One of the founders of the scientific study of sex, Magnus Hirschfeld (1868-1935) led the field with his pioneering objective examinations of homosexuality, tranvestism, and gender identity. "The Homosexuality of Men and Women" was designed to provide a unified, comprehensive description of

homosexuality while ridding heterosexuals of gay prejudice and allowing homosexuals to confront their isolation and accept themselves. Opening with a definition and a detailed biological discussion of sexual orientation, including the childhood and adolescent phases, Hirschfeld addresses the physical, mental, and emotional life of homosexuals while explaining the inborn nature of homosexuality and bisexuality. In the second half of the book, Hirschfeld looks at sociology, community life, bonding, roles in society, history, persecution, victimisation, and the law. His documentation of gays in the military and the "new technology" of his day -- such as the telephone and aeroplanes and their affect on the lives of homosexuals -- offers farsighted

observations that strongly parallel today's national debates and new developments.

Breakdowns New York : Library Press
By the early middle ages vernacular aristocratic traditions of heroic narration were firmly established in Western and Northern Europe. Although there are regional, linguistic and formal differences, one can observe a number of similarities. Oral literature disseminates a range of themes that are shared by narratives in most parts of the continent. In all the European regions, this tradition of heroic narration came into contact with Christianity, which led to modifications. Similar processes of adaptation and transformation can be traced everywhere in this field of early European vernacular narrative. But with

the increasing specialization of academic fields over the last half century, interdisciplinary dialogue has become increasingly difficult. The volume is a contribution to renew the interdisciplinary dialogue about common themes, topics and motifs in Nordic, Roman, Anglo-Saxon and Germanic literature, and about the different methodologies to explore them.

Anne Frank McFarland

Father and Son is one of the most beloved comic strips ever drawn—an uproarious, timeless ode to the pleasures, pitfalls, and endless absurdity of family life. Father and Son is a slyly heartwarming, dizzyingly inventive classic in the tradition of Calvin and Hobbes and The Simpsons. Created in 1934 by the German political cartoonist

Erich Ohser (using the pseudonym E.O. Plauen after being blacklisted for his opposition to the Nazi regime), the gruff, loving, mustachioed father and his sweet but troublemaking son embark on adventures both everyday and extraordinary: family photoshoots and summer vacations, shipwrecks and battles with gangsters, a Christmas feast with forest animals and a trip to the zoo. Drawn almost entirely without dialogue, the strips overflow with slapstick, fantasy, and anarchic visual puns. Father and Son remains an uproarious, timeless ode to the pleasures, pitfalls, and endless absurdity of family life. This NYRC edition is an extra-wide hardcover with raised cover image, and features new English hand-lettering.

Strange Dislocations Marvel

"What if you were a super-villain living in Witness Protection, and all you could think about were the glory days of being bad, when the rules didn't apply to you... before you were just like everybody else? Incognito's story begins where others end, and goes places no graphic novel has gone before."--Page 4 of cover.

Folk Culture in a World of Technology
Europe Comics

A long-out-of-print classic by a master of underground comics In the late 1980s, the idiosyncratic Chester Brown (author of the much-lauded *Paying For It* and *Louis Riel*) began writing the cult classic comic book series *Yummy Fur*. Within its pages, he serialized the groundbreaking *Ed the Happy Clown*, revealing a macabre universe of parallel dimensions.

Thanks to its wholly original yet disturbing story lines, Ed set the stage for Chester Brown to become a world-renowned cartoonist. Ed the Happy Clown is a hallucinatory tale that functions simultaneously as a dark roller-coaster ride of criminal activity and a scathing condemnation of religious and political charlatanism. As the world around him devolves into madness, the eponymous Ed escapes variously from a jealous boyfriend, sewer monsters, the Royal Canadian Mounted Police, and a janitor with a Jesus complex. Brown leaves us wondering, with every twist of the plot, just how Ed will get out of this scrape. The intimate, tangled world of Ed the Happy Clown is definitively presented here, repackaged with a new foreword by the author and an extensive

notes section, and, as with every Brown book, astonishingly perceptive about the zeitgeist of its time.

Pogo: The Complete Daily & Sunday Comic Strips Vol. 2 Graphic Sha Publishing

This book provides an informative overview of literary developments in Berlin since 1750, with more detailed readings of exemplary key texts.

The Man Who Bought America Cambridge University Press

Roy & AI is the first English-language book by Europe's most popular gay cartoonist, Germany's Ralf König, whose collections have sold over 250,000 copies and have been translated into five languages. Roy & AI is a hilarious, erotically charged series of gay comics starring two dogs whose owners are

dating. Al, a purebred, is rather fey, and treats the unsophisticated with disdain, while Roy, a mongrel, is coarser and more down-to-earth (and a tad overweight). Any similarities between masters and dogs are strictly intentional. Roy & Al is an uproarious vision of contemporary gay life through the eyes of man's best friend.

Diplomatic and Political Interpreting Explained Dark Horse Comics

Pogo: Bona Fide Balderdash is the second volume in a series reprinting in its entirety the syndicated run of Walt Kelly's classic newspaper strip. It features all the strips from 1951 and 1952, which have been collected before, but in now long-out-of print books, and even there they were not as meticulously restored and reproduced as

in this new series. Bona Fide Balderdash also reprints, literally for the first time ever in full color, the two full years of Sunday pages, also carefully restored and color-corrected, shot from the finest copies available.

