How They Met and Other Stories Abrams

Bestselling author David Levithan (*Every Day*; *Boy Meets Boy*; *Will Grayson, Will Grayson* with John Green) treats the tragic events of September 11th with care and compassion in this novel of loss and grief, but also of hope and redemption. First there is a Before, and then there is an After. . . . The lives of three teens—Claire, Jasper, and Peter—are altered forever on September 11, 2001. Claire, a high school junior, has to get to her younger brother in his classroom. Jasper, a college sophomore from Brooklyn, wakes to his parents' frantic calls from Korea, wondering if he's okay. Peter, a classmate of Claire's, has to make his way back to school as everything happens around him. Here are three teens whose intertwining lives are reshaped by this catastrophic event. As each gets to know the other, their moments become wound around each other's in a way that leads to new understandings, new friendships, and new levels of awareness for the world around them and the people close by. David Levithan has written a novel of loss and grief, but also one of hope and redemption as his characters slowly learn to move forward in their lives, despite being changed forever, one rule remains: love is indeed the higher law. This Tiny Perfect World Little, Brown Books for Young Readers

"A savvy, smart, and funny book about embracing your body and taking control of your destiny."

—Kathleen Glasgow, author of the New York Times bestselling novel *Girl in Pieces* "Bold, unique, and completely original...A debut both spirited and inventive, much like its indomitable heroine."

—Laurie Elizabeth Flynn, author of *Firsts* From debut author Kelly DeVos comes an unforgettable story about fierce fashion, pursuing your dreams, and loving yourself at any size. FAT Cookie Vonn's dreams include getting out of Phoenix and becoming the next great fashion designer. But in the world of fashion, being fat is a cardinal sin. It doesn't help that she's constantly compared to her supermodel mother—and named after a dessert. Cookie scores a trip to New York to pitch her design portfolio, but her plans are put on standby when she's declared too fat to fly. When she finally arrives, she finds she's been replaced by her ultrathin rival. Cookie vows to lose weight, get out of the friend zone with her crush, and put her dreams back on track. SKINNY Cookie expected sunshine and rainbows, but nothing about her new life is turning out like she planned. When the fashion designer of the moment offers her what she's always wanted—an opportunity to live and study in New York—she finds herself in a world full of people more interested in putting women down than dressing them up. Her designs make waves, but her real dream of creating great clothes for people of all sizes seems to grow more distant by the day. Will she realize that she's always had the power to make her own dreams come true? "A realistic portrayal of the frustrations of weight loss and size acceptance...sex, body positivity, and ambition. VERDICT A strong choice for most YA shelves." —School Library Journal "Packed with smart zingers about what it feels like to be fat and have a body that people criticize...Also a fairytale romp through the New York City fashion world." —Carolyn Mackler, B&N Teen Blog

The Realm of Possibility Knopf Books for Young Readers

The New York Times bestseller that inspired the Sundance Grand Jury Prize-winning film. The funniest book you'll ever read about death. It is a universally acknowledged truth that high school sucks. But on the first day of his senior year, Greg Gaines thinks he's figured it out. The answer to the basic existential question: How is it possible to exist in a place that sucks so bad? His strategy: remain at the periphery at all times. Keep an insanely low profile. Make mediocre films with the one person who is even sort of his friend, Earl. This plan works for exactly eight hours. Then Greg's mom forces him to become friends with a girl who has cancer. This brings about the destruction of Greg's entire life. "Mr. Andrews' often hilarious teen dialogue is utterly convincing, and his characters are compelling. Greg's random sense of humor, terrible self-esteem and general lack of self-awareness all ring true. Like many YA authors, Mr. Andrews blends humor and pathos with true skill, but he steers clear of tricky resolutions and overt life lessons, favoring incremental understanding and growth." —Pittsburgh Post-Gazette "One need only look at the chapter titles ('Let's Just Get This Embarrassing Chapter Out of the Way') to know that this is one funny book." —Booklist (starred review) "Though this novel begs inevitable thematic comparisons to John Green's *The Fault in Our Stars*, it stands on its own in inventiveness, humor and heart." —Kirkus Reviews (starred review)

Life Is Not an Accident Simon and Schuster

In the tradition of novels of Gayle Forman and John Green comes this extraordinary YA debut about a blind teen girl navigating life and love in high school. Parker Grant doesn't need 20/20 vision to see right through you. That's why she created the Rules: Don't treat her any differently just because she's blind, and never take advantage. There will be no second chances. Just ask Scott Kilpatrick, the boy who broke her heart. When Scott suddenly reappears in her life after being gone for years, Parker knows there's only one way to react—shun him so hard it hurts. She has enough on her mind already, like trying out for the track team (that's right, her eyes don't work but her legs still do), doling out tough-love advice to her painfully naive classmates, and giving herself gold stars for every day she hasn't cried since her dad's death three months ago. But avoiding her past quickly proves impossible, and the more Parker learns about what really happened—both with Scott, and her dad—the more she starts to question if things are always as they seem. Maybe, just maybe, some Rules are meant to be broken. Combining a fiercely engaging voice with true heart, debut author Eric Lindstrom's *Not If I See You First* illuminates those blind spots that we all have in life, whether visually impaired or not.

The Very Nice Box Entangled: Teen

A Kirkus Reviews Best Indie Book of 2018 A kiss is never just a kiss. Le Grand's *Carnival Fantastic* isn't like other traveling circuses. It's bound by a charm, held together by a centuries-old curse, that protects its members from ever growing older or getting hurt. Emmaline King is drawn to the circus like a moth to a flame...and unwittingly recruited into its folds by a mysterious teen boy whose kiss is as cold as ice. Forced to travel through Texas as the new Girl in the Box, Emmaline is completely trapped. Breaking the curse seems like her only chance at freedom, but with no curse, there's no charm, either—dooming everyone who calls the *Carnival Fantastic* home. Including the boy she's afraid she's falling for. Everything—including his life—could end with just one kiss.

Almost Perfect Penguin

Now with exclusive bonus content from author David Levithan, the New York Times bestselling mind behind *Every Day* and *Another Day*. An emotional and politically charged novel that's a must-read for turbulent times when the very democratic process itself is called into question and basic rights are at risk. In the not-too-impossible-to-imagine future, a gay Jewish man has been elected president of the United States. Until the governor of one state decides that some election results in his state are invalid, awarding crucial votes to the other candidate, and his fellow party member. Thus is the inspiration for couple Jimmy and Duncan to lend their support to their candidate by deciding to take part in the rallies and protests. Along the way comes an exploration of their relationship, their politics, and their country, and sometimes, as they learn, it's more about the journey than it is about reaching the destination. Only David Levithan could so masterfully and creatively weave together a plot that's both parts political action and reaction, as well as a touching and insightfully-drawn teen love story.
