Well, this book is great at parts, and really annoying at others. Start with the annoying parts so I can move to the great ones. Gary Vaynerchuk mentions his previous book like half a million times, everybody in the book mentions that book as well, and thank Gary, and God for writing this super super awesome book. It goes like this: and then read his book *Crush It!* and his life changed of course.
Crushing It!: How Great Entrepreneurs Build Their Business ...
Gary is a masterful entrepreneur with a gift for communication that cuts through all the bullshit that can often hinder one's success. We share the same simplistic business philosophy which is why we've become good friends: Be willing to put in the hard work. And always be grateful.
