*Palimpsests and the
Literary Imagination of
Medieval England*

Universidad de Antioquia
Cicero's On the Republic

and On the Laws are his major works of political philosophy. They offer his fullest treatment of fundamental political questions: Why should educated people have any concern for politics? Is the best form of government

simple, or is it a combination of elements from such simple forms as monarchy, aristocracy, and democracy? Can politics be free of injustice? The two works also help us to think about natural law, which many

people have considered since ancient times to provide a foundation of unchanging, universal principles of justice. On the Republic features a defense of politics against those who advocated abstinence from public affairs. It defends a mixed constitution, the actual arrangement of offices in the Roman Republic, against simple forms of government. The Republic also supplies material for students of Roman history—as does *On the Laws*. The *Laws* moreover presents the results of

Cicero's reflections as to how the republic needed to change in order not only to survive but also to promote justice. David Fott's vigorous yet elegant English translation is faithful to the originals. It is the first to appear since publication of the latest critical edition of the Latin texts. This book contains an introduction that both places Cicero in his historical context and explicates the timeless philosophical issues that he treats. The volume also provides a

chronology of Cicero's life, outlines of the two works, and indexes of personal names and important terms.

Palimpsesto y subversión

Juan Carlos Martínez Coll

Jesús Martín-Barbero es conocido como el

«maestro» de los estudios sobre Juventud y el gran especialista en cultura

popular. Además, es considerado uno de los mayores expertos a nivel internacional en temas de comunicación, unos de los principales fundadores de los estudios comunicacionales y el autor de la Teoría de la mediación. Es el autor de referencia internacional para los análisis sobre sujetos juveniles y protagonismo social, palimpsestos de identidad, desafíos de la juventud, educación de los jóvenes, mundo digital y transformaciones de la subjetividad. Sus aportes

en los estudios sobre la globalización y en la relación entre medios de comunicación y público le han proyectado como uno de los autores más sugestivos y relevantes de la intelectualidad crítica latinoamericana. En las dos últimas décadas, Jesús Martín-Barbero ha recopilado una serie de estimulantes textos sobre los jóvenes, reunidos ahora en este libro. La mayor parte de ellos giran en torno a dos conceptos centrales que el autor utiliza de manera metafórica y que se

reflejan en el título. El palimpsesto hace referencia a los antiguos pergaminos y remite a la constante rescritura y reciclaje que las culturas juveniles hacen del pasado. El hipertexto, por el contrario, nos conduce a las modernas ciberculturas y a las novedosas formas de comunicación a través de las cuales los jóvenes imaginan el futuro. Este uso creativo sobre ambos conceptos ha tenido un gran impacto en los estudios culturales y sobre la juventud en el

ámbito iberoamericano.
Palimpsesto sin regusto a Magdalena DigiCat
 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and

other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be

preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

RIL Editores
The Republic of Cicero
Marcus Tullius Cicero
Translated from the Latin;
and accompanied with a
critical and historical
introduction by G. W.
Featherstonhaugh. The
imperfect manuscript, a
translation of which is
now presented to the
American public, was
discovered in the Library
of the Vatican, by
Professor Angelo Mai; a
person of singular
ingenuity in the detection
of those Palimpsests

whose contents were
written upon ancient
writings partially erased. I
am not aware that any
translation of the Republic
of Cicero into the English
tongue has been made.
Believing that it cannot
but excite a deep interest
with generous minds, as
well on account of the
high nature of the subject,
the illustrious name of
Cicero, as of the great
motives which led him to
compose this work, I
venture to offer a
translation of it to the
public. In this extensive
republic, where every

individual reads, it
appears peculiarly proper,
that an English dress
should be given to a work,
of which almost every
page teaches that public
happiness depends upon
individual virtue. Cicero's
definition of a republic,
that it is an association of
the people for the defence
and advancement of the
common interest; will be
understood here, which
may be doubtingly said of
any other republics now in
existence.

M. Tullii Ciceronis librorum
de re publica quantum
superest in palimpsesto

Bibliothecae Vaticanae praecipae repertum, ed. A.M. [Followed by] M.Cornelii Frontonis et M.Aurelii imperatoris epistulae et alia scripta, ed. A.M. [and] Q.Aurelii Symmachi novem orationum partes, ed. A.M. [and] Gargilii Martialis operis deperditi de hortis fragmenta, ed. A.M. Vision Libros

By definition, a palimpsest is “a written document, usually on vellum or parchment, that has been written upon several times, often with remnants of erased

writing still visible.” Palimpsests (originally published in France in 1982), one of Gérard Genette’s most important works, examines the manifold relationships a text may have with prior texts. Genette describes the multiple ways a later text asks readers to read or remember an earlier one. In this regard, he treats the history and nature of parody, antinovels, pastiches, caricatures, commentary, allusion, imitations, and other textual relations. Gérard Genette is one of

the most original and influential literary critics of modern France. He is the major practitioner of narratological criticism, a pioneer in structuralism, and a much-admired literary historian. Such works as *Narrative Discourse and Mimologics* (Nebraska 1995) have established his international reputation as a literary theorist of the first order.

This innovative monograph proposes the concept of the 'palimpsest' as a paradigm for the relationship between theory and traditional literary criticism, which could have a major impact on debate surrounding the role of theory in literary studies.

To Palimpsesto Wipf and Stock Publishers

Esta coletânea reúne artigos e conferências do antropólogo e filósofo Jesús Martín-Barbero, considerado o precursor dos estudos culturais latino-americanos. Produzidos entre fins da década de 1990 e meados dos anos 2010, os textos acompanham o período da popularização em alcance mundial das

novas tecnologias informacionais e expõem a violenta realidade dos jovens colombianos, que em diversos aspectos extrapola as fronteiras e se assemelha com a realidade das juventudes dos países vizinhos, entre eles o Brasil. Organizada por Carles Feixa e Mònica Figueras-Mas, o livro reúne ainda textos complementares de Néstor García Canclini, Nilda Jacks e Daniela Schmitz, Omar Rincón e Rossana Reguillo.

"On the Republic" and "On the Laws" HUERGA

Y FIERRO EDITORES

“Llamé palimpsesto a este trabajo cuando me di cuenta que estaba reescribiendo mi “Nitos, cortapicos y callares”. No era una “posdata” a lo Octavio Paz, ni unas “apostillas” según lo hizo Humberto Eco, sino una revaluación de lo escrito entonces. Sentí que tenía que escribir algunas cosas que se habían quedado en el tintero y restarles valor a algunas otras. No se trataba de corregir lo anterior sino de expresarlo de otra manera. Quizás, al tener

las dos escrituras sobrepuestas lo que pretendía era crear una nueva con más relieve, en 3D diría si fuera más moderno. En realidad, quería con el presente “Palimpsesto” ser más reflexivo para dejar de lado el regusto sentimental que asoma en cada página del “Nitos”, ese mismo regusto que afloró un día en el paladar de Proust cuando degustaba una magdalena empapada de té. Veo que he citado a Paz, a Eco y a Proust. Que nadie diga que me agobia

ningún complejo.”

Evangelion Da-

Mepharreshe HUERGA Y

FIERRO EDITORES

Witnesses to the disappearance of a text, palimpsest manuscripts bear the marks of their own genesis, with their original inscription rubbed out and written over on the same parchment. This collection explores analogies of erasure and rewriting observed in editorial and literary practices underlying the production of texts from medieval England.
