Set in the 1920's Jazz Age on Long Island, *The Great Gatsby* chronicles narrator Nick Carraway's interactions with the mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, the beautiful Daisy Buchanan. First published in 1925, the book has enthralled generations of readers and is considered one of the greatest American novels.

Papyrus Simon and Schuster

In approximately seventy-two hours, a little known Middle Eastern terrorist group plans to bring about the end of the world, and a central aspect of their plan is the kidnapping of Martin Fabor, an undercover American scientist. His only hope for survival is his young wife, Julia Alvarez, a woman born with a rare psychic gift. Julia must find the courage to evade religious extremists and clandestine government agencies to save her husband.

Seven Nights Penguin

INTERNATIONAL BESTSELLER • 1.5 MILLION+ COPIES SOLD WORLDWIDE “Workers looking for more fulfilling positions should start by identifying their ikigai.” —Business Insider “One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life.” —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. “Only staying active will make you want to live a hundred years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you’re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai.

Because who doesn’t want to find happiness in every day?

Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' -Theodore Roosevelt Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly. 'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of *The Gifts of Imperfection* and *I Thought It Was Just Me* (but it isn't).

To make the journey into the Now we will need to leave our analytical mind and its false created self, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being. “The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death.” Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, *The Power of Now* is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

A Vineyard in Andalusia Anchor

“El punto de vista de María es poderoso y vital. Hace años, cuando In the Heights empezaba a presentarse en teatros off-Broadway, María corrió la voz en nuestra comunidad para que apoyáramos este nuevo musical que trataba sobre nuestros vecindarios. Ella ha sido una campeona de nuestros triunfos, una crítica de nuestros detractores y una fuerza clave para enfrentar y corregir los errores de nuestra sociedad. Cuando María habla, estoy listo para escuchar y aprender de ella.” —Lin-Manuel Miranda La periodista ganadora de cuatro premios Emmy y presentadora de Latino USA de NPR, María Hinojosa, cuenta la historia de la inmigración en los Estados Unidos a través de las experiencias de su familia y décadas de hacer reportajes, con lo cual crea un riguroso retrato de un país en crisis. María Hinojosa es una periodista galardonada que ha colaborado con las cadenas más respetadas y se ha distinguido por realizar reportajes con un toque humano. En estas memorias escritas con gran belleza, nos relata la historia de la política de inmigración de los EE.UU. que nos ha llevado al punto en que estamos hoy, al mismo tiempo que nos comparte su historia profundamente personal. Durante treinta años, María Hinojosa ha informado sobre historias y comunidades en los Estados Unidos que a menudo son ignoradas por los principales medios de comunicación. La autora de bestsellers Julia Álvarez la ha llamado “una de las líderes culturales más importantes, respetadas y queridas de la comunidad Latinx”. En *Una vez fui tú*, María nos comparte su experiencia personal de haber crecido como mexicanoamericana en el sur de Chicago y documentar el páramo existencial de los campos de detención de inmigrantes para los medios de comunicación que a menudo cuestionaban su trabajo. En estas páginas, María ofrece un relato personal y revelador de cómo la retórica en torno a la inmigración no solo ha influido en las actitudes de los estadounidenses hacia los extranjeros, sino que también ha permitido la negligencia intencional y el lucro a expensas de las poblaciones más vulnerables de nuestro país, lo que ha propiciado el sistema resquebrajado que tenemos hoy en día. Estas memorias honestas y estremecedoras crean un vívido retrato de cómo llegamos aquí y lo que significa ser una superviviente, una feminista, una ciudadana y una periodista que hace valer su propia voz mientras lucha por la verdad. *Una vez fui tú* es un llamado urgente a los compatriotas estadounidenses para que abran los ojos a la crisis de la inmigración y entiendan que nos afecta a todos. También disponible en inglés como *Once I Was You*.

The House on Mango Street Rodale Kids

The incomparable Borges delivered these seven lectures in Buenos Aires in 1977; attendees were treated to Borges' erudition on the following topics: Dante's *The Divine Comedy*, Nightmares, Thousand and One Dreams, Buddhism, Poetry, The Kabbalah, and Blindness.

Half Bad Hodder Education

Demetrio Rota, a garbage collector from Buenos Aires, sleeps in the afternoons and assembles puzzles at night before leaving for work. His daily life is mediocre and he keeps his balance through sheer exhaustion. However, through the puzzles, Demetrio inspects and sorts through his own memories. At the end of the journey through his history, the present seems to devour him, until he's left with only the emptiness of himself and his daily misery. A parable of memory and deterioration, Andrés Neuman's *Bariloche* juxtaposes the astonished memories of youth with a skeptical conscience; the impossible idealization of nature or first love with the moral and physical suffocation of the big city; being uprooted with returning to one's origins, with a language fascinated by both lyricism and rottenness.

