One day, third-grade teacher Kyle Schwartz asked her students to fill-in-the-blank in this sentence: "I wish my teacher knew ____." The results astounded her. Some answers were humorous, others were heartbreaking-all were profoundly moving and

enlightening. The results opened her eyes to the need for educators to understand the unique realities their students face in order to create an open, safe and supportive place in the classroom. When Schwartz shared her experience online, #IWishMyTeacherKnew became an immediate worldwide viral phenomenon. Schwartz's book tells the story of #IWishMyTeacherKnew, including many students' emotional and insightful responses, and ultimately provides an invaluable

guide for teachers, parents, and communities.

Celebrating 30 years of the beloved classic *Owl Moon* from renowned children's book author Jane Yolen and Caldecott Medal-winning illustrator John Schoenherr! Late one winter night a little girl and her father go owling. The trees stand still as statues and the world is silent as a dream. Whoo-

whoo-whoo, the father calls to the mysterious nighttime bird. But there is no answer. Wordlessly the two companions walk along, for when you go owling you don't need words. You don't need anything but hope. Sometimes there isn't an owl, but sometimes there is. Distinguished author Jane Yolen has created a gentle, poetic story that lovingly depicts the special companionship of a young child and her father as well as humankind's close relationship to the natural

world. Wonderfully complemented by John Schoenherr's soft, exquisite watercolor illustrations, this is a verbal and visual treasure, perfect for reading aloud and sharing at bedtime.
