### **The Pro Drummer's Handbook: Tips and Tools to Survive as a Working Drummer, Book & CD** Rizzoli Publications

Jake Wilkerson, a disillusioned young pastor who is an expert at hiding his fears, takes on a new assignment at a small rural church in Coudersport, Pennsylvania. It's a far piece from anywhere and full of curiously odd and eccentric people, including Emma Grainger, a single woman and a veterinarian who dismisses all Christians as "those people," and Tassy, a young runaway with a secret. His first day on the job, however, Jake is adopted by Petey - a cat of unknown origins and breed - but of great perception. Petey believes that he is on a mission from God to redeem Jake and bring him and his quirky friends back to the truth.

*The Cat That God Sent* Simon and Schuster

In Helen's Song, the author does an extraordinary job of painting an accurate picture of what it's like and what it means for a mother living in poverty with no public assistance. He'll educate you t

### **12 New Plays** Robert Saunders

This is the fifth book is about the Prussian family. The father is trying to take care of his wife, who is addicted to the drugs of the nineteenth century, a time when addiction hasn't been identified. There is only one place in the world trying to treat people for drugs, Vienna. So Otto has to take his family there and cope with the Viennese way of seeing and doing things. Will Hildegard overcome her dependencies? How will Otto cope with the strange life? How long will it take?

*Righteous Dopefiend* Del Rey

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

In a gently parented home, boundaries are focused on guiding rather than controlling children and are maintained through empathetic and creative resolutions rather than harsh punitive consequences. Written by best-selling parenting and children's book author and mother of six, L.R.Knost, 'The Gentle Parent: Positive, Practical, Effective Discipline' provides parents with the tools they need to implement the Three C's of gentle discipline-- Connection, Communication, and Cooperation--to create a peaceful home and a healthy parent/child relationship. Presented in bite-sized chapters perfect for busy parents and written in L.R.Knost's signature conversational style, 'The Gentle Parent' is packed with practical suggestions and real-life examples to help parents through the normal ups and downs of gentle discipline on the road to raising a generation of world changers.

Four brothers embark on a journey,takes them to a world that they have never heard of before. They become more and more intrigued, especially when they find that the citizens of Kavosava already know who they are, and treat them like royalty. After travelling to different parts of the land, they realize they have returned to Kavosava to assist the people in ridding themselves of the evil Lord Whipstein and his minions.

*Am I a Good Girl Yet?* AuthorHouse

From award-winning author Alexander C. Irvine comes a compelling, fantastical riff on history and World War II. Spared fighting in Europe because of a bum hand, Jared wishes he could join the cause, instead of mindlessly sifting clay to be made into golems. But there is something that preys on his dreams: the devilish dwarf known as the Nain Rouge. In his youth, Jared once actually saw the Dwarf—a chilling creature that shows itself to individuals just before their demise. Now the Nain Rouge appears to be coming back for Jared himself. Many have a profound interest in Jared's childhood run-in with the Dwarf—including a German spy, Jared's hateful foreman at the golem factory, and a shape-shifting Indian shaman. But what could a simple man who earns a meager living possibly have to do with espionage and dark deeds? While Jared toils invisibly in the bowels of Henry Ford's plant, the answer is about to reveal itself in a cataclysm of mythic and sinister proportions.

*Farm Mechanics ...* Dog Ear Publishing

A hilarious guide to business from a stubborn ginger cat.

Although the words productivity and cat might not often be seen in the same sentence, Office Cat somehow manages to claw himself and his fluffy Meow-nagement Team a tasty yearly profit in shrimp and catnip, while still getting his twenty hours of sleep a day. How does he do it? The answer is simple—employ a support staff of infatuated humans, who not only accept your every feline foible but downright adore them! However, as Office Cat demonstrates, humans still require careful handling—from dealing with their constant questioning of the value of weekly can-opening workshops to being mindful of their preference for your staying awake when they're addressing you. Animal-loving work shirkers the world over will fall in love with Office Cat and his humorous business guide, which pokes fun at both the way cats see the world and the eagerness of humans to be at the beck and call of their furry overlords.

