Crank Palace Chicken House Missouri native Allen Eskens' "stunning small-town mystery" (New York Times Book Review) is a necessary exploration of family, loyalty, and racial tension in America and "a coming-of-age book to rival some of the best, such as Ordinary Grace" (Library Journal, starred review). In a small Southern town where loyalty to family and to "your people" carries the weight of a sacred oath, defying

those unspoken rules can be a deadly proposition. After fifteen years of growing up in the Ozark hills with his widowed mother, high-school freshman Boady Sanden is beyond ready to move on. He dreams of glass towers and cityscapes, driven by his desire to be anywhere other than Jessup, Missouri. The new kid at St. Ignatius High School, if he isn't being pushed around, he is being completely ignored. Even his beloved woods, his playground as a child and his sanctuary as he grew older, seem to be closing in on him, suffocating him. Then Thomas Elgin moves in across the road, and Boady's life begins to twist and turn. Coming to know the Elgins -- a black family settling into a community where notions of "us" and "them" carry the weight of history -- forces Boady to

rethink his understanding of the world he's taken for granted. Secrets hidden in plain sight begin to unfold: the mother who wraps herself in the loss of her husband, the neighbor who carries the wounds of a mysterious past that he holds close, the quiet boss who is fighting his own hidden battle. But the biggest secret of all is the disappearance of Lida Poe, the African-American woman who keeps the books at the local plastics factory. Word has it that Ms. Poe left town, along with a hundred thousand dollars of company money. Although Boady has never met the missing woman, he discovers that the threads of her life are woven into the deepest fabric of his world. As the mystery of her fate plays out, Boady begins to see the stark lines of race and class that both bind and

divide this small town -- and he will be forced to choose sides. Best Book of the Year: Florida Sun-Sentinel and Library Journal Finalist for the Minnesota Book Award

"A skillful mix of Bertie Wooster and James Bond . . . A thoroughgoing pleasure from beginning to end" (Booklist). From the multitalented British

actor, beloved for his roles on *Blackadder*, *Jeeves and Wooster*, and *House*, this is a spot-on spy spoof about hapless ex-soldier Thomas Lang, who is drawn unwittingly and unwillingly into the center of a dangerous plot of international terrorists, arms dealing, high-tech weapons, and CIA spooks. "There is mystery, intrigue, sex, and violence, all of which Lang tosses off with sarcastic wit and remarkable poise. Laurie's humor hits home. Although the subject is serious, even plausible, much of this comedy-thriller is laugh-out-loud funny." —Library Journal "Suspenseful, hilarious, witty, surprising, ridiculous, and pretty wonderful . . . A delightful novel." —The Washington Post Book World

Little do most know it's just a sparkly disguise, there to hide one panic attack at a time. Nobody can crack Gianna's facade . . . no one anyway, until he comes along. Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . . One

winter night and their lives intertwine. She hates him--his stone-cold demeanor, his arrogance and too-perceptive eye--but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to live to play with him. Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and married, but none of that can stop his eyes from following her wherever she goes. All along, she doesn't even know that she's his--his frustration, his fascination. His maddest obsession.*Can be read as a standalone
