In *The Power of Vision*, George Barna invites church leaders to discover the power of God's vision for ministry. Readers will learn: how God has shared His vision throughout history, how vision is different than mission, common practices and beliefs that inhibit true vision, practical steps toward practicing God's unique vision for them and ways to share and promote congregational ownership of the vision. Barna's word to all Christian leaders: Uncovering God's vision for your ministry is not an option. As Barna clearly states, "To minister authentically and authoritatively, you must first clarify your vision, then embrace it and make it the focus of your life's work and the heartbeat of your church." Vision is the insight God provides to instruct and direct our paths, a reflection of what God wants to accomplish through us in building His kingdom. With this clear picture, from Him, of where you are headed, your chances of a successful journey are increased a thousandfold.

These, Bishop Kirk's Bampton Lectures of 1928, have been recognised as amongst the most important and readable works of moral theology published in the twentieth century. They provide a reasoned justification for the centrality of worship in Christian life, within the context of moral theology and ecclesiastical history. Concentrating on the development of ascetical theology in the early church, Kirk asks, 'Are rigorism, self-abnegation and world-flight no more than obsolete ideals of other days, or have they too an underlying principle of which the Church and the Christian are still in need?' Despite the massive learning on which it is based, Kirk's study of the Christian doctrine of the summum bonum never loses its way in a labyrinth of detail.

In a search to understanding the "four living creatures" in the fourth chapter of the book of "Revelation", I felt I needed to know more about the "one sitting on the throne". In Ezekiel chapter one, the prophet said he saw "visions of God" and later in the chapter went on to say, "this was the appearance of the likeness of the glory of the Lord." I came to the conclusion that the one sitting on the throne is God and that He is the Supreme Moral Authority, the Supreme Intelligence, and the Ultimate Source of all Energy.

"Useful men are some of the greatest blessings of a people. To have many such is more for a people's happiness than almost anything, unless it be God's own gracious, spiritual presence amongst them; they are precious gifts of heaven." Certainly one of the most useful men in evangelical history was the man who preached those words, pastor and theologian Jonathan Edwards. Commemorating his 300th birthday, general editors John Piper and Justin Taylor chose ten essays that highlight different aspects of Edwards's life and legacy and show how his teachings are just as relevant today as they were three centuries ago. Even within the church, many people know little more about Edwards than what is printed in American history textbooks—most often, excerpts from his best-known sermon, "Sinners in the Hands of an Angry God." They unjustly envision Edwards preaching only fire and brimstone to frightened listeners. But he knew and preached God's heaven as much as Satan's hell. He was a humble and joyful servant, striving to glorify God in his personal life and public ministry. This book's contributors investigate the character and teachings of the man who preached from a deep concern for the unsaved and a passionate desire for God. Studying the life and works of this dynamic Great Awakening figure will rouse slumbering Christians, prompting them to view the world through Edwards's God-centered lens.

COMPARABLE IN LASTING significance to the famous classics *The Way of a Pilgrim* and Brother Lawrence's *The Practice of the Presence of God*, this book is an extraordinary spiritual autobiography. It recounts the story of a homeless monk's journey as he travels the dusty roads and paths of the Indian subcontinent, from the ancient temples of the south to the awe-inspiring, snow-covered Himalayas of the north. This is the tale of a pilgrimage, vividly and compellingly told, taken with the hallmarks of complete faith in the Creator and constant remembrance of God. Swami Ramdas did not accept money and treated all people he encountered as manifestations of his Beloved. The narrative contains many inspiring accounts of how his pure love transformed people who at first treated him very harshly. Whatever situation he was placed in, he didn't fail to notice the lighter side, which appealed to his keen sense of the comic and ludicrous in life. He never lost this quality, even after he became God-intoxicated and lived on the road in total, blissful surrender to the divine will. Many readers find themselves in a lifelong love affair with this story. This book is the first in a trilogy chronicling Swami Ramdas' pilgrimage to God-realization. The next two volumes, *In the Vision of God*, volumes I and II, are also available from Blue Dove Press.

People make the decision to become one of God's believers for many reasons. For some, it is a long process. Then something happens to bring them over the line between doubt and belief, and they

become God's beloved child. In some cases, that something is a prophetic vision or dream. Visions and Dreams: Prophetic Gifts of the Holy Spirit is based on prophetic visions and dreams that author Dana George Cottrell experienced over twenty-three years. At first, those who experience these visions and dreams may be frightened and confused. The author shows there is no reason to be. You will learn receiving, interpreting, and sharing these communications is a maturing process. Without a source to assist someone who just received the gift, the process of interpreting vision and dreams can be quite a struggle. The author shares some of the dreams and visions he has experienced to help you understand and interpret those you experience. You'll also learn how to use those interpretations. After all, if used incorrectly, these gifts will be taken away. If you have experienced prophetic visions and dreams and want to know more about them, or if you are simply interested in the subject, *Visions and Dreams: Prophetic Gifts of the Holy Spirit* will help you understand and interpret these special gifts from God. You'll learn there is no reason to fear these signs of God's love for you.