*Tommytown 2: Helen's Song* WestBow Press

"Raw and unsparing...as intimate and as painful as a therapy session, while chronicling the history of the band as it took shape in the Mod scene in 1960s London and became the very embodiment of adolescent rebellion and loud, anarchic rock 'n' roll." — Michiko Kakutani, New York Times One of rock music's most intelligent and literary performers, Pete Townshend—guitarist, songwriter, editor—tells his closest-held stories about the origins of the preeminent twentieth-century band The Who, his own career as an artist and performer, and his

restless life in and out of the public eye in this candid autobiography, *Who I Am*. With eloquence, fierce intelligence, and brutal honesty, Townshend has written a deeply personal book that also stands as a primary source for popular music's greatest epoch. Readers will be confronted by a man laying bare who he is, an artist who has asked for nearly sixty years: Who are you?

**Beholden: A Marlowe Black Mystery** Grand Central Publishing  
Covering everything from technique and effective practice to passing an audition and how to make it as a freelance drummer, this comprehensive guide is the ultimate reference for any aspiring professional drummer looking for advice on playing the drums and surviving in the music business. 96 pages.

*Page Miss Glory* Harper Collins

Two cat ladies, a small girl named Starfish, a sentient cat called Mittens, a homeless man carrying a squid baby, a cursed and already inebriated bard, a bottle of hot sauce possessed by the Devil, a DM and the color red, an arrogant and doomed artist, and the great elder god Cthulhu walk into a bar! Welcome to *The Icosahedra Key and Other Tails!* A compilation of short stories by author B. Je Jones. Short stories and poetics that ring with the echoes of Edgar Allan Poe and Robert E. Howard. B. Je Jones is a student of the Cthulhu Mythos and this is the primary element in most of his work. Grab your holy relics and mystic swords, open the window and get under the covers, let ancient winds carry you and enjoy the tails that greet you...for all visitors here, are welcome!

**The Age of Anxiety** Hachette UK

*Saving Superman* provides a fine psychological novela versatile, changing story that closely examines a child's powers of survival and adaptation. D. Donovan, eBook Reviewer, MBR It is 1956 when ten-year-old Pete Martin runs away from home straight into a violent storm. As lightning and thunder crack all around him, Pete seeks shelter in a dilapidated shed. But as he approaches the dark building, he suddenly realizes he is not alone. Jake, a homeless veteran who has carved out a meager existence in the shed, helps Pete warm up and soon discovers that the boy is facing many challenges. Pete's baby brother died at birth, his father left home, his mother slashed her wrists, and he flunked his grade at school. As Pete confides in his new friend, he learns that Jake struggles with his own internal demons, memories that cause terrifying nightmares and continue to haunt his daily life. But Pete has no idea that he will, very soon, set out on a journey to uncover evil memories lurking in his own past secrets with the power to either reunite or destroy his entire family. *Saving Superman* is a tale about love, forgiveness, and the bond between a young boy and a troubled man as each bravely faces the inescapable cruelties of life.

**Two Thousand Kisses a Day** Brent Peterson

*The Lighthouse Leadership Principle* is a practical and proven approach to influencing the people in your sphere of interaction. Whether you're a leader in your home, at work, or in your community, you can dramatically improve your results by applying the five secrets to growing and guiding people.

*Vision* Harper Collins

Someone once said that the art of medicine is to amuse the patient while nature heals the disease. A few believe that doctors are able to restore a scrambled egg to its shell. A doctor's task is to distinguish between the small proportion of ailments that are serious or life-threatening and the vast majority that are benign, self-limiting, or easily put right. His task is blending science with the art of medicine - a listening ear, patience, and compassion. The episodes recounted here are based on a medical practice that has spanned four decades, although most take place in the 80s and early 90s. During these years there have been many

advances in medicine, some of which are chronicled in this book. The tales are about actual patients, but the particulars have been combined, shuffled like a deck of cards, embellished, and modified. There is comedy and heartbreak, conditions familiar and obscure, even a little research interspersed with tales of the unbelievable and creative ways in which people abuse their bodies, and then demand that doctors reverse the damage. The characters in this book are sophisticated and knowledgeable, naive and ignorant, wretched, sweet, and sometimes infuriating, but always fascinating.

