The Other Side of Sadness Tin House Books

Will the truth harm them -- or save them? When Nigeria's corrupt military government kills their mother, twelve-year-old Sade and her brother Femi think their lives are over. Out of fear for their safety, their father, an outspoken journalist, decides to smuggle the children out of Nigeria and into London, where their uncle lives. But when they get to the cold and massive city, they find themselves lost and alone, with no one to trust and no idea when -- or if -- they will ever see their father again. *The Other Side of Truth* is a gripping adventure story about courage, family, and the power of truth.

A Novel Scalo Verlag Ac

Lacy Johnson's rich and poetic memoir, *The Other Side*, chronicles her brutal kidnapping and imprisonment at the

hands of an ex-boyfriend, her dramatic escape, and her hard-fought struggle to recover. Lacy Johnson bangs on the glass doors of a sleepy local police station in the middle of the night. Her feet are bare; her body is bruised and bloody; U-bolts dangle from her wrists. She has escaped, but not unscathed. *The Other Side* is the haunting account of a first passionate and then abusive relationship; the events leading to Johnson's kidnapping, rape, and imprisonment; her dramatic escape; and her hard-fought struggle to recover. At once thrilling, terrifying, harrowing, and hopeful, *The Other Side* offers more than just a true crime record. In language both stark and poetic, Johnson weaves together a richly personal narrative with police and FBI reports, psychological

records, and neurological experiments, delivering a raw and unforgettable story of trauma and transformation.

The Other Side of Luck Harper Collins

For psychiatrist and psychoanalyst Dr. David McBride, death exerts an unusual draw. Despite his profession, he has never come to terms with the violent accident that took his brother's life, a trauma that has shaped his personality and subsequent choice of career. But when a failed suicide, Elizabeth Cruikshank, comes into his care, he finds the deepest reaches of his suppressed history being reactivated. Elizabeth is mysteriously reticent about her own past and it is not until David recalls a painting by the Italian artist Caravaggio that she finally yields her story. As she recounts the chance encounter which took her to

Rome, and her tragic tale of passion and betrayal, David begins to find a strange and disturbing reflection of his own loss in the haunted "other side" of this elusive woman. Through one long night's dialogue they journey together into a past which brings painful new insight and uncertain resolution to each of them. *The Other Side of You* is a powerful meditation on art, and on love in all its manifestations. In distinctive, graceful prose, Salley Vickers explores the ways both love and art can penetrate the complexities of the human heart, to invade and change our being, and the possibilities of regeneration through another's vision and understanding.

The Other Side of Perfect The Other Side

Katie Mullens is known as the weird kid. Dead dad. Dead mom. Loner. Maybe crazy. Always drawing in her sketch pad, and she talks to herself—or at least that’s what it looks like. But Katie is talking to real people...they’re just dead. Law Walker is drawn to Katie when he sees the sketch she’s made of a historic home—the way it looked before it burned. Law soon discovers that Katie’s sight goes beyond death, and what she sees reveals the strange, twisted history of a famous Boston family’s connection to the illegal post-emancipation slave trade. Past, present. Living, dead. Black, white. This is a powerhouse debut about ugly histories, unlikely romances, and seeing people—alive and otherwise—for

who they really are.

The Problem with the Other Side

Anchor

This book is based on a true story about a man who had hardship since he was a little child. Going through agony living with a single mother, an abusive stepfather, being homeless, living in poverty, scared and fearful for his life.

He was able to build a relationship with God and God continued to protect him

The Case for Hope Simon and Schuster

This is an expanded and updated version of Nan Goldin's seminal book *The Other Side*, originally published in 1993. There will be a revised introduction by Goldin, and for the first time the voices of those whose stories are represented. Now being released at a time when the discourse around gender and sexual

orientation is evolving, *The Other Side* traces some of the history that informs this new visibility. The first photographs in the book are from the 1970s, when Goldin lived in Boston with a group of drag queens and documented their glamour and vulnerability. In the early eighties, Goldin chronicled the lives of transgender friends in New York when AIDS began to decimate her community. In the nineties, she recorded the explosion of drag as a social phenomenon in New York, Berlin and Bangkok, photographing their public personas while showing their real lives backstage. Goldin's newest photographs are intimate portraits, imbued with tenderness, of some of her most beloved friends. *The Other Side* is her homage to the queens she's loved, many of whom

she's lost, over the last four decades. The pictures in this book are not of people suffering gender dysphoria but rather expressing gender euphoria... - Nan Goldin

