The "World" in Robert Lee Brewer's Solving the World's Problems is a slippery world ... where chaos always hovers near, where we are (and should be) "splashing around in dark puddles." And one feels a bit dizzy reading these poems because (while always clear, always full of meaning) they come at reality slantwise so that nothing is quite the same and the reader comes away with a new way of looking at the ordinary objects and events of life. The poems are brim-full of surprises and delights, twists in the language, double-meanings of words, leaps of thought and imagination, interesting line-breaks. There are love and relationship poems, dream poems, poems of life in the modern world. And always the sense (as he writes) of "pulling the world closer to me/leaves falling to the ground/ birds flying south." I read these once, twice with great enjoyment. I will go back to them often. -Patricia Fargnoli, former Poet Laureate of New Hampshire and author of *Then, Something*

A Coretta Scott King and Printz honor book now in paperback. A Wreath for Emmett Till is "A moving elegy," says *The Bulletin*. In 1955 people all over the United States knew that Emmett Louis Till was a fourteen-year-old African American boy lynched for supposedly whistling at a white woman in Mississippi. The brutality of his murder, the open-casket funeral held by his mother, Mamie Till Mobley, and the acquittal of the men tried for the crime drew wide media attention. In a profound and chilling poem, award-winning poet Marilyn Nelson reminds us of the boy whose fate helped spark the civil rights movement.

Hoa Nguyen's latest collection is a poetic meditation on historical, personal, and cultural pressures pre- and post-"Fall-of-Saigon" and comprises a verse biography on her mother, Diep Anh Nguyen, a stunt motorcyclist in an all-woman Vietnamese circus troupe. Multilayered, plaintive, and provocative, the poems in *A Thousand Times You Lose Your Treasure* are alive with archive and inhabit histories. In turns lyrical and unsettling, her poetry sings of language and loss; dialogues with time, myth and place; and communes with past and future ghosts.

Sometimes it seems like there are as many definitions of poetry as there are poems. Coleridge defined poetry as “the best words in the best order.” St. Augustine called it “the Devil’s wine.” For Shelley, poetry was “the record of the best and happiest moments of the happiest and best minds.” But no matter how you define it, poetry has exercised a hold upon the hearts and minds of people for more than five millennia. That’s because for the attentive reader, poetry has the power to send chills shooting down the spine and lightning bolts flashing in the brain — to throw open the doors of perception and hone our sensibilities to a scalpel’s edge. *Poetry For Dummies* is a great guide to reading and writing poems, not only for beginners, but for anyone interested in verse. Charles C. Fries (1887-1967) was a major figure in American linguistics and language education during the first half of the 20th century. Theoretical innovation and practical implementation were important threads that ran throughout his work. Fries believed that the attempt to deal with practical problems was a vital part of developing linguistic theory. He spent most of his effort exploring grammar as a tool for communicating meaning. Charles C. Fries was quite influential in the development of linguistics in the United States, and yet in some ways remained outside of the mainstream of the linguistics he helped to develop. The contributors to this volume were asked to present and evaluate some aspect of Fries’ work and to show how similar ideas are being used today.

Many of Choleng's early poems explore the surprise and the wonder of young love. Is her feeling for a boy merely a crush ? or is it the real thing? When she was twenty-two, her poems were slightly analytical, exploring the feelings of jealousy and the uncertainty of romantic love. But she dealt with jealousy lightly, with now and then a statement of cynicism about the emotion she knew as love. Below her poem *Hero Worshipper* she had appended a note (Absolutely idiotic). In not any of her 139 poems on love between girl and boy did she express the ecstasy of requited love nor

the fulfillment of her expectations upon the discovery of mature love and the love that ends in marriage. Soledad used plain everyday language in simple readable poems. She favored traditional rhyming verses in quatrains, with three or four stanzas to a poem. She had a facility with rhymes and a wry humor which revealed itself in some poems. In "Isn't It a Pity?" she wrote: "You could write such tender notes to send me every day; You could be my hero, so romantic and so gay; Everything would be so grand and ah, so meant-to-be! Isn't it a pity that you are not in love with me?" Isn't It a Pity? In her sonnet sequence Soledad used the English sonnet, a 14-line poem in three quatrains followed by a couplet, rhyming abab cdcd efef gg. Also called the Shakespearean sonnet, it states a situation in three quatrains and draws its conclusion in a couplet, ending the sonnet. Juan modified the sonnet slightly: She stated a situation in two quatrains, traced her reaction to the situation in the third quatrain, and then gave her conclusion in the final couplet. She wrote one sequence of twenty-eight sonnets, all celebrating her young love, mutely offered but unrecognized, unrequited, and unremembered.

A resplendent life in sonnets from the author of *Four-Legged Girl*, a finalist for the Pulitzer Prize “The sonnet, like poverty, teaches you what you can do / without,” Diane Seuss writes in this brilliant, candid work, her most personal collection to date. These poems tell the story of a life at risk of spilling over the edge of the page, from Seuss’s working-class childhood in rural Michigan to the dangerous allures of New York City and back again. With sheer virtuosity, Seuss moves nimbly across thought and time, poetry and punk, AIDS and addiction, Christ and motherhood, showing us what we can do, what we can do without, and what we offer to one another when we have nothing left to spare. Like a series of cels on a filmstrip, frank: sonnets captures the magnitude of a life lived honestly, a restless search for some kind of “beauty or relief.” Seuss is at the height of her powers, devastatingly astute, austere, and—in a word—frank.

A Century of Sonnets is a striking reminder that some of the best known and most well-respected poems of the Romantic era were sonnets. It presents the broad and rich context of such favorites as Percy Bysshe Shelley's "Ozymandias," John Keats's "On First Looking Into Chapman's Homer," and William Wordsworth's "Composed Upon Westminster Bridge" by tracing the sonnet revival in England from its beginning in the hands of Thomas Edwards and Charlotte Smith to its culmination in the poetry of Elizabeth Barrett Browning and Dante Gabriel Rossetti. Expertly edited by Paula R. Feldman and Daniel Robinson, this volume is the first in modern times to collect the sonnets of the Romantic period--many never before published in the twentieth century--and contains nearly five hundred examples composed between 1750 and 1850 by 81 poets, nearly half of them women. A

Century of Sonnets includes in their entirety such important but difficult to find sonnet sequences as William Wordsworth's The River Duddon, Mary Robinson's Sappho and Phaon, and Robert Southey's Poems on the Slave Trade, along with Browning's enduring classic, Sonnets from the Portuguese. The poems collected here express the full sweep of human emotion and explore a wide range of themes, including love, grief, politics, friendship, nature, art, and the enigmatic character of poetry itself. Indeed, for many poets the sonnet form elicited their strongest work. A Century of Sonnets shows us that far from disappearing with Shakespeare and the English Renaissance, the sonnet underwent a remarkable rebirth in the Romantic period, giving us a rich body of work that continues to influence poets even today.