*Pete and Tillie* Penguin

When asked a question like "Who is my neighbor?", Jesus often answered with a story. He did this because humans often see themselves in stories better than they do in direct answers. For instance, the universal situation of rescuing someone who is in desperate need on the side of the road somewhere, far from home, resonates with people down through the ages. In *Stories for Ears to Hear*, Tincan Caldwell puts a modern spin on the parables of Jesus in an attempt to help the reader imagine what the heart of these stories would look like today. In his famous challenge before telling a parable, Jesus would encourage "those with ears to hear" to listen to his tales of prodigal sons, lost coins, victimized travelers on the road, and elaborate parties with no guests. In telling these stories, Jesus brought the sensibilities of heaven to the very real dusty highways and hills of his homeland. In reimagining these classic parables (the parable of the good Samaritan set against the backdrop of the 9/11 tragedy, the parable of the unmerciful servant moved to a struggling record store, the parable of the talents reimagined in the world of a network reality show), Caldwell challenges readers to re-examine how heaven wants to invade the everyday stuff of life, like roads, parties, wayward sons, and the foundations we build our lives upon. That makes for a great story any day.

*One Tough Cop* Dog Ear Publishing

Driven from his home, a Rebel finds a place among the Cheyenne. Joel Ryan returns from the Civil War with grey hair and a weary heart, but he finds no rest in Kentucky. Turned away by a brother who still blames Joel for abandoning the family to fight for the Confederate cause, Joel rides west, searching for peace in the untamed wilderness of Montana. Instead, against all odds, he finds love. When he sees the gang of thugs tormenting the young Cheyenne beauty, Joel risks his life to save her. Her name is Mourning Dove, and he has only known her for a few hours when he begins to fall in love. Joel believes he has finally found a chance for happiness, but when tragedy strikes his budding family, he realizes he will never be at peace until he can quiet the rage that fills his heart. To save himself, Joel trades love for revenge, and rides west once more.

*At Good Old Siwash* Trafford Publishing

After being a first-round draft pick of the Detroit Red Wings in 1974, Brent Peterson embarked on a successful National Hockey League playing career that lasted 11 seasons. During his career, he played for Detroit, the Buffalo Sabres, Vancouver Canucks, and Hartford Whalers. When he retired as a player, Brent immediately became an assistant coach with the Whalers before moving back to Portland, Oregon to become the head coach of the Portland Winter Hawks of the Western Hockey League. After leading Portland to the Memorial Cup championship in 1998, Brent wanted to pursue his dream of becoming a head coach in the NHL, so he left Portland and took an assistant coaching position with the expansion Nashville Predators. Brent was later promoted to the position of associate head coach. Soon after that promotion, things took a turn when Brent was diagnosed with Parkinson's disease, a degenerative neurological disorder for which there is no known cure. For a year Brent and his wife Tami

kept Brent's diagnosis a secret, even going so far as to borrow the money needed for medications so that they did not have to use Brent's insurance out of fear that the Predators would find out about his condition. When Brent's symptoms became more obvious to the people who were around him every day, he and Tami made the decision to go public with the information that would likely end any chances of a team hiring him to be their head coach. Brent made the news public first by telling the Predators following their elimination from the playoffs in 2004. The team rallied around the affable coach they call Petey. In addition to keeping his position as Nashville's associate head coach, Brent established the Peterson for Parkinson's Foundation in hopes of raising awareness and funding for research. Away from the ice, Brent received some counseling from Michael J. Fox, one of Parkinson's most visible faces. It was that same advice that Brent turned around and gave to former NBA star Brian Grant after he too was diagnosed with the same disease. Like Brent, Grant struggled with the emotional trauma of having been diagnosed with Parkinson's at such a young age. At Brent's urging, Grant established a foundation of his own. Early in the 2010-11 NHL season, Brent's symptoms became more and more difficult to manage. His balance was affected, making it dangerous for both him and the players to be out on the ice together. Following Nashville's elimination from the 2011 playoffs, Poile announced that the team had made the decision that Brent would no longer be a coach. The Predators kept Brent on staff though, creating the position of hockey operations advisor to tap into Brent's years of experience in working with the players. Those same symptoms that made Brent step away from behind the bench were also affecting his quality of life, and the decision was made to undergo the radical medical procedure called Deep Brain Stimulation. DBS is a series of four medical procedures that involve wires being surgically implanted into the brain and then connected to a device inside of the patient's chest. That device sends signals to the brain, and those signals mimic the effects of the chemical dopamine. The results were nearly instantaneous. The morning prior to the system being turned on, Brent needed assistance getting his shoes and socks on before traveling to the hospital. The next day, he was running on a treadmill at the Predators' practice facility. DBS is not a cure for Parkinson's, but it does replicate the effects that medication has on a patient. Brent still has Parkinson's and probably always will. The symptoms will reappear at some point and his condition will likely worsen again, but now he has a renewed outlook on life and a renewed ability to do the things that drive him; being a good husband, father, hockey man, and advocate for Parkinson's patients everywhere.

