BURKE AMINA

The Sikhs Publication Bureau Pobjabi University This shocking exposé of a true-life Orwellian plot of nightmarish proportions reveals the chilling events of November 1984 following Indira Gandhi's assassination, and the cover-up by the Indian Government. For over three days, armed mobs systematically butchered, torched and raped members of the Sikh community in Delhi and other places, unchecked. The sheer scale of the killings exceeded the combined civilian death tolls of other conflicts such as Tiananmen Square and 9/11. In Delhi alone 3,000 people were killed. Thirty-three years on, the full extent of what took place has yet to be fully acknowledged.

Based on victim testimonies and official accounts, this book exposes how the largest mass crime against humanity in India's modern history was perpetrated by politicians and covered up with the help of the police, judiciary and media. A book that posits fundamental questions, it will shake you to the core. Zafar-nāma Oxford University Press "McLeod is a renowned scholar of Sikhism. . . . [This book] confirms my view that there is nothing about the Sikhs or their religion that McLeod does not know and there is no one who can put it across with as much clarity and brevity as he can. In his latest work he has compressed in under 150 pages the principal sources of the Sikh religion, the Khalsa tradition and the beliefs of breakaway sects like the

Nirankaris and Namdharis. . . . As often happens, an outsider has sharper insight into the workings of a community than insiders whose visions are perforce restricted."—Khushwant Singh, *Hindustan Times* The Oxford Handbook of Sikh Studies UBS Publishers' Distributors In 1812, Sir John Malcolm, a Lieutenant General in the British Army wrote *A Sketch of the Sikhs*, commonly believed to be the first account of the Sikhs written by a non-Sikh. In truth, soldiers, travellers, diplomats, missionaries and scholars had provided accounts for many years before. Drawing on this difficult-to-access material, the editors of this volume have compiled a unique source that offers a fascinating insight into the early developments in Sikh history. From the first ever written accounts of

the Sikhs by Persian chroniclers of the Moghul Emperor to the travel diary of an Englishwoman, this volume contains material invaluable to those studying the evolution of the Sikh religion as well as to those interested in learning more about this major religion. It also provides an unparalleled look into the growth and solidification of the religious practices of Sikhs. At a time when the misunderstanding of the Sikh religion and those who practise it has reached new and deadly heights, this volume hopes to introduce a wider audience to the roots of its culture. This story is a cameo set against the backdrop of Partition - a decision taken by political leaders in Britain and India that shattered the lives of ordinary people like the family in this narrative who at that time were living in Quetta, Baluchistan. Viewing victims of the Partition of Punjab in the light of post traumatic stress has been long overdue. The narrator's mother's method of coping with the

traumatic present was to escape into the past by reliving her memories of Quetta and her beloved Pathans along with the mundane, insignificant little details of the women's daily lives. Her recall hinges on the drama of the trivial, on food, rituals, clothes, religious practices and neighbourhood bonding. It was a syncretic culture, of multilinguism - Urdu, Punjabi and Seraiki, Persian and Sanskrit, of multiple identities through the biradaris - caste, mohalla and religion. The author's grandmother kept the Guru Granth Sahib at home, her mother and sisters practiced Hindu rituals, while her husband was an agnostic. And everyone made pilgrimages to Sufi pirs. **Japji** South Asia Books This eBook contains English translation of the Sikh Prayer, Sukhmani Sahib.