The Other Side U of Minnesota Press

A necessary, rich new examination of how the wired world affects our humanity. Our tech-fueled economy is often touted as a boon for the development of our fullest human potential. But as our interactions are increasingly turned into mountains of data sifted by algorithms, what impact does this infinite accumulation and circulation of information really have on us? What are the hidden mechanisms that drive our continuous engagement with the digital? In *The Other Side of the Digital*, Andrea Righi argues that the

Other of the digital acts as a new secular God, exerting its power through endless accountability that forces us to sacrifice ourselves for the digital. Righi deconstructs the contradictions inherent in our digital world, examining how ideas of knowledge, desire, writing, temporality, and the woman are being reconfigured by our sacrificial economy. His analyses include how both our self-image and our perception of reality are skewed by technologies like fitness bands, matchmaking apps, and search engines, among others. *The Other Side of the Digital* provides a necessary, in-depth cultural analysis of how the political theology of the new media functions under neoliberalism. Drawing on the work of well-known thinkers like Jacques Derrida, Jacques Lacan, and

Ludwig Wittgenstein, as well as Carla Lonzi, Luisa Muraro, and Luciano Parinetto, Righi creates novel appraisals of popular digital tools that we now use routinely to process life experiences. Asking why we must sign up for this sort of regime, *The Other Side of the Digital* is an important wake-up call to a world deeply entangled with the digital.

The Other Side of Dark Cornell University Press

Adele: *The Other Side* reveals the stories behind the hugely popular and iconic songs that have made Adele the star she is today. With a detailed exploration of the meanings behind her personal and enigmatic lyrics, and full of insightful revelations about her musical journey both on and off the stage, this is the perfect book for any fan of Adele and the

soulful, heart-wrenching music she has written.

The Other Side of Truth Simon and Schuster

A raw and powerful memoir about how resilience, hope, and defiant faith can lead to powerful transformation even in the midst of our darkest hours. Media executive Michelle D. Hord has suffered loss at almost every major phase in her life; the most devastating being the murder of her beloved daughter at the hands of her ex-husband. Yet through it all, there was a voice inside her insisting that she must let the light shine through the holes in her heart. With evocative prose and spiritual insight, *The Other Side of Yet* offers a compassionate blueprint on how to harness your inner strength. She shares how, while we can't

control the pain or trauma that alters life as we knew it before, we can always pivot to a yet and rebuild a new after. *The Other Side of Yet* is about creating a life of purpose, passion, and possibility regardless of what is thrown at us. It highlights how we can face our hardships, yet also choose to keep fighting. A timeless and accessible book for anyone who has experienced grief or loss, it will give you the inspiration and tools you need to reclaim your story.

The Other Side Open Road Media

For fans of Sarah Dessen and Mary H.K. Choi, this lyrical and emotionally driven novel follows Alina, a young aspiring dancer who suffers a devastating injury and must face a world without ballet—as well as the darker side of her former dream. Alina Keeler was destined to

dance, but then a terrifying fall shatters her leg—and her dreams of a professional ballet career along with it. After a summer healing (translation: eating vast amounts of Cool Ranch Doritos and binging ballet videos on YouTube), she is forced to trade her pre-professional dance classes for normal high school, where she reluctantly joins the school musical. However, rehearsals offer more than she expected—namely Jude, her annoyingly attractive castmate she just might be falling for. But to move forward, Alina must make peace with her past and face the racism she experienced in the dance industry. She wonders what it means to yearn for ballet—something so beautiful, yet so broken. And as broken as she feels, can she ever open her heart to someone

else? Touching, romantic, and peppered with humor, this debut novel explores the tenuousness of perfectionism, the possibilities of change, and the importance of raising your voice.

The Other Side of the Island Greystone Books Ltd

Light on the Other Side of Divorce: Discovering the New You is for people who have separated/divorced from their partners who want to feel excited about who they are now, more emboldened and less overwhelmed. The book is a comprehensive, inspirational resource for healing and thriving after divorce.

Finding Light in the Midst of Darkness Random House Trade Paperbacks

Bestselling author Alex Kotlowitz is one of this country's foremost writers on the

ever explosive issue of race. In this gripping and ultimately profound book, Kotlowitz takes us to two towns in southern Michigan, St. Joseph and Benton Harbor, separated by the St. Joseph River. Geographically close, but worlds apart, they are a living metaphor for America's racial divisions: St. Joseph is a prosperous lakeshore community and ninety-five percent white, while Benton Harbor is impoverished and ninety-two percent black. When the body of a black teenaged boy from Benton Harbor is found in the river, unhealed wounds and suspicions between the two towns' populations surface as well. The investigation into the young man's death becomes, inevitably, a screen on which each town projects their resentments and fears. *The Other Side of the River*

sensitively portrays the lives and hopes of the towns' citizens as they wrestle with this mystery--and reveals the attitudes and misperceptions that undermine race relations throughout America.

