Letters from Yellowstone Penguin

The New York Times bestselling "skeptical environmentalist" argues that panic over climate change is causing more harm than good. Hurricanes batter our coasts. Wildfires rage across the American West. Glaciers collapse in the Arctic. Politicians, activists, and the media espouse a common message: climate change is destroying the planet, and we must take drastic action immediately to stop it. Children panic about their future, and adults wonder if it is even ethical to bring new life into the world. Enough, argues bestselling author Bjorn Lomborg. Climate change is real, but it's not the apocalyptic threat that we've been told it is. Projections of Earth's imminent demise are based on bad science and even worse economics. In panic, world leaders have committed to wildly expensive but largely ineffective policies that hamper growth and crowd out more pressing investments in human capital, from immunization to education. *False Alarm* will convince you that everything you think about climate change is wrong -- and points the way toward making the world a vastly better, if slightly warmer, place for us all.

*The Uninhabitable Earth* HarperCollins

Jack throws the fastest pitches in the league, but lately his blazing fastballs haven't been enough to stay ahead of the batters. His coach wants him to slow down and learn new pitches to throw strikes. A former college player has offered to help, but Jack's eyes are still on the radar gun. Can Jack resist bringing the heat?

*Force Out* Harper Collins

From #1 New York Times bestseller Mike Lupica! It's simple. All Billy Raynor wants to do is shoot. After all, he is one of the best shooters in the league. But with his dad as his coach, and his parents newly separated, somehow everything's become complicated. His brother Ben hardly talks anymore. His mom is always traveling on business. And his dad is always on his case about not being a team player. But when Ben's piano recital falls on the same day as the championship game, it's Billy who teaches his dad the meaning of being a team player.

*Final Season* Bloomsbury Publishing USA

The #1 Bestseller! Michael Arroyo has a pitching arm that throws serious heat along with aspirations of leading his team all the way to the Little League World Series. But his firepower is nothing

compared to the heat Michael faces in his day-to-day life. Newly orphaned after his father led the family's escape from Cuba, Michael's only family is his seventeen-year-old brother Carlos. If Social Services hears of their situation, they will be separated in the foster-care system—or worse, sent back to Cuba. Together, the boys carry on alone, dodging bills and anyone who asks too many questions. But then someone wonders how a twelve-year-old boy could possibly throw with as much power as Michael Arroyo throws. With no way to prove his age, no birth certificate, and no parent to fight for his cause, Michael's secret world is blown wide open, and he discovers that family can come from the most unexpected sources. Perfect for any Little Leaguer with dreams of making it big—as well as for fans of Mike Lupica's other New York Times bestsellers *Travel Team*, *The Big Field*, *The Underdogs*, *Million-Dollar Throw*, and *The Game Changers* series, this cheer-worthy baseball story shows that when the game knocks you down, champions stand tall.

*Football Genius with Bonus Material* Random House

New York Times bestselling author Tim Green has written an unforgettable story—inspired by interviews with real-life cancer survivors and insider sports experience—showing a brave boy who learns what it truly means to be unstoppable. "Absolutely heroic, and something every guy should read." — National Ambassador for Young People's Literature emeritus Jon Scieszka If anyone understands the phrase "tough luck," it's Harrison. As a foster kid in a cruel home, he knows his dream of one day playing in the NFL is a long shot. Then Harrison is brought into a new home with kind, loving parents—his new dad is even a football coach. Harrison's big build and his incredible determination quickly make him a star running back on the junior high school team. On the field, he's practically unstoppable. But Harrison's good luck can't last forever. When a routine sports injury leads to a devastating diagnosis, it will take every ounce of Harrison's determination not to give up for good. With hundreds of thousands of devoted readers, Tim Green's books are the perfect mix of accessible and heartwarming. "I don't know anyone—kid or adult—who won't root heart and soul for Harrison. Unstoppable means you can't put this book down!" —bestselling author Gordon Korman

*Left Out* "O'Reilly Media, Inc."

