CHERUB VOL 2, Book 3 Independently Published

In September 1869, two young speculators, Jay Gould and Jim Fisk, Jr., undertook perhaps the most audacious financial operation in

American history - the cornering of the national gold supply. Fisk and Gould manipulated prices to the point that legitimate commerce froze to a halt. When the federal Treasury finally broke the corner on Black Friday, September 24, the price of \$100 gold coin fell from \$160 to \$130 in fifteen minutes, sparking a national financial panic, a stock market depression, and the bankruptcy of major trading houses. The scandal reached the very household of President Ulysses Grant, and only the intervention of their friend, Boss Tweed of Tammany Hall, saved Fisk and Gould from personal ruin. *CHERUB VOL 2, Book 5* Boston Brahmin Bundel korte verhalen

CHERUB: New Guard: Book 17 Mariner Books
Plunge into a thrilling adventure tracking domestic terrorists in book 7 of the acclaimed Maggie O'Dell series, from New York Times bestselling author Alex Kava. America. They think the equipment in their backpacks will disrupt stores' computer systems, causing delays and chaos, disrupting capitalism, if only for a moment. What they don't realize is that instead of jamming devices, their backpacks contain explosives. And they're about to become unwitting suicide bombers. FBI profiler Maggie O'Dell must put her own political troubles aside to work with Nick Morrelli and figure out who's behind this terrorist plot—a massacre that's all the more frightening when a tip reveals that Maggie's brother is one of the doomed protestors.
