Teacher Lee's English Grammar for Beginners (Russian Edition) British Version Createspace Independent Publishing Platform  
PLEASE NOTE - this is a replica of the print book and you will need paper and a pencil to complete the exercises. Puzzled by past tenses? Confused by comparatives? This clearly structured and beautifully presented workbook is packed with grammar practice activities that make learning English grammar incredibly easy. The English for Everyone Grammar Guide Practice Book is an essential companion to the English for Everyone Grammar Guide, a comprehensive reference book that makes even the trickiest grammar rules clear and simple. The Practice Book mirrors the unit-by-unit structure of the Grammar Guide. Each Practice Book unit is full of carefully graded grammar exercises to drill and reinforce the grammar you have learned in the corresponding Grammar Guide unit. These exercises will help you build up your confidence and become more fluent, giving you the chance to practice using the most important English grammar constructions again and again. Ideal for students at all levels, the English for Everyone Grammar Guide Practice Book covers basic, intermediate, and advanced English grammar in one easy-to-navigate book. Like all books in the innovative English for Everyone series, it uses a visual learning method: many of the exercises are accompanied by attractive illustrations that put grammar practice points into context and give you visual cues to help you understand the exercises. Whether you want to improve your grammar for work, study, travel, or exams, the English for Everyone Grammar Guide Practice Book offers you a simple way to learn English grammar, remember it, and use it with confidence.

Teacher Lee's English Grammar for Beginners (French Edition) British Version Createspace Independent Publishing Platform  
Are you an ESL teacher (or would-be ESL teacher) who doesn't know (or know enough) English grammar? Do you tell your students that grammar isn't important or that grammar can be learned from games and conversation in order to hide the fact that you don't know much about grammar? Of course grammar is important, and if you want to get ahead in the ESL profession, you

need to know grammar-what it is and how to teach it. Revised and updated, Secrets of Teaching ESL Grammar is a fun, easy-to-understand, intensive, manual on ESL grammar-from basic to advanced-for teachers like you who don't have a lot of time and need to quickly and easily get up to speed with the English grammar that every ESL teacher should know. Secrets of Teaching ESL Grammar explains each grammar point in depth-in plain, simple language-so that you will really understand it and be able to teach it to your students so they really understand it has advice about what grammar topics to teach and how to teach them, examples to put on the board, problems your students will have and how to address them, questions they will ask and how to answer them, sample exercises to do and use as a template for creating more has a wealth of tips, techniques, advice, exercises, tales from the trenches and top secret info has tons of classroom management advice for making your classroom a lively and productive learning environment that will make your students (and your boss) happy teaches you enough jargon and buzzwords to totally impress your colleagues and even better-you'll actually know what it all means and know how to put the concepts behind it to work in your classroom, and that will make you a better teacher! Learn the grammar you need to be an effective, popular and respected pro!

Teacher Lee's English Grammar for Beginners (Czech Edition) British Version Createspace Independent Publishing Platform  
This book aims at helping learners of English (particularly those whose first language is Chinese) to improve their understanding of, and their competence in, English grammar. It directly addresses the needs of Chinese learners and takes full account of their first language in helping them understand how English works by systematically requiring them to think about grammar, and to come up with their own hypotheses about how it works on the basis of the given data. The book is designed for students' learning on their own as well as in a classroom. Each chapter is accompanied by a separate 'students' notes', which the students can consult after working through all the data and exercises in each chapter, to check their own answers and to read further explanations on the grammatical points in question. This book therefore appeals to the growing number of students learning through self-access, as well as promotes independent learning among those enrolled in educational institutions. Key features: - Directly addresses the needs of Chinese learners of English - Concise, user-friendly grammar presentations followed by examples of correct use - Innovative exercises offering learners in-depth practice of key grammar points - Detailed students' notes section and a full answer key for easy reference - Suitable for use in class, or for self-study

[The Way of The Linguist](#), A language learning odyssey. It is now a

cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist*, A language learning odyssey, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: [www.thelinguist.com](http://www.thelinguist.com).