A Story of Two Towns, a Death, and America's Dilemma Farrar, Straus and Giroux (BYR)

A searing YA debut that follows the joys, complexities, and heartbreaks of an interracial romance between high school sophomores that blossoms during a volatile school election Uly would rather watch old Westerns with his new girlfriend, Sallie, than get involved in his school's politics—why focus on the “bad” and “ugly” when his days with Sallie are so good? His older sister Regina feels differently. She is fed up with the way

white school-body presidential candidate Leona Walls talks about Black students. Regina decides to run against Leona . . . and convinces Uly to be her campaign manager. Sallie has no interest in managing her sister's campaign, but how could she say no? After their parents' death, Leona is practically her only family. Even after Leona is accused of running a racist campaign that targets the school's students of color—including Sallie's boyfriend, Uly—Sallie wants to give her sister the benefit of the doubt. But how long can she ignore the ugly truth behind Leona's actions? Together and apart, Uly and Sallie must navigate sibling loyalty and romantic love as the campaign spirals toward a devastating conclusion. CW: Acts of racism and bigotry, racist language, and gun

violence are portrayed in this novel. *The Other Side of Dark Steidl* Author of over a dozen bestsellers, Academy Award-winning screenwriter, and creator of some of television's greatest hits, Sheldon has seen and done it all, and now in this candid memoir, he shares his story for the first time.

Fairy Tales with a Twist Xulon Press
Nan Goldin's seminal second book *The Other Side* is finally back in print. Ever since the early 1970s Goldin has lived with and among drag queens, documenting both their glamour and their struggles. *The Other Side* is her very personal declaration of love and gratitude to these drag queens, who showed her a way out of the captivity of pre-packaged, socially prescribed

identity. As she put it: "The pictures in this book are not of people suffering gender dysphoria but rather expressing gender euphoria.... The people in these pictures are truly revolutionary; they are the real winners in the battle of the sexes because they have stepped out of the ring". In contrast to much of the early 90s drag queen mania, *The Other Side* has brilliantly passed the test of time: Goldin's photographs are as beautiful, moving, and vibrant as ever, heralding the utopian promises of a world where gender has stopped being a prison -- a vision that remains as vital and acute as it was when the book was first published.

Ordinary People Who Faced Daunting Medical Challenges and Refused to Give Up Soho Press

Burned by love in the past, Jemistry Daniels has decided to have strictly physical relationships, until Dr. Tevin Harris, who has his own relationship scars, asks her out after a poetry slam.

The Other Side of the River Farrar, Straus and Giroux

Jojo Harvey is a dead ringer for Jessica Rabbit and the most ferocious literary agent in town. A former NYPD cop, she now lives in London making million-dollar book deals while trying to make partner at her firm . . . all the while sleeping with the boss man. Lily Wright is an author who believes in karma, and is waiting for the sky to fall after stealing her former best friend's man. Though her first book failed to sell, her life turns upside down when her most recent book becomes a huge bestseller. Gemma Hogan is an

event designer extraordinaire, but her personal life is nonexistent after losing the love of her life and her best friend in one fell swoop. To make matters worse, her father has just left her mother. While taking care of her mother, she e-mails a close colleague about her frustrations, who in turn forwards the hilarious e-mails to a famous literary agent named Jojo Harvey, who just happens to represent her former friend, now enemy, Lily Wright. . . . Written in the charming and chatty voice that has become Marian Keyes's signature style, this hilarious and heartwarming novel proves there are three sides to every story . . . especially in the world of publishing! *On the Other Side of the Garden* Poppy A gripping and beautifully written dystopian page-turner from New York

Times bestselling author and National Book Award finalist ALLEGRA GOODMAN. In the eighteenth glorious year of Enclosure, long after The Flood, a young girl named Honor moves with her parents to Island 365 in the Tranquil Sea. Life on the tropical island is peaceful—there is no sadness and no visible violence in this world. Earth Mother and her Corporation have created New Weather. The sky is always blue and it almost never rains. Every family fits into its rightful, orderly, and predictable place... Except Honor's. Her

family does not follow the rules. They ignore curfew, sing songs, and do not pray to Earth Mother. Honor doesn't fit in with the other children at the Old Colony School. Then she meets Helix, a boy with a big heart who slowly helps her uncover a terrible secret about the Island: Sooner or later, those who do not fit disappear, and they don't ever come back. Honor knows her family could be next, and when the unthinkable happens, she must make the dangerous journey to the Other Side of the Island—before Earth Mother comes for her too...
