Revue *universelle* Macmillan

In Cecilia Grant's emotionally rich and deeply passionate Regency romance debut, a deal with a rumored rogue turns a proper young woman into . . . A Lady Awakened. Newly widowed and desperate to protect her estate and beloved servants from her malevolent brother-in-law, Martha Russell conceives a daring plan. Or rather, a daring plan to conceive. After all, if she has an heir on the way, her future will be secured. Forsaking all she knows of propriety, Martha approaches her neighbor, a London exile with a wicked reputation, and offers a strictly business proposition: a month of illicit interludes . . . for a fee. Theophilus Mirkwood ought to be insulted. Should be appalled. But how can he resist this siren in widow's weeds, whose offer is simply too outrageously tempting to decline? Determined she'll get her money's worth, Theo endeavors to awaken this shamefully neglected beauty to the pleasures of the flesh—only to find her

dead set against taking any enjoyment in the scandalous bargain. Surely she can't resist him forever. But could a lady's sweet surrender open their hearts to the most unexpected arrival of all . . . love?

A Lady Awakened Ouest-France

Vols. 1-4 include material to June 1, 1929.

In *Spanish Books in the Europe of the Enlightenment* (Paris and London) Nicolás Bas recreates, using a bibliographical approach, the manner in which Spain was regarded in Europe in the eighteenth century, by consulting booksellers' catalogues, private book collections and key auctions in Paris and London.

Dictionnaire des écrivains d'aujourd'hui en Bretagne BRILL

En 1877, un Breton, Charles du Breil de Rays, lance une entreprise de colonisation dans le Pacifique. Plus de 600 colons partent en Nouvelle-Irlande, une île proche de la Nouvelle-Guinée, en un lieu baptisé Port-Breton. S'appuyant sur des documents inédits, cet ouvrage relate cette aventure.

Marie-Thérèse Noblet, 1889-1930 Duke University Press

This work looks at the surge of Bretons who left their homes in Western France in the latter half of the 19th century to live and work in Paris. Portrayed as backward, ignorant peasants they found no welcome until after WWII. Moch positions her work within immigration theory, connecting migration studies to theories about state projects of assimilation and about cultures of inclusion and exclusion.

Livres de France Les Portes du Large

Régulièrement, des évènements secouent ces pays lointains : coup d'Etat à Fidji, manifestations violentes à Papeete, indépendantisme kanak ... Cet ouvrage s'appuie sur des recherches ayant renouvelé l'histoire du Pacifique depuis trente ans.

Histoire de la marine française: En quête d'un empire colonial.
Richelieu Presses Universitaires de France - PUF

The New York Times bestseller! When Bernie Sanders began his race for the presidency, it was considered by the political establishment and the media to be a “fringe” campaign, something not to be taken seriously. After all, he was just an Independent senator from a small state with little name recognition. His campaign had no money, no political organization, and it was taking on the entire Democratic Party establishment. By the time Sanders’s campaign came to a close, however, it was clear that the pundits had gotten it wrong. Bernie had run one of the most consequential campaigns in the modern history of the country. He had received more than 13 million votes in primaries and caucuses throughout the country, won twenty-two states, and more than 1.4 million people had

attended his public meetings. Most important, he showed that the American people were prepared to take on the greed and irresponsibility of corporate America and the 1 percent. In *Our Revolution*, Sanders shares his personal experiences from the campaign trail, recounting the details of his historic primary fight and the people who made it possible. And for the millions looking to continue the political revolution, he outlines a progressive economic, environmental, racial, and social justice agenda that will create jobs, raise wages, protect the environment, and provide health care for all—and ultimately transform our country and our world for the better. For him, the political revolution has just started. The campaign may be over, but the struggle goes on.