Borderlands Argentine Literature

It is Sylvia's sixteenth birthday, and her life as an adult is about to begin—not with the party she had been planning, but with a car accident and a broken leg. Behind the wheel is a talented young soccer player, just arrived from Buenos Aires and set for stardom on and off the field. As their destinies collide and a young romance is set in motion, across town, Sylvia's father and grandfather are finding their own lives suddenly derailed by a violent murder and a secret affair with a prostitute. Set against the maze of Madrid's congested and contested streets, *Learning to Lose* follows these four individuals as they swerve off course in unexpected directions. Each of them is dodging guilt and the fear of failure, but their shared search for happiness, love, purity, redemption, and, above all, a way to survive, forms a taut narrative web that binds the characters together. From one of Spain's most celebrated contemporary writers, *Learning to Lose* is a lucid and gripping view into the complexities of lives overturned and into the

capriciousness of modern life, with its intoxicating highs and devastating lows.

#1 WORLDWIDE BESTSELLER • "Dr. Langdon is once again wrapped up in a global-scale event that could have massive ramifications on the world's religions. As he does in all his novels, Brown[']s extensive research on art, architecture, and history informs every page." —Entertainment Weekly Robert Langdon, Harvard professor of symbology, arrives at the ultramodern Guggenheim Museum Bilbao to attend the unveiling of a discovery that "will change the face of science forever." The evening's host is Edmond Kirsch, a forty-year-old billionaire and futurist, and one of Langdon's first students. But the meticulously orchestrated evening suddenly erupts into chaos, and Kirsch's precious discovery teeters on the brink of being lost forever. Facing an imminent threat, Langdon is forced to flee. With him is Ambra Vidal, the elegant museum director who worked with Kirsch. They travel to Barcelona on a perilous quest to locate a cryptic password that will unlock Kirsch's secret. Navigating the dark corridors of hidden history and extreme religion, Langdon and Vidal must evade an enemy whose all-knowing power seems to emanate from Spain's Royal Palace. They uncover clues that ultimately bring them face-to-face with Kirsch's shocking discovery...and the breathtaking truth that has long eluded us.

[In the Time of the Butterflies](#) Penguin

One of the twentieth century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. Rich and brilliant, it is a chronicle of life, death, and the tragicomedy of humankind. In the beautiful, ridiculous, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility, the variety of life, the endlessness of death, the search for peace and truth—these universal themes dominate the novel. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an account of the history of the human race.

[One Hundred Years of Solitude](#) Penguin UK

A sweeping historical epic by an author whose novels have sold over 6 million copies worldwide. 1861. A ruined silver-mine owner sets sail from Mexico City to seek his fortune in the New World. Mauro Larrera has just four months to pay his creditors, or his bankruptcy will be revealed and his family's honour will be in tatters. In magnificent Havana — home to beautiful women and dangerous men who deal in mysterious trades — he gambles what little he has left on what will become the greatest adventure of his life ... A Vineyard in Andalusia is a novel of glories and defeats; of silver mines, family secrets, vineyards, cellars, and splendid cities of faded grandeur; of unexpected passion, and love in the strangest of circumstances. Once again, María Dueñas' powerful storytelling and rich historical detail transport us to a faraway time and place, and on an unforgettable adventure of a lifetime.

[Críticas](#) New Directions Publishing

A masterful blend of Christian scholarship and thrilling adventure, *The Last Cato* is a novel about the race to find the secret location of the Vera Cruz, the True Cross on which Christ was crucified, and the ancient brotherhood sworn to protect it. Holy relics are disappearing from sacred spots around the world—and the Vatican will do whatever it takes to stop the thieves from stealing what is left of the scattered splinters of the True Cross. Brilliant paleographer Dr. Ottavia Salina is called upon by the highest levels of the Roman Catholic Church to decipher the scars found on an Ethiopian man's corpse: seven crosses and seven Greek letters. The markings, symbolizing the Seven Deadly Sins, are part of an elaborate initiation ritual for the Staufroflakes, the clandestine brotherhood hiding the True Cross for centuries, headed by a secretive figure called Cato. With the help of a member of the Swiss Guard and a renowned archaeologist, Dr. Salina uncovers the connection between the brotherhood and Dante's *Divine Comedy*, and races across the globe to Christianity's ancient capitals. Together, they will face challenges that will put their faith—and their very lives—to the ultimate test.