From start to finish, the Bible indicates that there is an immediate connection between God's long-term vision and our immediate calling. Using Ephesians 4:1-6 as a base, award-winning Bible study writer and educator Janice Catron skillfully uses Old and New Testament passages to explore six aspects of our calling as Christians (relationship, choice, new identity, way of life, competence, and ministry) and how this calling relates to God's vision. Ideal for individual as well as group study, *God's Vision*, Our Calling includes reflection questions at the end of each chapter and the added feature of a pronunciation guide for Hebrew and Greek words. This concise and accessibly written book earnestly challenges us all to recapture God's vision for the world, the church, and ourselves.

What's the view from where you worship—racially diverse or racially monochrome? On the Last Day every tongue and tribe will be represented in the glorious chorus praising God with one voice. Yet today our churches remain segregated. Can we reflect the beauty of the last day this day? United will inspire, challenge, and encourage readers to pursue the joys of diversity through stories of the author's own journey and a theology of diversity lived out. It's time to capture a glimpse of God's magnificent creativity. In the pages of *United*, Trillia Newbell reveals the deeply moving, transforming power of knowing—really knowing—someone who is equal yet unique. As we learn to identify in Christ rather than in our commonalities, we begin to experience the depth and power of gospel unity.

Visions and Dreams Living Stream Ministry

Do you have a vision for your life? All of us need a compelling vision to live for. Scripture says, "Where there is no vision, the people perish." Today, so many of us are living on autopilot instead of engaging the battle of living up to our God-given potential. We lack a vision for life. Too often, we settle for less than what is best for us, our families, and our careers. We struggle with pinpointing our purpose in life. *A Minute of Vision for Men* is an investment in a different sort of life—one with vision, purpose, and integrity. This book will help you connect with your purpose. It's written so that you can start your day on the right foot, focused on what matters the most. Start each day with a potent, daily dose of vision for your life.

Our vision of God varies by culture. It has changed over the millennia. We no longer believe in the pagan gods of the Romans and Greeks. Why should we expect that our current view of God will not change? Scientific knowledge and discovery is occurring at a pace never before experienced in human history. Yet our concept of God remains mired in the 15th century. This is about to change. It will become increasingly difficult for religions to convince believers educated in modern science to blindly accept as truth religious dogmas conceived centuries ago. Religious scripture is a combination of literature, myth and superstition. Science will invalidate many of these myths. This is why intelligent design advocates fear science.

The incredible technical achievements of recent history may make us feel little less than gods," but we also find much that cuts us down. When we face our own limits and failures, upon what or whom can we rely? The biblical "answer" to questions about the ultimate nature and meaning of human life

begins with the experience of Semitic slaves led out of Egyptian slavery beautifully recounted in Deuteronomy 26:5-11. The New Testament presents Jesus as the culmination of God's Old Testament promise. Christian faith has a particular Vision of the world and of humanity founded upon the relationship between God and creation. Its key elements are found in the inviolable dignity of every person, the essential centrality of community, and the significance of human action. These are the main themes of a Christian anthropology developed in this book.

Using a pragmatic, reader-orientated approach and informed by contemporary theory of metaphor and related topics, Kathryn Darr examines the meaning and functions of child and female imagery for sequential readers of the Isaiah scroll in its entirety. Having identified the associated commonplaces surrounding such tropes--a necessary task if one is to construe the figurative language of another society and culture competently--she turns specifically to rebellious child and personified city (and nation) imagery. The Literary Currents in Biblical Interpretation series explores current trends within the discipline of biblical interpretation by dealing with the literary qualities of the Bible: the play of its language, the coherence of its final form, and the relationships between text and readers. Biblical interpreters are being challenged to take responsibility for the theological, social, and ethical implications of their readings. This series encourages original readings that breach the confines of traditional biblical criticism.

A book that will have one cognizant of whatever dark, and bleak circumstances or situations one may be in, and eventually will find themselves in, the answer was here before any problem existed. The discovery and importance of not wasting time and energy concentrating on the problem, it's a waste of time, knowing the answer is never found in the problem it's always revealed in the answer. The search for significance to discover the real you which lives inside of you, that only God the Father can reveal unto you of who you were predestined, ordained, and anointed to be. You'll be taken on a fascinating and exciting journey in your inner most being where you'll locate hidden treasures and gifts, God has deposited inside of you like fireworks ready to explode and reveal the greatness inside of you. This book is filled with the Word of God, and will renew you in the spirit of your mind. You'll begin to look at problems as preparation, trouble, as training and transition, and if one is a doer of the Word and not a hearer only it will transform one into the more than conqueror and overcomer God has created us to be in Jesus Christ! May your testimony inspire readers to know the testimony of Jesus Christ: for the testimony of Jesus is the spirit of prophecy. Blessed is he that reads, and they that hear the words of this prophecy, and keep those things which are written therein: for the time is at hand. As you prophesy before many peoples, and nations, and tongues, and kings: may this book be like the little book of Revelation 10 when eaten makes the belly bitter, but it shall be in your mouth sweet as honey. Your fellow servant and of your brethren and father in the faith that have the testimony of Jesus. Pastor Houseworth Gary, Indiana