From New York Times bestselling author and former NFL player Tim Green comes a baseball book

pulsing with action. Baseball Great offers a baseball story attuned to today's headlines, a totally involving, character-driven, sports-centered thriller. Perfect for fans of Mike Lupica. As a young reviewer on Brightly.com said: "Great book with many exciting, surprising events that make you want to keep reading." When the school paper calls him "Grant Middle's best hope for its first-ever city-wide championship," Josh feels like he's starting to get noticed—in good and bad ways. Seeing Josh's talent, his father drags him out of the school baseball tryouts and gets him in the running for the Titans, the local youth championship team coached by Rocky Valentine. All Josh really wants to do is play ball, but now Rocky wants him to gulp down protein shakes and other supplements. Suspicious, Josh and his new friend, Jaden, uncover a dangerous secret—and catch the attention of one man who will do anything to keep them from exposing it.

**\*\*INSTANT #1 NEW YORK TIMES BESTSELLER\*\*** From New York Times bestselling author and former NFL player Tim Green comes a gripping, deeply personal standalone football novel about a star middle school quarterback faced with a life-changing decision after his dad is diagnosed with ALS. Perfect for fans of Mike Lupica! With two all-star college football players for brothers and a former Atlanta Falcons defensive lineman for a father, it is only natural for sixth-grade quarterback Benjamin Redd to follow in their footsteps. However, after his dad receives a heartbreaking ALS diagnosis—connected to all those hard hits and tackles he took on the field—Ben's mom becomes more determined than ever to get Ben to quit football. Ben isn't playing just for himself though. This might be his dad's last chance to coach. And his teammates need a quarterback that can lead them to the championships. But as Ben watches the heavy toll ALS takes on his dad's body, he begins to question if this should be his final season after all.

THE GREAT GATSBY Simon and Schuster

Josh is still flying high from his team's tournament win at Cooperstown when his parents start talking about a divorce. Now his dad is challenging him to play the best of the best at the Little League

World Series in Williamsport, Pennsylvania. But does he just want to get Josh out of the way? Two things are sure: His father's new girlfriend, Diane, is looking to change things, and Josh is determined to get her and her terrible son out of his life. With the help of Benji and Jaden, Josh races to get the facts that can keep his family together—but it's ever harder to concentrate on the game and make the winning plays that will lead his team to victory. In his compelling style, Tim Green delivers great sports action and more—a fast-paced adventure about friendship, the power of becoming a team, and finding a way to get what you need when you can't have what you want.

*Hot Hand* Harper Collins

Ty Lewis can't believe it when Coach V recruits him for the football team. This is Ty's big chance to prove how fast he is on the field, get a fresh start in a new school, and be like his older brother, Thane "Tiger" Lewis, who's about to graduate from college—and is being courted by the NFL. But Ty's guardian, Uncle Gus, won't let him play. Uncle Gus needs Ty to scrub floors and toilets for his cleaning business while he cooks up gambling schemes with the local mob boss, a man called "Lucy." When Lucy hears just how famous Ty's older brother is, he becomes suddenly friendly. Are the questions Lucy is asking Ty really about fantasy football . . . or is the Mafia using Ty to get valuable insider info from his superstar brother? Desperately worried, Ty must come up with a plan to save Thane's football career—and, ultimately, his life. Author of the New York Times bestselling *Football Genius*, former NFL player Tim Green will have you on the edge of your seat rooting for Ty—and enjoying an up-close look at what it's like to be inside the NFL.

*Deep Zone* Penguin

A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, *The Things They Carried* is a ground-breaking meditation on war, memory, imagination, and the redemptive power of storytelling. *The Things They Carried* depicts the men of Alpha Company: Jimmy Cross, Henry Dobbins, Rat Kiley, Mitchell Sanders, Norman Bowker, Kiowa, and the character Tim O'Brien, who has survived his tour in Vietnam to become a father and writer at the age of forty-three. Taught everywhere—from high school classrooms to graduate seminars in creative writing—it has become required reading for any American and continues to challenge readers in their perceptions of fact and fiction, war and peace, courage and fear and longing. *The Things They Carried* won France's prestigious Prix du Meilleur Livre Etranger and the Chicago Tribune Heartland Prize; it was also a finalist for the Pulitzer Prize and the National Book Critics Circle Award.