[Origin](#) Pocket Books

A rich exploration of the importance of books and libraries in the ancient world that highlights how humanity's obsession with the printed word has echoed throughout the ages • "Accessible and entertaining." —The Wall Street Journal Long before books were mass-produced, scrolls hand copied on reeds pulled from the Nile were the treasures of the ancient world. Emperors and Pharaohs were so determined to possess them that they dispatched emissaries to the edges of earth to bring them back. When Mark Antony wanted to impress Cleopatra, he knew that gold and priceless jewels would mean nothing to her. So, what did he give her? Books for her library—two hundred thousand, in fact. The long and eventful history of the written word shows that books have always been and will always be a precious—and precarious—vehicle for civilization. Papyrus is the story of the book's journey from oral tradition to scrolls to codices, and how that transition laid the very foundation of Western culture. Award-winning author Irene Vallejo evokes the great mosaic of literature in the ancient world from Greece's itinerant bards to Rome's multimillionaire philosophers, from

opportunistic forgers to cruel teachers, erudite librarians to defiant women, all the while illuminating how ancient ideas about education, censorship, authority, and identity still resonate today. Crucially, Vallejo also draws connections to our own time, from the library in war-torn Sarajevo to Oxford's underground labyrinth, underscoring how words have persisted as our most valuable creations. Through nimble interpretations of the classics, playful and moving anecdotes about her own encounters with the written word, and fascinating stories from history, Vallejo weaves a marvelous tapestry of Western culture's foundations and identifies the humanist values that helped make us who we are today. At its heart a spirited love letter to language itself, Papyrus takes readers on a journey across the centuries to discover how a simple reed grown along the banks of the Nile would give birth to a rich and cherished culture.

[Bariloche](#) Penguin

What could the Silk Road, the Sewers of Istanbul, Marco Polo, Mongolia and Holy Land have in common? That's what the main characters of "The Last Cato", Ottavia Salina and Farag Boswell, will have to find out, putting their lives at risk yet again to solve a mystery that begins in the first century AD. Written with accuracy and a rhythm that keeps readers in suspense page after page, chapter after chapter until the very end, "Cato's Return" is an ingenious combination of adventure and history with which Matilde Asensi once again draws us in and doesn't let us go until the last word.

Laudato Si' 'is Pope Francis' second encyclical which focuses on the theme of the environment. In fact, the Holy Father in his encyclical urges all men and women of good will, the rulers and all the powerful on earth to reflect deeply on the theme of the environment and the care of our planet. This is our common home, we must take care of it and love it - the Holy Father tells us - because its end is also ours.

[The Broken Spears](#) Matilde Asensi

NEW YORK TIMES BESTSELLER USA TODAY BESTSELLER Amazon, Apple, Facebook, and Google are the four most influential companies on the planet. Just about everyone thinks they know how they got there. Just about everyone is wrong. For all that's been written about the Four over the last two decades, no one has captured their power and staggering success as insightfully as Scott Galloway. Instead of buying the myths these companies broadcast, Galloway asks fundamental questions. How did the Four infiltrate our lives so completely that they're almost impossible to avoid (or boycott)? Why does the stock market forgive them for sins that would destroy other firms? And as they race to become the world's first trillion-dollar company, can anyone challenge them? In the same irreverent style that has made him one of the world's most celebrated business professors, Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers. He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves, at a speed and scope others can't match. And he reveals how you can apply the lessons of their ascent to your own business or career. Whether you want to compete with them, do business with them, or simply live in the world they dominate, you need to understand the Four.

[The Book of Snobs](#) Anchor

A riveting journey into the Amazonia in search of a lost civilization Over 800,000 copies sold by the so called 'Queen of the Spanish Adventure Fiction', one of the top writers in Spanish language, and author of the bestseller *The Last Cato* A strange disease has left Arnau's brother in a vegetative state. A hacker and computer businessman, Arnau Queralt undertakes an archeological research in order to find the cure for his brother's illness. Surprisingly, Arnau finds himself immersed in an exciting adventure that takes him to the Inca Empire, the ruins of Tiwanacu and the Amazon rainforest, following the trace of a lost civilization. Arnau and his friends, Marc and Lola, take the readers on a journey through knowledge, unearthing some of the uncovered mysteries of Humanity, the paradox of the Evolution Theory and the truth about the role Spanish Conquistadors really played in the Spanish colonization of the Americas. A fascinating novel that challenges the readers to take part in a guessing game, and whose key lies in discovering the power of words. The book has been successfully published in 4 countries: Italy, Portugal, Germany and Brazil.
