The epic and
monumental
love story
Paullina

Simons began with her adored international bestseller *The Bronze Horseman* comes to a breathtaking conclusion. *The Summer Garden* is the third volume in Simons's magnificent trilogy—a Russian *Thorn Birds*—which follows a love that survived the terrible siege of Leningrad during World War Two, a heartbreaking separation and a glorious reunion in America, only to be supremely

tested by the hatred, fear, and uncertainty of the Cold War. You will never forget the lovers Tatiana and Alexander and their story of enduring love and commitment, and you will cherish every moment spent in *The Summer Garden*. [Bellagrand](#) HarperCollins UK
A powerful story of grief and hope, a passionate and epic love story from the Russian-born author of the internationally bestselling

novels *TULLY* and *ROAD TO PARADISE*. **Tatiana and Alexander**
William Morrow
Paperbacks
Trei died. He got roasted by a mage, for trying to be a hero. Things aren't so bad. At least he didn't stay dead. Summer's life was always difficult. Her world was on the verge of war, a politician threatening to take her crown. Resurrecting *Trei* was an accident, but it might be the last she'll be

<p>allowed to make.</p> <p><u>El jardín de verano (El jinete de bronce 3)</u></p> <p>HarperCollins</p> <p>An epic story of secrets, betrayal and an impossible love. Called “a Russian Thorn Birds” The Bronze Horseman by Paullina Simons is a sweeping saga of love and war that has been a monumental bestseller all over the world. The acclaimed author of Tully, Simons has written a stirring tale of devotion,</p>	<p>passion, secrets, betrayal, and sacrifice. “A love story both tender and fierce” (Publishers Weekly) that “Recalls Dr. Zhivago ” (People Magazine), The Bronze Horseman is rich and vivid historical fiction at its finest. The golden skies, the translucent twilight, the white nights, all hold the promise of youth, of love, of eternal renewal. The war has not yet touched this city of</p>	<p>fallen grandeur, or the lives of two sisters, Tatiana and Dasha Metanova, who share a single room in a cramped apartment with their brother and parents. Their world is turned upside down when Hitler’s armies attack Russia and begin their unstoppable blitz to Leningrad. Yet there is light in the darkness. Tatiana meets Alexander, a brave young officer in the Red Army.</p>
--	--	--

Strong and self-confident, yet guarding a mysterious and troubled past, he is drawn to Tatiana - and she to him. Starvation, desperation, and fear soon grip their city during the terrible winter of the merciless German siege. Tatiana and Alexander's impossible love threatens to tear the Metanova family apart and expose the dangerous secret Alexander so carefully protects - a secret as

devastating as the war itself - as the lovers are swept up in the brutal tides that will change the world and their lives forever.

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of

<p>family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice,</p>	<p>not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in</p>	<p>their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing</p>

The Magnificent Conclusion to the Timeless Epic Saga
Through years of war and devastation, Tatiana and Alexander suffered the worst the twentieth century had to offer.
Miraculously reunited in America, they now have a beautiful son, Anthony, the gift of a love strong enough to survive the most terrible upheavals.
Though they are still young, the ordeals they endured have changed them—and

after living
 apart in a
 world laid
 waste, they
 must now find
 a way to live
 together in
 postwar
 America. With
 the Cold War
 rising, dark
 forces at work
 in their
 adopted
 country
 threaten their
 lives, their
 family, and
 their hard-won
 peace. To
 regain the
 happiness
 they once
 knew, to wash
 away the
 lingering pain
 of the past,
 two lovers
 grown distant
 must
 somehow
 forge a new

life . . .or
 watch the
 ghosts of their
 yesterdays
 destroy their
 firstborn son.
 The Summer
 Garden . . .
 their odyssey
 is just
 beginning.

Harper Collins
Children of Liberty, the much-anticipated prequel to Paullina Simons's *The Bronze Horseman*, is a story of love and possibility in turn-of-the-century America. Gina Attaviano travels from Sicily to Boston to start a new life with only the clothes on her back. Harry Barrington is the son of one of New England's most successful businessmen. Despite their differences

and the strong opposition of their families, their attraction is strong. Set against a time of transformation for a growing nation, Gina and Harry must find the courage to do what is right, no matter what the price. Deeply emotional and satisfying, *Children of Liberty* features a cast of characters you'll root for as they fight against their feelings, but discover that true love can never be

Praise for V.S. Alexander's *The Taster* "This haunting and engrossing novel will appeal to fans of Anthony Doerr and Kristin Hannah." —Booklist "The 'taster's'

story adds to a body of nuanced World War II fiction such as Elizabeth Wein's *Code Name Verity*, Anthony Doerr's *All the Light We Cannot See*, and Tatiana de Rosnay's *Sarah's Key*. Book clubs and historical fiction fans will love discussing this and will eagerly await more from Alexander." —Library Journal [The Ylem](#) Kensington Books Structural Chemistry of Inorganic

