toward anticipatory imaginations of sustainable futures, this volume blends chapters by top scholars in the fields of fantasy, myth, and Young Adult literature with personal reflections by award-winning authors and illustrators of books for young audiences, including Shaun Tan, Jane Yolen, Katherine Applegate and Joseph Bruchac. Chapters cover the works of major fantasy authors such as J. R. R. Tolkien, Terry Pratchett, J. K. Rowling, China Miéville, Barbara Henderson, Jeanette Winterson, John Crowley, Richard Powers, George R. R. Martin and Kim Stanley Robinson. They range through narratives set in the UK, USA, Nigeria, Ghana, Pacific Islands, New

Zealand and Australia. Across the chapters, fantasy and myth are framed as spaces where visions of sustainable futures can be designed with most detail and nuance. Rather than merely criticizing the ecocidal status quo, the book asks how mythic narratives and fantastic stories can mobilize resistance around ideas necessary for the emergence of an ecological civilization.

[Sweet Home Alaska](#) Springer Nature  
The rise of identity politics in the past decade has been impossible to miss. Issues such as race, sexuality and gender identity have enveloped the left in the UK and the USA. Politicians, big business and celebrities have all got behind these causes. While this might appear progressive, there are many negative consequences of identity politics. Perfect for the general reader, as well as those who wish to study this topic in-depth, this book offers an analysis of the impact of identity politics from a socialist perspective. It will examine how identity politics has damaged the left by analysing examples of identity politics in action from both sides of the Atlantic. And it tells us why it's time for the left to return to its

class-based roots.

**Bookshelves in the Age of the COVID-19 Pandemic** Bloomsbury Publishing

"If Laura Ingalls Wilder had lived in Alaska, she might have written this novel . . ."--Kirkus Reviews It's 1934, and times are tough for Trip's family after the mill in their small Wisconsin town closes, leaving her father unemployed. Determined to provide for his family, he moves them all to Alaska to become pioneers as part of President Roosevelt's Palmer Colony project. Trip and her family are settling in, except her mom, who balks at the lack of civilization. But Trip feels like she's following in Laura Ingalls Wilder's footsteps, and she hatches a plan to raise enough money for a piano to convince her musical mother that Alaska is a wonderful and cultured home. Her sights set on the cash prize at the upcoming Palmer Colony Fair, but can Trip grow the largest pumpkin possible--using all the love, energy, and Farmer Boy expertise she can muster?

[Beetlejuice 2019-2020 Weekly Planner](#) Penguin

Providing close readings of well-known

British realist writers including Pat Barker, A. S. Byatt, Rose Tremain, Sarah Hall, Bernadine Evaristo and Zadie Smith, this book uses new directions in material and posthuman feminism to examine how contemporary women writers explore the challenges we collectively face today. Walezak redresses negative assumptions about realism's alleged conservatism and demonstrates the vitality and relevance of the realist genre in experimenting with the connections between individual and collective voices, human and non-human meditations, local and global scales, and author and reader. Considering how contemporary realist writing is attuned to pressing issues including globalization, climate change, and interconnectivity, this book provides innovative new ways of reading realism, examines how these writers are looking to reinvent the genre, and shows how realism helps reimagine our place in the world.

Values That Shape Us: Inspirational Stories and Quotes (HB) By: Manjulika Koshal  
Values That Shape Us: Inspirational Stories and Quotes is a collection of personal

stories and anecdotes that have shaped the lives of the author, her family, colleagues, and friends.

**Hogwarts 2019 Daily Planner** Taylor & Francis

This book provides readers with a clear and unbiased understanding of what it means to be LGBTQ in the United States in the 2020s. Beginning with the origins of LGBTQ identity and history, the book addresses the current status of the LGBTQ community; gender expectations and performance in American culture; transgender and non-binary identity; behaviors and outcomes associated with LGBTQ people; and, finally, diversity within the LGBTQ community. Utilizing authoritative sources and lay-friendly definitions and explanations, this work punctures myths, misconceptions, and incorrect assumptions about sexual orientation, gender identity, and gender expectations and norms. In addition, it provides an illuminating record of the history of discrimination and mistreatment to which LGBTQ people have historically been subjected in the U.S. At a time when information itself is increasingly fraught in American political discourse, this book

provides facts and context for the most important questions facing LGBTQ Americans, past, present, and future.

**Transmedia Character Studies** Thunder Bay Press

Build your own Wizarding World with these paper models! Also included are a special keepsake book with background information on the story and 22 trading cards packed with fascinating facts. Harry Potter Paper Models contains all the materials and instructions needed to make 22 paper models of landmarks, buildings, and other places that appear in the Harry Potter Wizarding World. Create detailed replicas of Hogwarts castle, Gringotts Wizarding Bank, and Hagrid's hut, along with other locations from all eight Harry Potter films. Then learn more about the franchise with the included special keepsake book full of background information on the story and the 22 trading cards packed with fascinating facts. Harry Potter fans of all ages will get a kick out of bringing their favorite magical sites to life with paper!

