## RICHARD HOLMES

---

Lit! Xulon Press

A classic theology and a contemporary school of preaching come together in this new work. Glenn Monson, an active Lutheran preacher, has taken the substantial concerns of Law and Gospel theologians and combined them with the insights of the New Homiletic School to come up with a guide to sermon development that helps any preacher deliver Law and Gospel sermons in a contemporary way. The author leads the reader through a step-by-step process in thinking about Law and Gospel preaching from exegesis through sermon design to manuscript writing. Multiple examples from assigned lectionary texts are included, and several sermons are analyzed in detail. This book will be an invaluable friend of any lectionary preacher for whom Sunday is always coming and who longs to preach classic

Law and Gospel sermons in a new and fresh way.

*Travelling Well* Banner of Truth

The Christian life, as Calvin describes it, is lived simultaneously in the shadow of the cross and in the bright light of the resurrection. That the writer himself knew something of the cost of discipleship is clear from a consideration of his own experience.

**The Odyssey of Love** Greenwood Publishing Group

There are 78.2 million Catholics in the United States, representing one of the country's largest demographics. In *Talking with Catholics about the Gospel*, author Chris Castaldo answers the question: How can evangelical Protestants, most of whom are not from a Catholic background, understand and relate to Catholics in spiritual conversations?

**A Guide to Christian Living** Upper Room Books

Mormons, or members of the Church of Jesus Christ of Latter-day Saints, form a

growing population in both numbers and influence. Yet few people have more than a passing knowledge of the document that defines and drives this important movement—the Book of Mormon. A former Mormon and an adult convert to Christianity, author Ross Anderson provides a clear summary of the Book of Mormon including its history, teachings, and unique features. Stories from the author and other ex-Mormons illustrate the use of Mormon scripture in the Latter-day Saint church. Anderson gives special attention to how the Book of Mormon relates to Christian beliefs about God, Jesus, and the Bible. With discussion questions to facilitate group use and a focus on providing an accurate portrayal of Mormons beliefs, *Understanding the Book of Mormon* is an indispensable guide for anyone wishing to become more familiar with the Church of Jesus Christ of Latter-day Saints and its most formative scripture.

*A Guide to Biblical Commentaries and Reference Works* Baker Books

A national worship and preaching consultant offers a provocative look at the core elements of Christian faith, articulating centrist, mainline Christianity in a way that is fresh and easy to understand. Original.

*A Guide to Christian Spiritual Formation* Baker Academic

A companion guide for new Christians just setting out on the journey, and for more experienced travellers who feel they may have lost their way and need to re-set the compass. This book gives help and instruction in major areas of the Christian life, such as: prayer; reading the Bible; worship; relating faith to daily life; sharing our faith; seeking God's kingdom. Each chapter explores a theme and has a selection of readings and prayers.

*The Compact Guide to the Christian Faith* Baker Academic

Evan Howard, a noted authority on Christian spirituality, provides a holistic, accessible, and informed introduction to Christian spiritual formation written from a broadly evangelical perspective. Howard joins Scripture with themes of community, spirit, formation, and mission in a single integrative guide. The book includes helpful features such as figures, charts, chapter overviews, and formation-focused questions. Its evangelical-ecumenical and global perspectives will appeal to a wide audience. Resources for professors and students are available through Baker Academic's Textbook eSources.

*A Guide to Christian Spiritual Formation* Zondervan Academic

Knowing the Land helps us understand the Book in new and vivid ways. Charles Dyer, a Bible scholar and licensed tour guide for Israel, and Greg Hatteberg, graduate of the Institute of Holy Land Studies in Jerusalem, created this reference guide for pilgrims who want to deepen the spiritual impact of their trip to Israel, as well as other travelers who just want to know more: Where did Jesus walk? Where is King David buried? Where is Mt. Sinai? You'll find detailed information about five key Bible lands: Israel, Egypt, Greece, Jordan, and Turkey. This guide includes a full color 32-page photo insert, practical tips for travelers, a 4-week prayer guide for preparing for your trip, and detailed maps and an outline of Bible history. With *The New Christian Traveler's Guide to the Holy Land*, you'll see the Bible through a new set of geographical lenses.

*Caring for Creation* Chosen Books

*A Guide to Biblical Commentaries and Reference Works*, by John F. Evans,

summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible, giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible. *A Guide to Biblical Commentaries and Reference Works* is essentially an annotated bibliography of hundreds of commentators. More scholarly books receive a longer, more detailed treatment than do lay commentaries, and highly recommended commentaries have their author's names in bold. The author keeps up on the publication of commentaries and intends to update this book every three to four years.

