GOOD PHELPS

Kerala Bloomsbury Publishing

The book attempts to critically analyse the cases on the law of copyright as well as statutory provisions of law of copyright. When the first edition of the book was published in 2015, there was no readable and dependable book for the general reader interested to be acquainted with the changing features of the law of copyright immediate after the enactment of the Copyright (Amendment) Act 2012. Since the publication of this book, the Finance Act 2017 has introduced Appellate Board in place of Copyright Board as well as the Supreme Court and High Courts in India have also delivered a large number of judicial decisions on the law of copyright. In this edition the author has surveyed all such Courts decisions and analysed them and inserted them in appropriate places of the book and also examined the impact of the Appellate Board. It presents not only the provisions of the Copyright Act 1957 in the form of a normative, but points out the changes made thereon by formal amendments as well as conflicts of law which have been settled by judicial interpretations. The book is divided into ten chapters. Chapter 1 is introductory, while Chapters 2 and 3 discuss the origin and development of law of copyright at international as well as national level. The most important debatable issue in copyright law is "works in which copyright subsists", and the Chapter 4 is devoted to this aspect. Chapter 5 explores various issues relating to author of work, owner of copyright and recognised rights of copyright owner. The terms of copyright, licensing of copyright, international copyright and registration of copyright are the subject matter of Chapter 6, while rights of broadcasting organisation and of performers (neighbouring rights) are the subject matter of Chapter 7. Internet is the greatest communication medium of the contemporary era, and there is an inherent link between law of copyright and internet. Therefore, Chapter 8 is devoted to discuss various issues relating to "protection of copyright in internet." While Chapter 9 demonstrates the law relating to infringement of copyright and defences of copyright liability. Chapter 10, the concluding chapter, discusses the enforcement of copyright in India in detail. Though the book is designed for the undergraduate and postgraduate students of Law, it will be equally beneficial for the researchers, academicians, jurists, lawyers, judges as well as members of civil society. **TARGET AUDIENCE** • Undergraduate and postgraduate students of Law. • Researchers, Academicians, Jurists, Lawyers, Judges as well as members of Civil Society.

Gospel According To Myself Notion Press

Resul Pookkuttu, India's best-known sound designer and audiographer, won an Oscar for his work in *Slumdog Millionaire*. *Sounding Off*, his autobiography, is the amazing odyssey of a village boy from Kerala whose resilience and conviction took him to the very cutting edge of cinematic sound technology---from struggling in the ruthless film world of Mumbai to winning international glory. Already a huge bestseller in Malayalam, this definitive translation is a celebration of both cinema and life.

LAW OF COPYRIGHT Educreation Publishing

Indhumathi: synopsis: In a pretty Kerala village full of paddy fields and delicious gossip, a woman dreams of holding her own in a man's world. The odds are against Indumathi. She gets no say even in her choice of a husband. But she wants to live on her own terms - even if it means breaking up her family and snatching what she thinks is rightfully hers. In a story that moves from rural Kerala to Delhi, Dubai, Kashmir and Rajasthan, author DJ explores the psyche of a woman who refuses to be 'good' or play by the rules. Will Indumathi be able to stick by her strong beliefs? Or will she have to give in and accept defeat? "The author brings alive a family and a story steeped in the beliefs and atmosphere of an Indian town. This realistic novel reflects the varied shades of grey you would find in any Kerala village. A fast-paced book you will finish in one sitting." - V N Ashokan, Kerala Sahitya Academy

Kerala, a state in southwestern India, has implemented radical reform as a development strategy. As a result, Kerala now has some of the Third World's highest levels of health, education, and social justice. Originally published in 1989, this book traces the role that movements of social justice played in Kerala's successful struggle to redistribute wealth and power. A 21-page introduction updates the earlier edition. This book underlines the following positive lessons that the Kerala experience offers to developing countries: Radical reforms deliver benefits to the poor even when per capita incomes remain low. Popular movements and militant progressive organizations with dedicated leaders are necessary to initiate and sustain reform. Despite their other benefits, radical reforms cannot necessarily create employment or raise per capita income. Local reformers are restricted by national politics. Public distribution of food is a highly effective policy in poor agrarian economies. Devoting significant resources to public health can bring about low infant mortality, high life expectancy, and low birth rates even when incomes are low. Widespread literacy and educational opportunities can help create a more just and open social order. Meaningful land reform can reduce inequalities and give resources to the poor. Wage and working-condition laws can help effect more equitable resource distribution even in a poor economy. Greater socioeconomic equality can lead to lower levels of violence and a healthier social and political environment. Women can benefit from radical reforms not aimed at them, but special attention must eventually be given to their needs. Progressive forces, including Communist parties, can play a major positive role in benefiting very poor Third World citizens. Radical reforms can shield the poor against recessions. Contains over 200 references. (TD)

George Joseph, the Life and Times of a Kerala Christian Nationalist Penguin Random House India Private Limited

Completely updated and revised edition of one of the most widely-praised food books of recent years. It's a perverse fact of modern life: There are more starving people in the world than ever before, while there are also more people who are overweight. To find out how we got to this point and what we can do about it, Raj Patel launched a comprehensive investigation into the global food network. It took him from the colossal supermarkets of California to India's wrecked paddy-fields and Africa's bankrupt coffee farms, while along the way he ate genetically engineered soy beans and dodged flying objects in the

protestor-packed streets of South Korea. What he found was shocking, from the false choices given us by supermarkets to a global epidemic of farmer suicides, and real reasons for famine in Asia and Africa. Yet he also found great cause for hope—in international resistance movements working to create a more democratic, sustainable and joyful food system. Going beyond ethical consumerism, Patel explains, from seed to store to plate, the steps to regain control of the global food economy, stop the exploitation of both farmers and consumers, and rebalance global sustenance.