**#1 NEW YORK TIMES BESTSELLER** • "The Uninhabitable Earth hits you like a comet, with an overflow of insanely lyrical prose about our pending Armageddon."—Andrew Solomon, author of *The Noonday Demon* With a new afterword It is worse, much worse, than you think. If your anxiety about global warming is dominated by fears of sea-level rise, you are barely scratching the surface of what terrors are possible—food shortages, refugee emergencies, climate wars and economic devastation. An "epoch-defining book" (*The Guardian*) and "this generation's *Silent Spring*" (*The Washington Post*), *The Uninhabitable Earth* is both a travelogue of the near future and a meditation on how that future will look to those living through it—the ways that warming promises to transform global politics, the meaning of technology and nature in the modern world, the sustainability of capitalism

and the trajectory of human progress. The Uninhabitable Earth is also an impassioned call to action. For just as the world was brought to the brink of catastrophe within the span of a lifetime, the responsibility to avoid it now belongs to a single generation—today's. Praise for The Uninhabitable Earth "The Uninhabitable Earth is the most terrifying book I have ever read. Its subject is climate change, and its method is scientific, but its mode is Old Testament. The book is a meticulously documented, white-knuckled tour through the cascading catastrophes that will soon engulf our warming planet."—Farhad Manjoo, The New York Times "Riveting. . . . Some readers will find Mr. Wallace-Wells's outline of possible futures alarmist. He is indeed alarmed. You should be, too."—The Economist "Potent and evocative. . . . Wallace-Wells has resolved to offer something other than the standard narrative of climate change. . . . He avoids the 'eerily banal language of climatology' in favor of lush, rolling prose."—Jennifer Szalai, The New York Times "The book has potential to be this generation's Silent Spring."—The Washington Post "The Uninhabitable Earth, which has become a best seller, taps into the underlying emotion of the day: fear. . . . I encourage people to read this book."—Alan Weisman, The New York Review of Books

#### **Million-Dollar Throw** Crown

New York Times bestselling author and former NFL player Tim Green tells a heartfelt and moving story about a deaf boy's journey to change how others see him—both on and off the football field. Perfect for fans of Mike Lupica. Landon Dorch wants to be like everyone else. But his deafness and the way he talks have always felt like insurmountable obstacles. But now he finally sees his chance to fit in. Bigger and taller than any other seventh grader in his new school, Landon plans to use his size to his advantage and join the school's football team. But the same speech problems and the cochlear implants that help him hear continue to haunt him. Just when it looks like Landon will be left out of football for good, an unlikely friend comes along. But in the end only Landon can fight his way off the bench and through a crowded field of bullies bent on seeing him forever left out.

#### Tim and Eric's Zone Theory Harper Collins

#1 NEW YORK TIMES BESTSELLER • The game-changing author of Tribe of Mentors teaches you how to reach your peak physical potential with minimum effort. "A practical crash course in how to reinvent yourself."—Kevin Kelly, Wired Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. The 4-Hour Body is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It's the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it's all here, and it all works. You will learn (in less than 30 minutes each): • How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails • How to prevent fat gain while bingeing over the weekend or the holidays • How to sleep 2 hours per day and feel fully rested • How to produce 15-minute female orgasms • How to triple testosterone and double sperm count •

How to go from running 5 kilometers to 50 kilometers in 12 weeks • How to reverse "permanent" injuries • How to pay for a beach vacation with one hospital visit And that's just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don't need better genetics or more exercise. You need immediate results that compel you to continue. That's exactly what The 4-Hour Body delivers.