*On Guard for Students* Rowman Altamira

The book analyzes evangelical Christianity as a comprehensive perspective for understanding the range of contemporary policy issues in America. It finds that evangelicalism can be understood as a distinctive approach to understanding policy debates, that evangelicals are not as monolithic as commonly thought, but that their policy activism is still marred by significant shortcomings, namely their failure to employ non-biblical arguments and rhetoric that might resonate with non-evangelical Christians.

### **A Concise History of Christian Thought** Zondervan

Evan Howard, a noted authority on Christian spirituality, provides a holistic, accessible, and informed introduction to Christian spiritual formation written from a broadly evangelical perspective. Howard joins Scripture with themes of community, spirit, formation, and mission in a single integrative guide. The book includes helpful features such as figures, charts, chapter overviews, and formation-focused questions. Its

evangelical-ecumenical and global perspectives will appeal to a wide audience. Resources for professors and students are available through Baker Academic's Textbook eSources.

*A Field Guide to Christian Nonviolence* Westminster John Knox Press

Are Catholics Christian? Is the Catholic Church a cult? Do Catholics worship Mary? These are common Evangelical questions that Catholics deal with in America's Bible Belt and elsewhere. Shane Schaezel, an Evangelical convert to the Catholic Church through Anglicanism, deals with these questions in a compassionate but firm way, having once asked them himself. Here, in the pages of this book, you'll learn what Catholics really believe about: the Bible, Mary, the Saints, Purgatory, the Sacraments, Salvation and the Church. Shane also owns and operates the Internet blog "Complete Christianity," where he engages in Catholic apologetics and catechesis for thousands of readers. More detailed explanations, covering the topics in this book, can also be found on his apologetics page "Real Clear Catholic." This book is an excellent resource for Evangelicals seeking answers about the Catholic Church, and Catholics seeking effective ways to answer Evangelical questions. It has also been used in Catholic parishes in the 'Rite of Christian Initiation for Adults' (RCIA).

*The New Christian Traveler's Guide to the Holy Land* Baker Books

*A Country-by-Country Prayer Guide* The world is getting smaller. Cutting ourselves off from Christians around the world is not an option. In many countries, the rise of persecution fuels concern over the safety and rights of believers, while other nations that used to be closed to the Gospel are seeing

unprecedented numbers of conversions to Christianity. As global ambassador of the World Evangelical Alliance, what Dr. Brian Stiller experiences on the ground in these nations is often counter to our impressions. As he listens to people's ideas and observes their innovations, he invites you to see and hear what he does. *An Insider's Guide to Praying for the World* includes country-specific insights calling us to a deeper understanding of the Christian church and witness. Each chapter also provides prayer challenges that come from believers in the country as well as maps and sample prayers. Nations from every continent are included. Be inspired to learn about other lands--both familiar ones, such as China and Kenya, and ones you may know very little about, like Sri Lanka and Bangladesh. But more important, take part in God's work by praying for the real needs of your brothers and sisters around the world. *Is the Good Book Good Enough?* Baker Academic

Are you aware of the spiritual battle being waged around you today? The truth is that although spiritual warfare is a major theme in the Bible, many of us gloss over it--or ignore it completely. But 80 percent of the synoptic gospels addresses the battle with evil spirits, and Jesus and His disciples set a clear example for believers. We cannot afford to practice a powerless Christianity in a fallen world. In this essential, accessible resource, former evangelical seminary professor and missionary Charles Kraft helps you find your footing in the spiritual battle. Based on a solid biblical foundation and on decades of ministry experience, this book will help you:

- Differentiate between myths and truths about spiritual warfare
- Recognize the everyday battles taking place around

- you
- Learn what demons really are and what they actually do
- Understand the rules for engaging the enemy
- Achieve victory in daily battles with the help of the Holy Spirit
- Don't let fear keep you from engaging the spiritual forces at work around you. Some problems can't be overcome in any other way.

"This book is a must-read for anyone looking to engage in spiritual warfare." --Larry Richards, author of *The Full Armor of God*

"Dr. Kraft has removed the veil of mystery that has surrounded deliverance ministry for far too long. With truth and honesty, he has opened the door to the evangelical community and given us the tools to set the captives free."--Tim Howard, president and founder, Wellsprings of Freedom International

"For more than thirty years now, Dr. Charles Kraft has been studying and writing about spiritual warfare. In this latest book, Dr. Kraft summarizes his findings and shares from his years of experience his approach to inner healing and deliverance ministries. This book needs to be read by every student studying spiritual formation, by every missiologist engaged in missionary activities and by every pastor and church worker committed to making healthy disciples of the Lord Jesus Christ."--Douglas Hayward, department chair, Graduate Intercultural Studies, Cook School of Intercultural Studies, Biola University

"Personally awakened to the spiritual nature of our Christian faith, Charles Kraft calls us to wake up as well. This book is a must-read for any who seek to understand God's work in the world today from the vantage point of an evangelical who daily engages in spiritual warfare."--Scott Moreau, professor of intercultural studies, Wheaton College Graduate School

