Phyllis's Orange Shirt is an adaptaion of The Orange Shirt Story which was the best selling children's book in Canada for several weeks in September 2018(Book manager). This true story also inspired the movement of Orange Shirt Day which could become a federal statutory holiday. When Phyllis was a little girl she was

excited to go to residential school for the first time. Her Granny bought her a bright orange shirt that she loved and she wore it to school for her first day. When she arrived at school her bright orange shirt was taken away. This is both Phyllis Webstad's true story and the story behind Orange Shirt Day which is a day for us all to reflect upon the treatment of First Nations people and the message that 'Every Child Matters'. *Rising Heart: One Woman's Astonishing Journey from Unimaginable Trauma to Becoming a Power for Good* Second Story Press

'The best and the worst of our shared humanity...breathtaking and heartbreaking.' The Hon. Dame Quentin Bryce AD CVO One woman's astonishing journey from unimaginable trauma to becoming a power for good. In 1999, Sierra Leone was in the midst of a brutal civil war where mindless violence, vicious amputation and the rape of young enslaved women were the everyday weapons of bloody conflict. It was also where rebel soldiers snatched the young Aminata Conteh-Biger from her father's arms, then held her captive for months. After she was released, the UNHCR recognised that her captors still posed a serious threat to her safety. So, still in her teens, she was put on a plane and flown to Australia to start afresh as a refugee in a land she knew nothing about. It is here that she has proudly built a life, while never allowing her trauma to define her. Yet it was a near-death experience she suffered during the birth of her child that turned her attention to the women of Sierra Leone - where they are 200 times more likely to die while having a baby than in Australia. So she set up the Aminata Maternal Foundation, then returned to the land of her birth to help. This is her story. PRAISE

FOR RISING HEART 'Aminata knocked me out at our first meeting in Sydney some years ago...courage shining through as she spoke of some of her experiences in Sierra Leone. Her story, *Rising Heart*, will never leave you; searing, powerful, disturbing, hopeful.' The Hon. Dame Quentin Bryce AD CVO 'The spirit of Aminata's story will stay with you long after you finish reading. *Rising Heart* has refuelled my sense of perspective and purpose. Aminata's courage in sharing this intensely personal story is rewarded with the power of inspiring hope. Thank you, Aminata, for sharing.' Yael Stone, actor and activist 'A powerful read that will make you cry at the injustice and brutality of our world - especially the treatment of women and girls - but then shed tears of admiration and hope. Aminata reminds us of the power of an individual to make a difference. She is an inspirational woman who has brought about extraordinary change, and is a shining example of why we must all be good global citizens. What a beautiful Australian story.' Natasha Stott Despoja AO 'A gripping story of courage, survival and redemption.' Wendy McCarthy AO 'An incredible story of hope and transformation, one that we can all learn from.' Emma Isaacs, Founder and Global CEO, Business Chicks 'Women's reproductive health is one of the most important factors in determining their quality of life and that of their children. Aminata's extraordinary efforts in her country of origin will make a life-changing difference to the mothers and children of Sierra Leone.' Professor Kerry Phelp AM 'I have met many refugees the world over, and the courage of Aminata's personal account as a survivor of unimaginable cruelty is both disturbing and inspiring. Her unwavering belief in human kindness in the face of so much adversity is what makes her a

role model for so many women and girls.' Louise Aubin, UNHCR Representative 'Aminata not only gives an important voice to her own intensely personal story but also to the many forgotten women and girls caught up in war and conflict today. She is a compelling advocate for the rights of these women and also for the work of the UN Refugee Agency who supports them.' Naomi Steer, National Director Australia for UNHCR

"This sweet and thoughtful novel chronicles Bat's experiences and challenges at school with friends and teachers and at home with his sister and divorced parents. Approachable for younger or reluctant readers while still delivering a powerful and thoughtful story" (from the review by Brightly, which named *A Boy Called Bat* a best book of the year). Elana K. the Marilyn Baillie Picture Book Award and the Ruth Schwartz Award In just four days young Shi-shi-etko will have to leave her family and all that she knows to attend residential school. She spends her last days at home treasuring the beauty of her world - the dancing sunlight, the tall grass, each shiny rock, the tadpoles in the creek, her grandfather's paddle song. Her mother, father and grandmother, each in turn, share valuable teachings that they want her to remember. And so Shi-shi-etko carefully gathers her memories for safekeeping. Richly hued illustrations complement this gently moving and poetic account of a child who finds solace all around her, even though she is on the verge of great loss -- a loss that Indigenous Peoples have endured for generations because of the residential schools system.
