The book that inspired the major new
motion picture Mandela: Long Walk to
Freedom. Nelson Mandela is one of the
great moral and political leaders of our
time: an international hero whose
lifelong dedication to the fight against
racial oppression in South Africa won
him the Nobel Peace Prize and the
presidency of his country. Since his
triumphant release in 1990 from more
than a quarter-century of imprisonment,
Mandela has been at the center of the
most compelling and inspiring political
drama in the world. As president of the
African National Congress and head of
South Africa's antiapartheid movement,

he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph. What Makes a Rainbow? Little, Brown If Fancy Nancy got angry. Really, really angry. Millie is quiet. Millie is sweet. Millie is mild. But the kids at school don't listen to her. And she never gets a piece of birthday cake with a flower on it. And some girls from her class walk right on

top of her chalk drawing and smudge it. And they don't even say they're sorry! So that's when Millie decides she wants to be fierce! She frizzes out her hair, sharpens her nails and runs around like a wild thing. But she soon realizes that being fierce isn't the best way to get noticed either, especially when it makes you turn mean. So Millie decides to be nice--but to keep a little of that fierce backbone hidden inside her. In case she ever needs it again. With bright art and an adorable character, it's easy to empathize with Millie. Because everyone has a bad day, once in a while. Praise for *MILLIE FIERCE* "Millie Fierce is a delightfully naughty mix between Maurice Sendak's *Where the Wild Things Are* and Molly Bang's *When Sophie Gets Angry*."--School Library Journal

Long Walk to Freedom Random House
Books for Young Readers

"On a rainy summer day, three children and their grandpa pick vegetables in his garden and then cook and share a delicious meal of his famous Rainbow Stew. Includes recipe"--

Happy Holidays, Bubble Guppies! Gibbs
Smith

Learning the importance of thankfulness is as easy as 1-2-3 with this sweet board book that fosters social emotional development. One little thank you can go a long, long way. Two strong arms to hug somebody tight. Three cheers for friends and everything they do. Learn your 123s while discovering the value of celebrating gratitude with this irresistibly illustrated board book that's perfect for Thanksgiving and all year round! Learn to love and love to learn! Complete the series with ABCs of Kindness and Happiness is a Rainbow! *The Writing Revolution* Multilingual Matters

Little girls can be strong and fierce and brave—and sometimes their ferocity is just the thing they need to save the day. Millie is strong. Millie is fierce. But Millie has learned to keep her fierceness in check. And since she's been sweet all summer long, Millie gets to have a sleepout with her friends. One where she promises to be well behaved. But things don't go as Millie planned, and our fierce little heroine is not happy. Still, she tries her best to keep her fierceness inside. But when the scary dog from next door howls at the girls' tent, Millie's ferocity saves them all! A perfect addition to a bookshelf filled with Fancy Nancy, Eloise, Olivia, and Ladybug Girl. Praise for the Millie Fierce books: *"Readers already know what Millie learns: To everything there is a time and purpose, including

fierceness; they will welcome this validation."--Kirkus Reviews, starred review "Millie Fierce is a delightfully naughty mix between Maurice Sendak's *Where the Wild Things Are* and Molly Bang's *When Sophie Gets Angry*."--School Library Journal "An unexpected Yeatsian lilt to Manning's writing ("Millie frizzed out her hair and made the crazy eye") lifts the text out of the ordinary; her powers of observation set it apart, too."--Publishers Weekly

Annie and Mike need scientific detective skills to solve this rainbow mystery! Books in this perfect STEM series will help kids think like scientists and get ahead in the classroom. Activities and experiments are included in every book!

Early Learning and Teaching of English Penguin

Why you need a writing revolution in your classroom and how to lead it *The Writing Revolution (TWR)* provides a clear method of instruction that you can

use no matter what subject or grade level you teach. The model, also known as The Hochman Method, has demonstrated, over and over, that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback. Insurmountable as the challenges faced by many students may seem, The Writing Revolution can make a dramatic difference. And the method does more than improve writing skills. It also helps: Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing. There's no separate

writing block and no separate writing curriculum. Instead, teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction. But perhaps what's most revolutionary about the TWR method is that it takes the mystery out of learning to write well. It breaks the writing process down into manageable chunks and then has students practice the chunks they need, repeatedly, while also learning content.

Eat Your Math Homework Charlesbridge
In 2003 I was given the opportunity to go to China to teach English. I had a contract for one year. I realized that life in China was more interesting than anything I had experienced before so I stayed. This book contains many

antidotes and stories about what happened to me, around me and in China generally. This is a first-hand view of everyday life in China.

RAINBOW Rodale Kids
