When Life Gets Too Hard to Stand, Kneel You are called to be a prayer warrior. But which name should you call upon? God has more than one name—each represents a different aspect of His character. In this book, Dr. Tony Evans provides tools to transform your prayer life as you get to know God in new ways. You will... experience God as Jehovah Jireh, "the Lord will provide." allow God to be El Simchatch Gili, "God my exceeding joy." make God Your Jehovah Ori, "the Lord my light." know peace through Jehovah Shalom, "the Lord our peace." take God as your power source as Jehovah Uzzi, "the Lord my strength." make wiser decisions by sitting at the feet of Peleh Yo'etz, "Wonderful Counselor." Revitalize your prayer life by connecting your needs with the characteristics of God's names!

In a good congregation, we hope to learn from the Bible, praise our Creator, and have the opportunity to serve Him or at least put into practice the ministry or ministries assigned to us by Him. Unfortunately, for many, it has not been a reality to obtain all the necessary teachings to reach a spiritual maturity in their persons. The Word of God is why all things have been created. In the same way, it is our responsibility to investigate and scrutinize the scriptures to obtain knowledge of everything created by Him. In the basic exposition of this book, every reader is offered knowledge that has been carefully researched and lived by the author and other great servants (1 Thess. 5:21). In the same way, these messages impart knowledge that for a great majority of Christians are located in a box—the box may be ignorance, indifference, forgetfulness, or disbelief toward the biblical Word and even toward God Himself. Nothing should be more significant

to a follower of Christ than His word (2 Tim. 3:16-17). Let the Word of God be the only guide in your daily life.

For those chosen, the Joseph-Daniel calling requires "something more." The "something more" marks true Kingdom leadership with a maturity that endures. It demands a cost far beyond spoon feeding, or the good intentions, ambitions, or any other notion of man. While the more easily digestible milk mode referred to in Hebrews comes primarily from absorbing information, the meat or proactive mode to maturity takes time, dedication and a first-priority commitment. It is the dividing asunder between the many who are called and the few who are chosen. This book outlines a pathway to steward your calling. It is not designed for those focused on their comforts, the lusts of the flesh or the love of the world. If taken seriously and acted on; it will release the meat of maturity leading to "something more" than might ever come from the best of human efforts.

Many believe prayer combined with fasting is an archaic discipline practiced only by early believers. Yet together, prayer and fasting form a powerful tool for helping us to overcome evil, achieve wholeness, and experience revival. The benefit of prayer and fasting are both physical and spiritual. In fact, this combination is important to believers in every age because it: Inspires spiritual cleansing through intense contact with the Lord. Makes us more sensitive to the Holy Spirit's leading. Creates energy, tightens focus, and unifies groups of people. Promotes healing within the body. Breaks spiritual yokes of bondage. Revives our spirits to serve God. This informative biblical guide provides not only the "why" of fasting, but also the "how-to," including how long to fast, ways to make fasting and prayer sessions deeply effective, and inspirational thoughts for meditation on those days. Most of all, it will remind you that this ancient tradition still brings believers closer to God-galvanizing spiritual growth while enhancing physical health.

For author Brenda Stanford Southerland, honoring the Father through prayer is more valuable than gold or silver, and it truly yields precious rewards. In *Honoring the Father through Prayer*, she presents a guided study of the book of Isaiah to show how prayers can greatly impact the lives of Christians. The book of Isaiah, often referred to as the mini-Bible with its sixty-six chapters, demonstrates the importance of prayer and studying Isaiah yields rich fruit. With emphasis on biblical examples, Brenda helps Christians by delivering a model for prayer. Her model: - teaches about Isaiah the man, a prophet of God - provides a perspective on Israel's historical background-national and international - discusses the prophecy of Babylonian exile - explores God's grace through divine deliverance and restoration - delivers a true perspective on prayer as it relates to honoring God, focusing on God as the Father, and - describes the prayer guidelines that are divine instructions to create a practical method of daily prayer. In *Honoring the Father through Prayer*, Brenda helps Christians focus on God and facilitates a more meaningful prayer life to change lives and deepen relationships with God.
