Littlefield Alabama's covered bridges are reminiscent of a more romantic time, when people rode in horse-drawn buggies and couples stole kisses beneath their roofs. But they are also keepers of history--structures built by former slaves and Civil War soldiers. Such places are steeped in legend, including tales of ghostly children and the hanging of a sheriff turned outlaw. Just eleven historic covered bridges survive in Alabama--the oldest dating to the 1850s--but dozens of more recently constructed spans dot the landscape. Wil Elrick and Kelly Kazek provide photos and detailed information on more than fifty Alabama bridges,

reveal the fate of the state's lost bridges and delve into the haunting legends surrounding these nostalgic structures.

Guide to the South's Quirkiest Roadside Attractions, A Pelican Publishing

In 1833, a New Hampshire industrialist named Daniel Pratt moved south. Pratt established the largest cotton gin factory in the world and, with it, a town known fittingly as Prattville. Soon this humble hamlet outside Montgomery became an industrial hub, fueling Alabama's antebellum cotton production. Prattville weathered the Civil War and recovered faster than any other Alabama town, as Pratt collected on debts owed from his Northern accounts. Since then,

Prattville has continued to grow in important ways, gradually shifting from an industrial epicenter to a forward-looking city and a beloved hometown. Through floods, tornadoes, damaging fires and shifting economic conditions, Prattville and its townspeople endured. Now, authors Marc and Melissa Parker ensure that Prattville's history will also endure by recounting the Fountain City's proud heritage.

Alabama Off the Beaten Path® Rowman & Littlefield
Amazing Alabama: A Potpourri of Fascinating Facts, Tall Tales and Storied Stories chronicles a brief history of the state, famous personages associated

with Alabama, a discussion of state firsts, unique occurrences, antiquated laws and other fascinating topics.

Louisiana Off the Beaten Path® Rowman & Littlefield

Tired of the same old tourist traps? Whether you're a visitor or a local looking for something different, let "Alabama Off the Beaten Path" show you the Alabama you never knew existed. Go spelunking and discover stalagmite formations at Cathedral Caverns. Take a walk through history at Fort Morgan then hop the Mobile Bay Ferry for Fort Gaines. This book offers an inside look at over 25 interesting and unusual episodes that shaped the history of the Cotton State.

This Is My South Insiders' Guide (CT)

Discover Alabama's curious underside with this oddly entertaining little guide! Travelers with a taste for the bizarre, tacky, and hilarious can visit the Coon Dog Cemetery, learn about the cattle-mutilation mystery, view the world's largest boll weevil, and sip Kudzu Tea. Only a true Southerner could capture the essence of

these and other authentic Alabama phenomena, and Andy Duncan does his home state proud.

Exploring Wild

Alabama Simon and Schuster

Alabama is a weird and wonderful place with a colorful history steeped in folk tales passed from generation to generation. Mysterious 1989 UFO sightings brought more than 4,000 visitors to the tiny town of Fyffe, population 1,300.

Legends of the Alabama White Thang--an elusive, hairy creature with a shrill shriek--persisted in the state for a century. Just outside Huntsville's historic Maple Hill Cemetery lies an eerie playground where the ghosts of departed children are rumored to play in the dead of

night. After hundreds of unexplained sightings, the town of Evergreen declared itself the Bigfoot Capital of Alabama. Join author Wil Elrick as he explores the history behind some of the Cotton State's favorite tales.

the Pelican State you never knew existed. Grab a quick bite (to eat) and a peek at the baby vampire bats at the Transylvania General Store; ride over a pirate pistol adorned bridge to swashbuckler Jean Lafitte's stomping grounds; or walk through a colorful garden of good and evil in the Chauvin Sculpture Garden. So if you've been there, done that one too many times, get off the main road and venture Off the Beaten Path." Alabama Off the Beaten Path Rowman & Littlefield A hike for every interest and ability! Alabama has so many great hikes to offer, including those in national and state parks and forests and in national wildlife

refuges. In this book, the emphasis is on the most scenic destinations and unique places that help make Alabama so beautiful, like the rock formations of the Wall of Jericho, or the dunes of Bon Secour. Many hikes described here are off-the-beaten-path treks to lesser-known sites such as Needles Eye and Blue Spring; they show visitors the state's wide range of beauty and biodiversity. Others take place at various spots along the Pinhoti Trail, the master path through Alabama's mountains.

Louisiana Insiders' Guide (CT)

An expansive and accessible primer on Alabama state politics, past and present, which provides an in-depth appreciation and

understanding of the twenty-second state's distinctive political machinery. Why does Alabama rank so low on many of the indicators of quality of life? Why did some of the most dramatic developments in the civil rights revolution of the 1960s take place in Alabama? Why is it that a few interest groups seem to have the most political power in Alabama? William H. Stewart's *Alabama Politics in the Twenty-First Century* explores these questions and more, illuminating many of the often misunderstood details of contemporary Alabama politics in this cohesive and comprehensive publication. The Alabama state government, especially

as a specimen of Deep South politics, is a topic of frequent discussion by its general public—second only to college football. However, there remains a surprising lack of literature focusing on the workings of the state’s bureaucracy in an extensive and systematic way. Bearing in mind the Yellowhammer State’s long and rich political history, Stewart concentrates on Alabama’s statecraft from the first decade of the twenty-first century through the November 2010 elections and considers what the widespread Republican victories mean for their constituents. He also studies several different themes prominent during the 2010 elections,

including the growing number and influence of special interest groups, the respective polarization of whites and blacks into the Republican and Democratic parties, and the increasingly unwieldy state constitution. This fascinating and revealing text provides a wealth of information about an extremely complex state government. Featuring detailed descriptions of important concepts and events presented in a thorough and intelligible manner, *Alabama Politics in the Twenty-First Century* is perfect for scholars, students, everyday Alabamians, or anyone who wants the inside scoop on the subtle inner workings of the Cotton State’s politics.
