"Dicker salutes Agatha Christie even as he drops the reader through one trapdoor into another, so that by the end, we doubt we've ever read another novel quite like it. (We haven't.) Fans of Ruth Ware and Lucy Foley will hug this book in between chapters; the many readers who love Anthony Horowitz's mysteries will celebrate. And me? I'll be reading it again."—A. J. Finn, #1 New York Times bestselling author of *The Woman in the Window* A burnt-out writer's retreat at a fancy Swiss hotel is interrupted by a murder mystery in this metafictional, meticulously crafted whodunit from the New York Times bestselling author of *The Truth About the Harry Quebert Affair*. A writer named Joël, Switzerland's most prominent novelist, flees to the Hôtel de Verbier, a luxury resort in the Swiss Alps. Disheartened over a recent breakup and his longtime publisher's death, Joël hopes to rest. However, his plans quickly go awry. It all starts with a seemingly innocuous detail: at the Verbier, there is no room 622. Before long, Joël and fellow guest Scarlett uncover a long-unsolved murder that transpired in the hotel's room 622. The attendant circumstances: the succession of Switzerland's largest private bank, a mysterious counterintelligence operation called P-30, and a most disreputable sabotage of hotel hospitality. A European phenomenon, *The Enigma of Room 622* is a matryoshka doll of intrigue—as precise as a Swiss watch—and Dicker's most diabolically addictive thriller yet. City Psalms was Benjamin Zephaniah's first collection from Bloodaxe back in 1992. It includes some of his best-known poems, including 'Dis Poetry', 'Money' and 'Us and Dem'. Best known for his performance poetry with a political edge for adults - and his poetry with attitude for children - Zephaniah has his own rap/reggae band. He has produced numerous recordings, including *Dub Ranting* (1982), *Rasta* (1983), *Us and Dem* (1990), *Back to Roots* (1995), *Belly of de Beast* (1996) and *Naked* (2004). He was the first person to record with the Wailers after the death of Bob Marley, in a musical tribute to Nelson Mandela, which Mandela heard while in prison on Robben Island. Their later meetings led to Zephaniah working with children in South African townships and hosting the President's Two Nations Concert at the Royal Albert Hall in 1996. His first book of poems, *Pen Rhythm*, was produced in 1980 by a small East London publishing cooperative, Page One Books. His second collection, *The Dread Affair*, was published by Hutchinson's short-lived Arena imprint in 1985. He has since published three collections with Bloodaxe, *City Psalms* (1992), *Propa Propaganda* (1996) and *Too Black Too Strong* (2001), the latter including poems written while working with Michael Mansfield QC and other Tooks barristers on the Stephen Lawrence case. *To Do Wid Me*, filmed by Pamela Robertson-Pearce (Bloodaxe Books, 2013), includes a full-length feature film on DVD with all the poems performed on the film included in the book.

For lovers of Alexander McCall Smith, Nicholas Drayson introduces the charming Mr Malik and the East African Ornithological Society in *A Guide to the Birds of East Africa*. Reserved, honourable Mr Malik. You wouldn't notice him in a Nairobi street - except, perhaps, to comment on his carefully sculpted comb-over - but beneath his unprepossessing exterior lie a warm heart and a secret passion. Not even his closest friends know it, but Mr Malik is head-over-heels in love with the leader of the local Tuesday-morning bird walk, Rose Mbikwa. Little can he imagine the hurdles that lie before him. Even as he plucks up the courage to ask for Rose's hand, thieves, potential kidnappers and corrupt officials, not to mention one particularly determined love rival, seem destined to thwart Mr Malik's chances. Will an Indian gentleman in the heart of Africa be defeated by the many obstacles that stand between him and his heart's desire? Or will honour and decency prevail? 'A funny, ingenious and touching love story' Joanne Harris, *The Times* 'A delightful comedy... "This volume is the first to explore fashion as a critical aspect of modernity, one that paralleled and many times converged with the development of Impressionism, starting in the 1860s and continuing through the next two decades, when fashion attracted the foremost writers and artists of the day. Although fashionable subjects have been depicted throughout history, for many artists and writers, including Charles Baudelaire, Stéphanie, Mallarmé, Émile Zola, Gustave Caillebotte, Edgar Degas, Édouard Manet, Claude Monet, Berthe Morisot, and Pierre-Auguste Renoir, fashion became integral to the search for new literary and visual expression."--Book jacket.