Actinide Compounds is a collection of 13 reviews on structural and coordination chemistry of actinide compounds. Within the last decade, these compounds have attracted considerable attention because of their importance for radioactive waste management, catalysis, ion-exchange and absorption applications, etc. Synthetic and natural actinide compounds are also of great environmental

concern as they form as a result of alteration of spent nuclear fuel and radioactive waste under Earth surface conditions, during burn-up of nuclear fuel in reactors, represent oxidation products of uranium mines and mine tailings, etc. The actinide compounds are also of considerable interest to material scientists due to the unique electronic properties of actinides that give rise to interesting physical properties controlled by the structural architecture of respective compounds. The book provides both general overview and review of recent developments in the field, including such emergent topics as nanomaterials and nanoparticles and their relevance to the transfer of actinides under environmental conditions. * Covers over 2,000 actinide compounds including materials, minerals and coordination polymers * Summarizes recent achievements in the field * Some chapters reveal (secret) advances made by the Soviet Union during the 'Cold war' *Tatiana & Alexander Leya* This book presents case histories to illustrate in a clinical context essential points about the mechanisms of immunity. It includes cases

that illustrate both recently discovered genetic immunodeficiencies and some more familiar and common diseases with interesting immunology. The Summer Garden DEBOLS!LLO Tatiana du Plessix, the wife of a French diplomat, was a beautiful, sophisticated "white Russian" who had been the muse of the famous Russian poet Vladimir Mayakovsky. Alexander Liberman, the

ambitious son of a prominent Russian Jew, was a gifted magazine editor and aspiring artist. As part of the progressive artistic Russian émigré community living in Paris in the 1930s, the two were destined to meet. They began a passionate affair, and the year after Paris was occupied in World War II they fled to New York with Tatiana's young daughter, Francine. There they

determinedly rose to the top of high society, holding court to a Who's Who list of the midcentury's intellectuals and entertainers. Flamboyant and outrageous, bold and brilliant, they were irresistible to friends like Marlene Dietrich, Salvador Dalí, and the publishing tycoon Condé Nast. But to those who knew them well they were also highly neurotic, narcissistic,

and glacially self-promoting, prone to cut out of their lives, with surgical precision, close friends who were no longer of use to them. Tatiana became an icon of New York fashion, and the hats she designed for Saks Fifth Avenue were de rigueur for stylish women everywhere. Alexander Liberman, who devotedly raised Francine as his own child from the time she was nine, eventually

came to preside over the entire Condé Nast empire. The glamorous life they shared was both creative and destructive and was marked by an exceptional bond forged out of their highly charged love and raging self-centeredness. Their obsessive adulation of success and elegance was elevated to a kind of worship, and the high drama that characterized their lives

followed them to their deaths. Tatiana, increasingly consumed with nostalgia for a long-lost Russia, spent her last years addicted to painkillers. Shortly after her death, Alexander, then age eighty, shocked all who knew him by marrying her nurse. Them: A Portrait of Parents is a beautifully written homage to the extraordinary lives of two fascinating, irrepressible people who

were larger than life emblems of a bygone age. Written with honesty and grace by the person who knew them best, this generational saga is a survivor's story. Tatiana and Alexander survived the Russian Revolution, the fall of France, and New York's factory of fame. Their daughter, Francine, survived them.

La conmovedora segunda parte de la trilogía «El jinete de bronce». Embarazada, enferma y absolutamente desolada, Tatiana ha logrado llegar a Estados Unidos. Entregada a la fuerza de las circunstancias y alejada de su convulsionada tierra, la joven comenzará una nueva existencia con la secreta ilusión de que, en alguna parte, el hombre al que ama sea capaz de

vencer a las oscuras garras del destino. Mientras, Alexander sufre el hostigamiento de las fuerzas represoras en las gélidas tierras de la Unión Soviética, y tan solo el recuerdo de su esposa, junto con la velada esperanza de que siga con vida, alimenta su espíritu ante la adversidad. Al tiempo que la contienda llega a su final, ambos lucharán contra sus destinos y la desesperación

en busca del amor perdido y la inquebrantable e esperanza del reencuentro. La crítica ha dicho... «Una historia de amor que te dejará sin aliento.» Daily Mail «Bellamente escrita. Difícil de dejar. Altamente recomendable.» Library Journal *Inoubliable Tatiana Fourth Estate* La novela que cierra «El jinete de bronce», una trilogía que ha cautivado a millones de lectores.

Después de sobrevivir a la guerra y al sufrimiento en las heladas llanuras de Europa, Tatiana, Alexander y el pequeño Anthony afrontan con ilusión una nueva etapa en Estados Unidos. Refugiándose en el trabajo y en la mutua comprensión, van en busca de un lugar en el que establecerse para restañar las heridas y liberarse por fin de los tormentosos recuerdos del pasado. Pero en ocasiones

el paraíso no está al alcance de la mano, y los giros del camino ocultan dificultades que pondrán a prueba sus más hondas convicciones y harán tambalear un amor que hasta ahora había demostrado ser inquebrantable. En un último esfuerzo, Tatiana y Alexander deberán encontrar el rastro que les llevará a aquel momento prístino en el que se

conocieron, a su particular Jardín de Verano. La crítica ha dicho... «Una trilogía que no puedes evitar atesorar en tu corazón. Estos libros han cambiado mi concepto de lo que es la novela romántica.»

 –The Times Literary Supplement
 Two hundred years after civilization ended in an

event known as the Blast, Benedikt isn't one to complain. He's got a job—transcribing old books and presenting them as the words of the great new leader, Fyodor Kuzmich, Glorybe—and though he doesn't enjoy the privileged status of a Murza, at least he's not a serf or a half-human four-legged Degenerator harnessed to a troika. He has a house, too, with enough mice to cook up a

tasty meal, and he's happily free of mutations: no extra fingers, no gills, no cockscombs sprouting from his eyelids. And he's managed—at least so far—to steer clear of the ever-vigilant Saniturions, who track down anyone who manifests the slightest sign of Freethinking, and the legendary screeching Slynx that waits in the wilderness beyond.
