From the award-winning, internationally acclaimed Israeli author, a suspenseful and poignant story of a family coping with the sudden mental decline of their beloved husband and father--an engineer who they discover is involved in an ominous secret military project Until recently, Zvi Luria was a healthy man in his seventies, an engineer living in Tel Aviv with his wife, Dina, visiting with their two children whenever possible. Now he is showing signs of early dementia, and his work on the tunnels of the Trans-Israel Highway is no longer possible. To keep his mind sharp, Zvi decides to take a job as the unpaid assistant to Asael Maimoni, a young engineer involved in a secret military project: a road to be built inside the massive Ramon Crater in the northern Negev Desert. The challenge of the road, however, is compounded by strange circumstances. Living secretly on the proposed route, amid ancient Nabatean ruins, is a Palestinian family under the protection of an enigmatic archaeological preservationist. Zvi rises to the occasion, proposing a tunnel that would not dislodge the family. But when his wife falls sick, circumstances begin to spiral . . . The Tunnel--wry, wistful, and a tour de force of vital social commentary--is Yehoshua at his finest.

The World Saved by Kids Edizioni DrawUp

The Periodic Table is largely a memoir of the years before and after Primo Levi's transportation from his native Italy to Auschwitz as an anti-Facist partisan and a Jew. It recounts, in clear, precise, unflinching beautiful prose, the story of the Piedmontese Jewish community from which Levi came, of his years as a student and young chemist at the inception of the Second World War, and of his investigations into the nature of the material world. As such, it provides crucial links and backgrounds, both personal and intellectual, in the tremendous project of remembrance that is Levi's gift to posterity. But far from being a prologue to his experience of the Holocaust, Levi's masterpiece represents his most impassioned response to the events that engulfed him. The Periodic Table celebrates the pleasures of love and friendship and the search for meaning, and stands as a monument to those things in us that are capable of resisting and enduring in the face of tyranny.

Dubliners is a book of an Irish writer James Augustine Aloysius Joyce. This is a collection of stories, written in a slightly impressionistic way, in which a life of citizens of the Ireland's capital city, so-called "middle-level gentlemen", is described. It is the top of an Irish realistic literature of the beginning of the twentieth century. Joyce made it his aim to "write a chapter of a spiritual history of his nation."

Diary Of A Young Girl Einaudi

The Man Who Broke into Auschwitz is the extraordinary true story of a British soldier who marched willingly into the concentration camp, Buna-Monowitz, known as Auschwitz III. In the summer of 1944, Denis Avey was being held in a British POW labour camp, E715, near Auschwitz III. He had heard of the brutality meted out to the prisoners there and he was determined to witness what he could. He hatched a plan to swap places with a Jewish inmate and smuggled himself into his sector of the camp. He spent the night there on two occasions and experienced at first-hand the cruelty of a place where slave workers, had been sentenced to death through labor. Astonishingly, he survived to witness the aftermath of the Death March where thousands of prisoners were murdered by the Nazis as the Soviet Army advanced. After his own long trek right across central Europe he was repatriated to Britain. For decades he couldn't bring himself to revisit the past that haunted his dreams, but now Denis Avey feels able to tell the full story—a tale as gripping as it is moving—which offers us a unique insight into the mind of an ordinary man whose moral and physical courage are almost beyond belief.

The House by the Medlar Tree is a realist work concerning Sicilian life and the dangers of economic and social turmoil. The story focuses on the hardworking and happy Malavoglia family that borrows money from a local lender against unreceived cargo, they wish to resell. When it is lost at sea, the family attempts everything in their power to repay the debt. Several setbacks follow as the family faces trouble from every quarter. Whatever

dreams the family formulated over three generations, they witness them destroyed and struggle to make ends meet. This story of the family of fishermen is set in Aci Trezza, a small Sicilian village near Catania, where life revolves around constant gossip about honor, money, and marriage. The novel maintains a choral element and portrays characters that are united by the same culture but divided by ancient feuds. The tone is kept light through the irony with which the author depicts the characters and their peculiarities. The story is a remarkable portrayal of the life of an unlucky family in a Sicilian village and is full of sorrow, loss, warmth, and redemption.