**The Gentle Parent** Lulu Press, Inc

Pete Crigler has been obsessed with music from the earliest possible age; reading about it, writing about it, listening to it, almost everything except playing it. Some people would say that music is the defining everything for him but that's what he chooses to do, so lay off! But in all honesty, it's the heart and compassion that he shows not just for the music but the musicians who created it is where he really shows his stuff. Hearing so many stories about what these musicians have been through has been more than enough to prepare him for the next surprising story that comes around. By asking intelligent

questions of the musicians and then getting intelligent responses back, he was able to mold their stories into something that has rarely been read before for a number of artists. By getting their stories out there, he has created a rock and roll book unlike any seen in quite a while. The following is a message to the reader: Dear sir or ma'am, what you are holding in your hands is a very different book than one you've probably read before. The reason it's so different is because a lot of the bands profiled inside are very obscure and their material is often out of print so if you read about a musician you thought you'd forgotten about or are interested in hearing more about, please feel free to go on Amazon or eMusic or Rhapsody and start searching around to see what you can find. Most times, I assure you will be pleasantly rewarded. This book has been a complete labor of love for its author; starting in July of 2007 and working until October of 2009, Pete Crigler has been consistently working putting together what he hopes is the definitive tale of rock music in Virginia. The book tells the history of rock music in Virginia from the 1950s and the rockabilly of Gene Vincent to the punk energy of Cloak/Dagger and Conditions in the 21st century and everything in between. The book's approach is done with interviews with over sixty musicians from the fifties to the current time, complete with over 80 b&w and color photos submitted by many of the same musicians. This story needs to be told because no one has ever tried anything like it before. Being so informative of music, it has been this author's dream to tell this story because of an easy camaraderie with the musicians.

*Petey's Listening Ears* Simon and Schuster

Someone once said, "Real poetry doesn't have to say anything at all, it just has to make people feel, and change their perceptions of the way the world is. As long as it suits them." If I can accomplish the change of Vision for at least one person who has read my words and experienced what I experienced, felt what I felt, then I have accomplished that which is what I want most desperately... to be a poet. Vision is Pete J. Golod's first published book of poetry, and it is a culmination of over a decade's work. His dark and non-linear approach to poetry with the heavy use of imagery and metaphor help paint the canvas of the mind, creating a new voice and way for the reader to 'see'. PETE J. GOLOD, a connoisseur of imagery and a master of the subtleties of language, draws upon his myriad life experiences to create a true poetic autobiography in his first publication, Vision. Born and raised in northern New Jersey, Pete's Polish-heritage influences are evident in his verse. Messages of pride, love, loyalty, trust, and betrayal abound as he intimately explores relationships with his family, lovers, and friends. Inspired by the likes of Jim Morrison and Hunter S. Thompson, his sometimes eccentric, yet always unpretentious and candid poems will move any reader to reflection. A firm believer in living life in the moment, Pete shares his unique perspectives on life, death, and all things that come between, especially love and its loss. Vision represents the realization of a longtime dream for Pete: the opportunity to illuminate the human condition - for better or for worse - in the honest, limitless light it deserves.

**VIENNESE YARNS** Psychology Press

A novel of college life -- fraternities, football, and fun! Originally published in 1910. Illustrations by G.C. Widney