Editing and Design: Newspaper design Pluto Press

This book offers a bold and illuminating account of the worldviews nurtured and sustained by indigenous communities from across continents, through their distinctive understanding of concepts such as space, time, joy, pain, life, and death. It demonstrates how this different mode of 'knowing' has brought the indigenous into a cultural conflict with communities that claim to be modern and scientific. Bringing together scholars, artists and activists engaged in understanding and conserving local knowledge that continues to be in the shadow of cultural extinction, the book attempts to interpret repercussions on identity and cultural transformation and points to the tragic fate of knowing the world differently. The volume inaugurates a new thematic area in post-colonial studies and cultural anthropology by highlighting the perspectives of marginalized indigenous communities, often burdened with being viewed as 'primitive'. It will be useful to scholars and students of anthropology, sociology, cultural studies, history, linguistics, literature, and tribal studies.

The Uttermost Part Routledge

Filippo and Caroline Osella, anthropologists who spent three years in rural Kerala, south India, write about the modern search for upward social mobility: the processes involved, the ideologies that support or thwart it, and what happens to the people involved. They focus on the caste called Izhavas, a group that in the mid-19th century consisted of a small land-owning and titled elite and a large mass of landless and small tenants who were largely illiterate and considered untouchable, and who eked out a living by manual labor and petty trade. In the 20th century, Izhavas pursued mobility in many social arenas, both as a newly united caste and as families. The work considers how successful the mobility has been and looks at the effects on their society of an ethos of progress. Distributed by Stylus. The living pulsating and ever-changing entity that is Kerala is best represented by its astute critical and deeply insightful writers of the Malayalam short story and in Feeling Kerala a selection of some of the best and sharpest narratives from the region is now translated and curated for English readers to love and cherish. While staying true to its literary form these stories provide a tour into the heart and soul of contemporary Kerala and aim at getting past the twentieth-century characterizations of the state say as defined by communist egalitarian spirit or matrilineal families. After all Kerala is unique in more ways than one thanks to the heightened experience of migration and transnationalism among other things. This collection also succinctly encapsulates the varied landscapes of Kerala: the highlands the coastal areas and

the growing urban centres. They move in and out of homes and take the readers into older spaces-convents and panchayats-and the new spaces of the capital-airports and tourist resorts-as well as the world of criminals.

The section also looks at breast cancer, with a specialist explaining the risk factors, diagnosis and treat- ment.[]

The Red Riddle of Kerala Penguin Random House India Private Limited

Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai

Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAL... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved.

Mad About the House: 101 Interior Design Answers Rizzoli Publications

How does it feel to lose your job in front of ten million people? To ask a Government Whip for time to see your husband? To represent the Secretary of State for Health at a family planning clinic on the day you fail your fifth IVF cycle? To be loved and

hated by people who don't even know you? To be the second black woman elected to Parliament? To be a Jewish woman representing a largely Muslim constituency? To be the only MP who likes house music? A decade is a long time in politics, and in these candid diaries Oona King shows how she has changed since becoming an MP in 1997. From the intense strain on her marriage, to her desperate struggle to have a baby, Oona reveals how she chose to abandon her political ambition in favour of another: to have a life.

Index India Penguin UK

This book looks at the life of George Joseph (1887 1938), a South Indian Christian nationalist whose contributions to the Indian freedom struggle have been generally neglected in the literature of the Indian national movement. The book is not a straightforward biography; it attempts to place the subject of the study in the political and social context of modern Indian history but provides personal glimpses of the man and his humanity. Further, the book examines how George Joseph influenced or even initiated debates on issues such as the meaning of secularism in India; the position of religious minorities of India, the reality and extent of the North-South divide and the scope and limits of affirmative action for disadvantaged groups- all issues of great relevance even in today s India.

House Music One Point Six Technology Pvt Ltd

An eclectic anthology of comics. From Noah Van Sciver to Jerry Anthony, Sudhanya Dasgupta and Monisha Naskar, Gayatri Menon, Debjyoti Saha, Alendev R. Vishnu, Anirban Ghosh, Solo and Ojo, Ekta Bharti and Pavan Rujurkar, among others, Longform 2022 presents stories that subvert conventional narrative, stories about ordinary people, autobiographies, travel tales and through these narratives establish comics as a permanent feature on a reader's shelf. The anthology takes us through the streets of Rome and Kolkata, modern-day Tehran and ancient Bhutan, around-the-corner dystopias, imaginary cities and kaleidoscopic dreamscapes.
