From subway to Broadway to happily ever after. Modern love in all its thrill, hilarity, and uncertainty has never been so compulsively readable as in New York Times bestselling author Christina Lauren's *Roomies*. Marriages of convenience are so...inconvenient. For months Holland Bakker has invented excuses to descend into the subway station near her apartment, drawn to the captivating music performed by her street musician crush. Lacking the nerve to actually talk to the gorgeous stranger, fate steps in one night in the form of a drunken attacker. Calvin Mcloughlin rescues her, but quickly disappears when the police start asking questions. Using the only resource she has to pay the brilliant musician back, Holland gets Calvin an

audition with her uncle, Broadway's hottest musical director. When the tryout goes better than even Holland could have imagined, Calvin is set for a great entry into Broadway—until his reason for disappearing earlier becomes clear: he's in the country illegally, his student visa having expired years ago. Seeing that her uncle needs Calvin as much as Calvin needs him, a wild idea takes hold of her. Impulsively, she marries the Irishman, her infatuation a secret only to him. As their relationship evolves and Calvin becomes the darling of Broadway—in the middle of the theatrics and the acting-not-acting—will Holland and Calvin realize that they both stopped pretending a long time ago?

The ninth work in the New York Times and #1 internationally bestselling series that started with Beautiful Bastard. In this e-novella, Will Sumner and Hanna Bergstrom (from Beautiful Player) find that a wedding and everlasting love were just the beginning. One Player tamed. One nerd girl satisfied. And one more major life decision to make. When Will fell for Hanna, her quirky sense of humor and fierce dedication to her career were part of the attraction. (Not to mention her coy newbie attitude toward sex and her willingness to let him teach her everything.) But when the job offers start rolling in for her—and oh, they do—Hanna has trouble deciding what she wants, where they should live, and how much she should burden Will with the decision. Magic between the sheets is only one part of a relationship...getting on the same page is quite another altogether.

BEAUTIFUL BASTARD, BEAUTIFUL BITCH, BEAUTIFUL BOMBSHELL, BEAUTIFUL BEGINNING Revell

The all-new scorching sequel to Beautiful Bastard! A charming British playboy. A girl determined to finally live. And a secret liaison revealed in all too vivid color. Escaping a cheating ex, finance whiz Sara Dillon's moved to New York City and is looking for excitement and passion without a lot of strings attached. So meeting the irresistible, sexy Brit at a dance club should have meant nothing more than a night's fun. But the manner—and speed—with which he melts her inhibitions turns him from a one-time hookup and into her Beautiful Stranger. The whole city

knows that Max Stella loves women, not that he's ever found one he particularly wants to keep around. Despite pulling in plenty with his Wall Street bad boy charm, it's not until Sara—and the wild photos she lets him take of her—that he starts wondering if there's someone for him outside of the bedroom. Hooking up in places where anybody could catch them, the only thing scarier for Sara than getting caught in public is having Max get too close in private.

aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel *Love and Other Words*...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many

years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

And so the couple find themselves with two plane tickets, one French villa, and a surprising conversation that, predictably, leaves them wrestling under the covers. Most men can't handle Hazel. But her best friend Josh isn't most men. Don't miss New York Times bestselling author Christina Lauren's new novel about two people who are definitely not dating...no matter how often they end up in bed together. Hazel Camille Bradford knows she's a lot to take—and frankly, most men aren't up to the challenge. If her army of pets and thrill for the absurd don't send them running, her lack of filter means she'll say exactly the wrong thing in a delicate moment. Their loss. She's a good soul in search of honest fun. Josh Im has known

Hazel since college, where her zany playfulness proved completely incompatible with his mellow restraint. From the first night they met—when she gracelessly threw up on his shoes—to when she sent him an unintelligible email while in a post-surgical haze, Josh has always thought of Hazel more as a spectacle than a peer. But now, ten years later, after a cheating girlfriend has turned his life upside down, going out with Hazel is a breath of fresh air. Not that Josh and Hazel date. At least, not each other. Because setting each other up on progressively terrible double blind dates means there's nothing between them...right?

Beautiful Beloved Simon and Schuster

In the third book in the Beautiful Bastard series, an agreement between a venture capitalist and a bookish woman quickly becomes a very NSFW version of My Fair Lady. A bombshell bookworm. When Hanna Bergstrom receives a lecture from her overprotective brother about neglecting her social life and burying herself in grad school, she's determined to tackle his implied assignment: get out, make friends, start dating. And who better to turn her into the sultry siren every man wants than her brother's gorgeous best friend, Will Sumner, venture capitalist and unapologetic playboy? Will takes risks for a living, but he's skeptical about this challenge of Hanna's...until the wild night his innocently seductive pupil tempts him into bed- and teaches him a thing or two about being with a woman he can't forget.
