Unsquare Dance.

**Piano Book for Kids 5 and Up -
Beginner Level** Hal Leonard

Take Five was written by Paul Desmond, a jazz alto saxophonist, and first recorded by the Dave Brubeck Quintet on the album Time Out. Melody Bober's arrangement for two pianos, eight hands is written for late intermediate pianists and laid out as two duets (Piano 1 and Piano 2) with the primo and secondo parts on facing pages. The arrangement begins in the original key of E-flat minor and modulates to E minor. A favorite of all jazz enthusiasts, it is an excellent choice for recitals, piano ensemble classes, and "monster" concerts.

The Giant Standards Piano Sheet Music
Collection Hal Leonard Corporation

The spirit of the Southwest comes alive in this imaginative duet suite by Melody Bober. Intermediate students will enjoy this descriptive tribute through its three movements: "Colorado River Rapids," "Sedona Sun," and "Majestic Grand Canyon."

Doll * United We Stand * You Raise Me Up * and more.

The Best Jazz Piano Solos Ever Hal Leonard Corporation

Dave Brubeck's Time Out ranks among the most popular, successful, and influential jazz albums of all time. Released by Columbia in 1959, alongside such other landmark albums as Miles Davis's Kind of Blue and Charles Mingus's Mingus Ah Um, Time Out became one of the first jazz albums to be certified platinum, while its featured track, "Take Five," became the best-selling jazz single of the twentieth century, surpassing one million copies. In addition to its commercial successes, the album is widely recognized as a pioneering endeavor into the use of odd meters in jazz. With its opening track "Blue Rondo à la Turk" written in 9/8, its hit single "Take Five" in 5/4, and equally innovative uses of the more common 3/4 and 4/4 meters on other tracks, Time Out has played an important role in the development of modern jazz. In this book, author Stephen A. Crist draws on nearly fifteen years of archival research to offer the most thorough examination to date of this seminal jazz album. Supplementing his

research with interviews with key individuals, including Brubeck's widow Lola and daughter Catherine, as well as interviews conducted with Brubeck himself prior to his passing in 2012, Crist paints a complete picture of the album's origins, creation, and legacy. Couching careful analysis of each of the album's seven tracks within historical and cultural contexts, he offers fascinating insights into the composition and development of some of the album's best-known tunes. From Brubeck's 1958 State Department-sponsored tour, during which he first encountered the Turkish aksak rhythms that would form the basis of "Blue Rondo à

la Turk," to the backstage jam session that planted the seeds for "Take Five," Crist sheds an exciting new light on one of the most significant albums in jazz history.

Take Five Alfred Music