"Most Christians are blind to the spiritual

realities around us. This book pulls back the veil into the unseen world, where there is a battle. This book will quickly become a classic. Charles is steeped in wisdom in the area of spiritual warfare and has dedicated his life to bringing restoration to the church."--Judith MacNutt, M.A., president and co-founder, Christian Healing Ministries "Charles Kraft has taken a topic that is still controversial among some in the body of Christ--spiritual warfare--and boiled it down to something we can all agree on: There is an enemy countering expressions of God's love in the lives of believers and lost souls alike that we must combat."--Jennifer LeClaire, senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale "Again, Chuck Kraft has reminded us that 'we are at war with a cruel enemy.' This guide to the warfare reflects Dr. Kraft's passion for God's people to experience the full measure of the Father's love. His writing is grace-filled, balanced, thoughtful and practical."--John Shultz, Ph.D., president, Ashland Theological Seminary  
*A Christian's Guide to Faith and Reason*  
 Tyndale Momentum  
 What do evangelicals believe when they 'believe in the Bible?' Despite hundreds of English versions that differ in their texts, evangelicals continue to believe that there is a stable text--'the Bible'--which is the authoritative word of God and an essential guide to their everyday lives. To understand this phenomenon of evangelical Biblicism, anthropologist and biblical scholar Brian Malley looks not to the words of the Bible but to the Bible-believing communities. For as Malley demonstrates, it is less the meaning of the words of the Bible itself than how 'the Bible' provides a proper ground for beliefs that matters to

evangelicals. Drawing on recent cognitive and social theory and extensive fieldwork in an evangelical church, Malley's book is an invaluable guide for seminarians, social scientists of religion, or for anyone who wants to understand just how the Bible works for American evangelicals.

*Understanding the Book of Mormon The Word Among Us Press*

Bringing a wide range of chronological, geographical, and doctrinal history vividly to life, this concise guide highlights the key occurrences and individuals in the development and expansion of the world's most widespread religion. A bevy of diverse topics are addressed, including the Apostles and Constantine; the Celtic Church and the division between East and West; and the impact of the Reformation and the Enlightenment. This is an indispensable resource for understanding the global phenomenon of the Christian faith.

*A Contrarian's Guide to Knowing God*  
 Harper Collins

This seven-session guide is designed for those just beginning their faith journey as well as those who want to dive deeper into the Scriptures during Lent. Each session includes a "Connection to the Cross" section that encourages participants to continue their Scripture reading and prayer throughout the week. *With Jesus to the Cross: Year A* features a detailed examination of conscience as well as a guide to the Sacrament of Reconciliation; guides for both facilitators and participants ensure a successful small-group experience; covers the Sunday Mass readings for 2020 from the first Sunday of Lent through Easter.

*Afflicting the Comfortable, Comforting the Afflicted*  
 Viking Adult

An updated edition with two all-new chapters, a new introduction, and a fresh look, this book challenges widely accepted ideas about what it means to know God and offers fresh paths for pursuing genuine spirituality. This practical guide speaks to those who are weary of formulaic faith or who are haunted by nagging doubts about the church, as well as those who find the traditional spiritual disciplines impractical or even agonizing because of their personal wiring. Easy to read but filled with challenging ideas, this book provides a spiritual foundation for pastors and teachers, committed Christians, and anyone interested in discovering God for themselves but wary of predictable paths.

*With Jesus to the Cross: Year A* Broadleaf Books

C. S. Lewis is a beloved writer and thinker and arguably the most important Christian intellectual of the twentieth century. His groundbreaking children's series *The Chronicles of Narnia*, lucid nonfiction titles such as *Mere Christianity* and *The Problem of Pain*, and thought-provoking fiction, including *The Screwtape Letters* and *The Great Divorce*, have become trusted companions for millions of readers. Here Lewis breathes new life into words and concepts that have dulled through time

and familiarity, and his writings inevitably provoke deep thought and surprising revelations. *Words to Live By* contains an unprecedented selection of Lewis's writings, drawing from his most popular works, but also from his volumes of letters and his lesser-known essays and poems. His works are presented in accessible selections covering subjects from A to Z, including beauty, character, confession, doubt, family, holiness, and religion. Both a wonderful introduction to Lewis's thinking and a wise and insightful guide to key topics in the Christian life, these are truly words to live by.

**The New Believer's Guide to the Christian Life** Zondervan

Christian nonviolence is not a settled position but a vibrant and living tradition. This book offers a concise introduction to diverse approaches to, proponents of, and resources for this tradition. It explores the myriad biblical, theological, and practical dimensions of Christian nonviolence as represented by a variety of twentieth- and twenty-first-century thinkers and movements, including previously underrepresented voices. The authors invite readers to explore this tradition and discover how they might live out the gospel in our modern world.