Women Negotiating Feminism and Science Fiction Fandom Baker Books

When Harry Potter first boards the

Hogwarts Express, he journeys to a world which Rowling says has alchemy as its "internal logic." The Philosopher's Stone, known for its power to transform base metals into gold and to give immortality to its maker, is the subject of the conflict between Harry and Voldemort in the first book of the series. But alchemy is not about money or eternal life, it is much more about the transformations of desire, of power and of people--through love. Harry's equally remarkable and ordinary power to love leads to his desire to find but not use the Philosopher's Stone at the start of the series and his wish to end the destructive power of the Elder Wand at the end. This collection of essays on alchemical symbolism and transformations in Rowling's series demonstrates how Harry's work with magical objects, people, and creatures transfigure desire, power, and identity. As Harry's leaden existence on Privet Drive is transformed in the company of his friends and teachers, the Harry Potter novels have transformed millions of readers, inspiring us to find the gold in our ordinary lives.

Win at Work and Succeed at Life  
Bloomsbury Publishing

As an overworked employee of the Ministry of Magic, a husband, and a father, Harry Potter struggles with a past that refuses to stay where it belongs while his youngest son, Albus, finds the weight of the family legacy difficult to bear.

*The Alchemical Harry Potter Insights*  
Contributions by Christina M. Chica, Kathryn Coto, Sarah Park Dahlen, Preethi Gorecki, Tolonda Henderson, Marcia Hernandez, Jackie C. Horne, Susan E. Howard, Peter C. Kunze, Florence Maätita, Sridevi Rao, Kallie Schell, Jennifer Patrice Sims, Paul Spickard, Lily Anne Welty Tamai, Ebony Elizabeth Thomas, Jasmine Wade, Karin E. Westman, and Charles D. Wilson  
Race matters in the fictional WIZARDING WORLD of the Harry Potter series as much as it does in the real world. As J. K. Rowling continues to reveal details about the world she created, a growing number of fans, scholars, readers, and publics are conflicted and concerned about how the original WIZARDING WORLD—quintessentially white and British—depicts diverse and multicultural identities, social subjectivities, and communities. *Harry Potter and the Other: Race, Justice, and Difference in the*

*WIZARDING WORLD* is a timely anthology that examines, interrogates, and critiques representations of race and difference across various Harry Potter media, including books, films, and official websites, as well as online forums and the classroom. As the contributors to this volume demonstrate, a deeper reading of the series reveals multiple ruptures in popular understandings of the liberatory potential of the Potter series. Young people who are progressive, liberal, and empowered to question authority may have believed they were reading something radical as children and young teens, but increasingly they have raised alarms about the series' depiction of peoples of color, cultural appropriation in worldbuilding, and the author's antitrans statements in the media. Included essays examine the failed wizarding justice system, the counterproductive portrayal of Nagini as an Asian woman, the liberation of Dobby the elf, and more, adding meaningful contributions to existing scholarship on the Harry Potter series. As we approach the twenty-fifth anniversary of the publication of *Harry Potter and the Philosopher's Stone*, *Harry Potter and the*

Other provides a smorgasbord of insights into the way that race and difference have shaped this story, its world, its author, and the generations who have come of age during the era of the Wizarding World.

*Rethinking Contemporary British Women's Writing* Dorrance Publishing

This yearbook focuses on law and its interdisciplinarity in India. It brings together scholars of law, economics, and policy to foster multidisciplinary thinking and analysis across subject areas. The contributors to this volume embody an interdisciplinary spirit through their academic experience and aim to bring to the fore unique suggestions for a better understanding of the law. The volume explores various key issues that are central to state policy demanded by a functioning democracy, in terms of democratic quality, aspirations and sustainability. It discusses global and social issues, such as foreign interference in domestic elections, feminism, and climate change and looks at other subjects such as economics, religion, history,

literature from the perspective of law. A unique contribution to the study of law in India, this book will be an essential read for scholars and researchers of law, jurisprudence, political science, economics, public policy, sociology, social anthropology, the Indian Constitution, and South Asia studies.

*A Portrait of the Auteur as Fanboy* Springer Nature

This book follows the ways in which women negotiate and navigate between their feminist identities and their belonging to science fiction fandoms that at times disregard or dismiss them. It explores frictions and discords, including those between feminist women fans and other members in their communities, and between the fan and the object of her fandom. This book examines the intersection of fandom and feminism through the lenses of gender, ethnicity and age, and provides an in-depth and intersectional perspective on fan communities and the layered discrimination and marginalization

enfolded in them. Based on 40 in-depth interviews with women fans of Star Wars and Doctor Who, this book highlights the different aspects of a feminist woman fan's identity: becoming, being, belonging, representing, and reconciling. Each chapter in this book unravels the complexity, ambivalence, and contradictions between feminism and fandom, and reveals the tactics women develop to overcome and harmonize them.

**Thinking Queerly** Springer Nature

Why do we love wizards? Where do these magical figures come from? Thinking Queerly traces the wizard from medieval Arthurian literature to contemporary YA adaptations. By exploring the link between Merlin and Harry Potter, or Morgan le Fay and Sabrina, readers will see how the wizard offers spaces of hope and transformation for young readers. In particular, this book examines how wizards think differently, and how this difference can resonate with both LGBTQ and neurodivergent readers, who've been told they don't fit in.