Selected as a Book of the Year 2016 in the Guardian Reunion is a little-known but perfect novel with fans including Ian McEwan, John Boyne, Deborah Moggach, David Nicholls, Meg Rosoff and Sarah Perry. On a grey afternoon in 1932, a Stuttgart classroom is stirred by the arrival of a newcomer. Middle-class Hans is intrigued by the aristocratic new boy, Konradin, and before long they become best friends. It's a friendship of the greatest kind, of shared interests and long conversations, of hikes in the German hills and growing up together. But the boys live in a changing Germany. Powerful, delicate and daring, *Reunion* is a story of the fragility, and strength, of the bonds between friends. 'Exquisite' Guardian 'I loved *Reunion* and found it very moving' John Boyne

Il Purgatorio Strelbytskyy Multimedia Publishing

A representative text of a milieu marked by student protests and aspirations for moral and political renewal. First published in Italian in 1968, *The World Saved by Kids* was written in the aftermath of deep personal change and in the context of what Elsa Morante called the "great youth movement exploding against the funereal machinations of the organized contemporary world." Morante believed that it was only the youth who could truly hear her revolutionary call. With the fiftieth anniversary of the tumultuous events of 1968 approaching, there couldn't be a more timely moment for this first English translation of Morante's work to appear. Greeted by Antonio Porta as one of the most important books of its decade, *The World Saved by Kids* showcases Morante's true mastery of tone, rhythm, and imagery as she works elegy, parody, storytelling, song, and more into an act of linguistic magic through which Gramsci and Rimbaud, Christ and Antigone, Mozart and Simone Weil, and a host of other figures join the sassy, vulnerable neighborhood kids in a renewal of the word's timeless, revolutionary power to explore and celebrate life's insoluble paradox. Morante gained international recognition and critical acclaim for her novels *History*, *Arturo's Island*, and *Aracoeli*, and *The World Saved By Kids* may be her best book and the one that most closely represents her spirit.

The Exile of the Word, from the Silence of the Bible to the Silence of Auschwitz Simon and Schuster

Winner of the National Jewish Book Award in the Holocaust category A monumental work of nonfiction on a wartime atrocity, its sixty-year denial, and the impact of its truth Jan Gross's hugely

controversial *Neighbors* was a historian's disclosure of the events in the small Polish town of Jedwabne on July 10, 1941, when the citizens rounded up the Jewish population and burned them alive in a barn. The massacre was a shocking secret that had been suppressed for more than sixty years, and it provoked the most important public debate in Poland since 1989. From the outset, Anna Bikont reported on the town, combing through archives and interviewing residents who survived the war period. Her writing became a crucial part of the debate and she herself an actor in a national drama. Part history, part memoir, *The Crime and the Silence* is the journalist's account of these events: both the story of the massacre told through oral histories of survivors and witnesses, and a portrait of a Polish town coming to terms with its dark past. Including the perspectives of both heroes and perpetrators, Bikont chronicles the sources of the hatred that exploded against Jews and asks what myths grow on hidden memories, what destruction they cause, and what happens to a society that refuses to accept a horrific truth. A profoundly moving exploration of being Jewish in modern Poland that Julian Barnes called "one of the most chilling books," *The Crime and the Silence* is a vital contribution to Holocaust history and a fascinating story of a town coming to terms with its dark past.

E difficile parlare di sé Giulio Einaudi Editore

Essere cattolici praticanti non include la pedissequa e acritica condivisione di qualsiasi scelta, decisione o atto che caratterizzano e connotano la storia della Chiesa di Roma. Il libro è una ferma e decisa analisi di tutti i momenti in cui la cattolicità persegue in modo sconsiderato quelle derive che, già dal terzo secolo in poi, hanno reso sempre più evanescenti le orme del Maestro. La metanoia del Cristo è stata sopraffatta da un fitto apparato dottrinale, dogmatico e comportamentale, quale intrigo di fatti, logiche e aspirazioni materiali più che misticospirituali. Pessimismo per un futuro migliore: solo la Parusia può salvare l'uomo.

Di ebrei, di cose ebraiche e del resto (1976-1983) Verso Books

"La parola ebreo" di Rosetta Loy ci riporta al clima degli anni in cui la sua famiglia, cattolica, e una certa borghesia italiana, accettarono le leggi razziali senza avere coscienza della tragedia che si stava compiendo. L'autrice ritrova i segni misteriosi e ambigui di quella quotidianità vissuta al riparo della storia e si insinua nelle pieghe dei fatti raccontando, con l'aiuto di lettere, dichiarazioni, discorsi, i passaggi cruciali di un periodo in cui nessuno è stato capace di opporsi alla follia nazista. 1775—The conflict between the British Empire and the American colonies erupts in all-out war. Rebels and loyalists to the British Crown compete for an alliance with the Six Nations of the Iroquois, the most powerful Indian confederation, boasting a constitution hundreds of years old. In the Mohawk River Valley, Native Americans and colonists have co-existed for generations. But as the thunder of war approaches and the United States struggles violently into existence, old bonds are broken, friends and families are split by betrayal, and this mixed community is riven by hatred and resentment. To save his threatened world, the Mohawk war chief Joseph Brant sets off in a restless journey that will take him from New York to the salons of Georgian London at the heart of the British Empire.
