 Do you hate marketing? You're not alone. Millions of entrepreneurs and business owners would rather do nearly

anything else than market their business. But, you also know it's critical to the success of your business. So, what do you do? Force yourself to do it and suffer? Or don't do it and hope for the best? Well, what if there was a third option? What if there was a marketing strategy out there that was perfect for you? A marketing strategy you ENJOYED doing. Would that make marketing easier and (dare we say it) more fun? If the answer is yes, Michele PW has the answer for you. It's her Love Your Marketing Assessment, which is designed to help you pinpoint the precise marketing strategy that's perfect for you. (Michele calls it your Marketing Love Factor.) And the best part? That assessment is included in the Love-Based Online Marketing book. Plus, you'll

also discover exactly how you can create an Online Marketing Plan around your Marketing Love Factor. So, you'll not only love your marketing (yes really!) but your marketing will love you back. It really can be that simple. "Love-Based Online Marketing" is a part of the Love-Based Business series, which is an award-winning series that has been featured on numerous media outlets, including CBS and NPR. On the surface, it seems pretty simple. If you want to have a successful business, you need to learn how to market yourself successfully. But over and over, I see entrepreneurs keep getting in their own way and not set themselves up for success with their marketing. And that's why I love Michele's book -- she dives in and covers both the inner game and the

outer game of marketing, so entrepreneurs can create an online marketing plan that is truly in alignment who they are AND in total service to their tribe. Bill Baren, President & CEO of Bill Baren Coaching

The book that started a movement! Do you hate the way sales and marketing copy makes you feel? Sales-y? Inauthentic? Hype-y? Just plain icky? You're not alone ... and there's a reason you feel that way. It's because traditional sales and marketing copy (also known as direct response copy) sells by tapping into fear. But you don't have to use fear - you can sell and market your business using love instead. And when you do that, you stop

manipulating and twisting arms to get buyers, and instead start attracting, inspiring and inviting your ideal clients into your business. Ahhh -- doesn't that sound wonderful? In this book, love-based copywriting and marketing expert Michele PW (Pariza Wacek) teaches you the philosophy and the foundational principles behind selling with love versus fear – the same proven principles she's used to help her clients sell nearly \$50 Million worth of products and services over eight years. Plus, she includes dozens of exercises so you too can easily implement love-based copy into your own business. Whether you're a seasoned entrepreneur or business owner or just starting out, you'll discover valuable tips and strategies around selling and marketing with love. And not