Berlin's Third Sex Harvard University Press

Using the perspectives of social and cultural history, and the history of psychology and physiology, *Strange Dislocations* traces a search for the self, for a past that is lost and gone, and the ways in which, over the last hundred years, the lost vision has come to assume the form of a child.

Mac Raboy's Flash Gordon New York Review of Books

Examines the fundamentals of storytelling in comic book style and

offers advice on story construction and visual narratives.

The Vikings on Film Drawn & Quarterly

DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Homosexuality of Men and Women DigiCat

The creator of the Pulitzer Prize-winning Maus explores the comics form ... and

how it formed him! This book opens with Portrait of the Artist as a Young %@&*!, creating vignettes of the people, events, and comics that shaped Art Spiegelman. It traces the artist's evolution from a MAD-comics obsessed boy in Rego Park, Queens, to a neurotic adult examining the effect of his parents' memories of Auschwitz on his own son. The second part presents a facsimile of Breakdowns, the long-sought after collection of the artist's comics of the 1970s, the book that triggers these memories.

Breakdowns established the mode of formally sophisticated comics that transformed the medium, and includes the prototype of Maus, cubist experiments, an essay on humor, and the definitive genre-twisting pulp story "Ace Hole-Midget Detective." Pulling all

this together is an illustrated essay that looks back at the sixties as the artist pushes sixty, and explains the obsessions that brought these works into being. Poignant, funny, complex, and innovative, *Breakdowns* alters the terms of what can be accomplished in a memoir.

Manhattan Beach, 1957 Fantagraphics Books

Matt Wagner's masterpiece heats up in the third of four omnibus collections reprinting the complete Grendel saga! No longer content to inhabit one host at a time, the Grendel entity goes viral, in a new phase of Wagner's epic spanning centuries and culminating with the rise of a new kind of host - the Grendel-Khan! *Red Carl* Virago Press

From Hell is the story of Jack the Ripper,

perhaps the most infamous man in the annals of murder. Detailing the events leading up to the Whitechapel killings and the cover-up that followed, *From Hell* is a meditation on the mind of a madman whose savagery and violence gave birth to the 20th century. The serialized story, presented in its entirety in this volume, has garnered widespread attention from critics and scholars, and has been adapted into a major motion picture from Twentieth Century Fox starring Johnny Depp and Heather Graham. Often regarded as one of the most significant graphic novels ever published, *From Hell* combines meticulous research with educated speculation, resulting in a masterpiece of historical fiction both compelling and terrifying.

On the death of her mother, Manuela von Meinhardis is sent to a repressive school where affection and all weaker emotions are outlawed. In this regime only Fraulein von Bernburg offers tenderness and love, and for that both she and Manuela must suffer.

Burgen und Schlösser Dark Horse Books
Literary Nonfiction. LGBTQIA Studies.
Translated from the German by James J. Conway. Rough trade, drag kings, tea dances, sporty dykes, coded classified ads, campy nicknames, passing, outing, hustlers, beats and cruising at the YMCA—all accompanied by a wave of gay and lesbian activism. Eighties New York? No, Germany's imperial capital at the dawn of the 20th century. BERLIN'S THIRD SEX

reveals an astonishingly diverse gay subculture years ahead of the Weimar era, with cross-dressing cabaret, all-night parties and erotic license at every level of society. Magnus Hirschfeld's 1904 report is a foundational text of modern gay identity, queer history captured by an insider, as it happened. Police, blackmailers and moral crusaders are never far, suicide is all too common, but Hirschfeld also invites us into the homes of same-sex couples to witness tranquil scenes of domesticity and devotion. BERLIN'S THIRD SEX formed part of the vast "Metropolis Documents" project, a visionary panorama of early 20th century urban life. This, the first part of the series to appear in English, is offered alongside an earlier Hirschfeld study of the "third sex" (the author's

provisional term for gays and lesbians) as well as comprehensive notes and an informative afterword. "[BERLIN'S THIRD SEX] depicts a flourishing gay subculture populated by cross-dressers, drag queens, sporty dykes, blackmailers and prostitutes, who establish contact with one another via intricately coded classified ads, adopt droll nicknames such as 'Squeaky Lotte,' 'Rollmop Queen' and 'Hiddigeigei,' and generally live it up in bars and cabarets, in the Tiergarten, or at the Opera. The Rixdorf edition includes an informative afterword and helpful notes by the translator James. J. Conway."--Anna Katharina Schaffner "Hirschfeld's rhetorical strategy, which includes these appeals to sentiment, walks the line between emphasizing the similarities in behavior between

homosexuals and heterosexuals (in other words, suggesting homosexuals are just like the [presumably heterosexual] reader), and relating anecdotes or characteristics that portray the former as uniquely, yet endearingly, different. That this approach has strong parallels with contemporary gay rights rhetoric suggests that there is a timeless appeal in finding reasons for empathy in order to demonstrate that 'the other' is just as human."--Tyler Langendorfer
