BRILL

Part romantic comedy, part sitcom, part social drama, *L'Auberge espagnole* (The Spanish Apartment) recounts a familiar 'youth' ritual - the move from university to 'the real world', the often complicated personal, romantic and cultural encounters that ensue, and the moral uncertainties that characterize that key biological and physiological developmental stage between adolescence and adulthood. French director Cédric Klapisch showcases the extraordinary colour and beauty of Barcelona's architecture, and places his hero Xavier at the heart of this smartly

written film, which makes a series of wry observations on educational exchange programmes, multi-culturalism, and the direction European youth might take in the twenty-first century. This book addresses the topic of Europe's youth generation, paying particular attention to the ways in which the film depicts the transition from adolescence to adulthood as allegory for the experiences of European society as it moves through periods of readjustment towards uncertain futures. It also looks into the ecosystem of contemporary French cinema, the Erasmus programme and its influence on youth experience, and identity politics in relation to 'nationhood' and 'European-ness'. The book also examines the two sequels to the film - *Russian Dolls* (2005) and *Chinese Puzzle* (2013) - and how the complications faced by the main characters across the trilogy suggest that the move to adulthood is a never-ending process of growing up and reaching a level of self-actualization.

Alors que le théâtre d'Albert Camus reçoit de plus en plus de considération de la part des universitaires, cet ouvrage se consacre à la meilleure pièce camusienne, *Caligula*. Il en propose une analyse structurelle, pour en faire ressortir toute la métathéâtralité, et définit les rapports complexes que celle-ci entretient avec la folie et le politique: il cerne ainsi dans leur interaction les

motifs qui sont au coeur de l'oeuvre. De plus, il établit des liens aussi riches que variés avec des textes historiographiques et des oeuvres-phares de la littérature occidentale, qui préfigurent le personnage si puissant qu'est Caligula. En somme, il situe la pièce sur le triple plan d'une tradition philosophique et littéraire qui remonte à l'Antiquité, du renouveau théâtral qui marque le milieu du XXe siècle, et de la production de Camus dans son ensemble. Il intéressera étudiants et professeurs qui se penchent sur la littérature française du XXe siècle, aussi bien que sur d'autres littératures, puisque par le biais camusien, il traite de la tragédie grecque, de Shakespeare, de Melville, de Pirandello... Il s'adresse plus spécialement à ceux qui étudient le théâtre, que ce soit dans une perspective historique, thématique ou esthétique.

Le guide du voyageur à Poitiers Fodor Cinema has been long associated with France, dating back to 1895, when Louis and Auguste Lumi_re screened their works, the first public viewing of films anywhere. Early silent pioneers Georges MZli_s, Alice Guy BlachZ and others followed in the footsteps of the Lumi_re brothers and the tradition of important filmmaking continued throughout the 20th century and beyond. In Encyclopedia of French Film Directors, Philippe Rège identifies every French director who has made at least one feature film since 1895. From undisputed masters to obscure one-timers, nearly 3,000 directors are cited here, including at least 200 filmmakers not mentioned in similar books published in France. Each director's entry contains a brief biographical summary, including dates and places of birth and death; information on the individual's education

and professional training; and other pertinent details, such as real names (when the filmmaker uses a pseudonym). The entries also provide complete filmographies, including credits for feature films, shorts, documentaries, and television work. Some of the most important names in the history of film can be found in this encyclopedia, from masters of the Golden Age_Jean Renoir and RenZ Clair_to French New Wave artists such as Fran_ois Truffaut and Jean-Luc Godard.
